## Heaven On Earth 15 Minute Miracles To Change The World:

Heaven on Earth Danny Seo, 1999 A 21 year old entrepreneur of altruism offers a practical blueprint for anyone who wants to join him in finding personal fulfillment by committing to help others A portion of the proceeds will benefit Habitat for Humanity     Be Free! Slávica Bogdanov, 2010-10-12 You can consider this book as a kind of recipe book for reaching happiness success and freedom in every aspect of your life You can free yourself from debt weight anger stress and any other prisons that are keeping you locked out of living the dream life you want to live Slavica Bogdanov got out of the rat race at age 39 to live life fully doing what she loves most She is a public speaker and author [www.slavicabogdanov.com](http://www.slavicabogdanov.com)     No Greater Threat C. William Michaels, 2002 A pertinent analysis of the USA Patriot Act based on meticulous legal research and straight talk points to America's ominous evolution into a national security state In this very important study C W Michaels gives us a unique guide and commentar     *The Art of Instant Happiness* Slávica Bogdanov, 2012-11-04 Whether we want more money or great relationships to be slim or have a better job we actually want one thing to be happy We often associate success with money fame work family and well being The harsh truth is that happiness does not exist out there You will never find it by searching the entire planet Yet we all know it exists since we have all experienced it at one point in our life The reality is that happiness exists inside you and only inside you nowhere else This easy to read guide will give you tips on how to create a happy life for you and the ones around you simply every day Learn to enjoy life and improve your relationships Slavica Bogdanov is a professional speaker and a successful author     *It's Up to Us* John Graham, School of Biomolecular Sciences John Graham, 1999 Discusses how to live a meaningful life by social activism putting peace and justice ahead of consumerism and power     Planet Savers Kevin Desmond, 2017-09-08 Protecting the planet is everyone's work But we all have our own heroes in whatever area we are working Planet Savers brings together the varied stories of the hundreds of movers and shakers that have spoken up throughout history and taken action to defend the world from pollution deforestation species loss and climate change From Theodore Roosevelt to Al Gore from Francis of Assisi to David Attenborough and from hundreds more men and women that you will know little if anything about Scientists artists business people priests lawyers poets politicians activists and more from every continent of the world Their work has enthused us about the natural world and warned us that we must do much more to preserve it The Indian woman who became the world's first environmental martyr the Baptist Reverend who asked What Would Jesus Drive the Quaker big game hunter who set up the first conservation organisation the Shakespearian actor who revolutionised organic gardening and the housewife whose campaign against toxic waste forced a President to act The book is a cornucopia of people who from time immemorial have put their careers reputations and lives on the line to protect our planet from its governing inhabitants the human race Today as thousands of species of animals and plants are faced with extinction thousands of years of indigenous knowledge is lost in the face of technological advance and we become more and more aware of the potential doomsday scenario of a warming

world we need Planet Savers more than ever Our inspiration can be the 301 environmental lives portrayed in this book These people cared enough to do something about it Planet Savers is both a tribute and a catalyst a tribute to the people that loved the planet enough to want to act to save it and a catalyst for the people who will be inspired to act after reading it New Planet Savers are at work right now in rainforests and megacities in community centres and boardrooms at road protests and in courtrooms all over the world If this book has one great aim it is to inspire you the reader to join them It is a book that every home should own
