disciples asked Jesus to teach them how to pray and he gave them and us the beautiful template we now know as the Lord's Prayer. Just as we can use that prayer as a springboard for the cries of our own heart, may the prayers in this book help encourage you to practice your own rhythm of sharing your heart with God. Sometimes He Whispers Sometimes He Roars Marilynn Chadwick, 2012-01-03. This practical personal prayer guide contains stories, teachings, and tips to help jumpstart the prayer journey of readers whether they are new to prayer or lifelong prayer veterans. The author's prayers took her halfway around the world to work with the destitute and poor in African countries as she became the answer to someone else's prayers. Most books on prayer describe answers to the author's personal prayers. This book not only does that but also shows how the author became the answer to other people's prayers. Marilynn tells her story of how as an ordinary mom she has moved from her own neighborhood to the inner city to genocide-torn Africa. She also tells of meeting two African presidents and becoming deeply involved with the poor in Sudan. But much more than her personal story, this book offers a multitude of practical helps for readers to jumpstart their own prayer journey with step-by-step instructions, training, and tips. Inspirational principles such as Double for Your Trouble, which teaches that those who suffer pain and trouble are often doubly blessed by God, ground readers and equip them for prayer. And inspirational stories such as Pennies from Heaven, which tells how the author found pennies everywhere only to discover that God was trying to tell her something, motivate readers to move forward in their own prayer journey. Finally, a twenty-page eight-week Leaders Study Guide is included at the end of the book for those who want to share and teach this book's methods to others. The Homiletic Review, 1904. **Homiletic Review**, 1904. *Learning to Hear the Whispers of God* Donna Fitzpatrick, 2001. God desires to speak to us for fellowship with the ultimate goal of relationship. Usually God uses a quiet touch to communicate. This quiet touch is what Donna Fitzpatrick refers to as the whispers of God. These whispers give wisdom, direction, and reveal the things God wants to change in our hearts. Yet if we're waiting for a loudspeaker from heaven, we'll miss His quiet touch. Through a combination of Scripture and true-life whisper stories, *Learning to Hear the Whispers of God* encourages that God will speak to every believer. As a mother of eight, Donna writes from a wealth of stories. Believers from all walks and stages in life find themselves captivated and warmed by her down-to-earth manner and easy writing style that tugs at the heart and challenges our faith. Sometimes humorous, sometimes serious, these stories demonstrate the various ways God may choose to speak. Be encouraged to recognize God's voice through these stories and then experience the thrill of hearing the Lord whisper as He captures teaching moments through everyday experiences. Thought-provoking questions and scriptural answers contained in this book make it perfect for personal use or as a group Bible study. **Chasing Heaven** Crystal McVea, Alex Tresniowski, 2016-03-22. From the author of the New York Times bestseller *Waking Up in Heaven* comes an extraordinary story about Crystal McVea's personal transformation after visiting heaven and how readers can experience heaven themselves and live a more meaningful life. On December 10, 2009, Crystal McVea was being treated in a hospital for pancreatitis. Her heart stopped pumping for nine

minutes before doctors managed to revive her In those nine minutes she went to heaven stood with God and was forever changed Ever since Crystal s incredible experience her life has been profoundly different She has become a brand new person in every conceivable way heart mind soul and spirit By dying Crystal learned how to live Crystal realized that heaven is real and our true home but we are still meant to have meaningful lives full of passion and purpose right here on earth She believes we have to chase heaven while we are still alive and allow God to turn our lukewarm love into a firestorm of faith Chasing Heaven is the story of how God called to Crystal what He told her and how she found a way to get closer to Him again here on earth Crystal assures us that we don t have to die and go to heaven in order to ignite our faith We also don t have to abandon the lives we have in order to experience God and heaven Chasing Heaven is about following the path to the Lord and discovering your spiritual destiny The journey that followed Crystal s time in heaven has been difficult complicated and surprising full of twists and turns setbacks and triumphs drama and comedy and everything that makes life so messy and beautiful
