Heavenly Hospitality:

Heavenly Hospitality Jo Ann Janssen, 2004 Jo Ann Janssen presents more than 100 step by step tips to making one's home a place where guests can be recharged spiritually and physically *Works* Ralph Waldo Emerson, 1887 **Trinitasm** Zachery Stantz, 2020-09-16 In God we trust yet under the umbrella of religion the world remains full of sorrow sin and misfortune Wrongful wicked wayward and more than ever woeful mankind teeters on the edge of self annihilation Homelessness hunger and inequality are endured in a world that has become dangerously overpopulated and profoundly polluted If you were to be granted one wish that would ensure the survival of both people and planet what would you wish for The year is 2020 and by divine decree from the powers that be three religious leaders attain a never imagined unity A Christian a Muslim and a Jew are chosen and commanded to make such a wish They are called the Trinitas and the effect of their remedial request is called Trinitasm For some what befalls shall indeed be a disaster but for the lives of most it is to be nothing less than happily ever after Angelic adventures a glimpse of the afterlife and an unprecedented peek at the Heavens are presented in this spiritually sponsored poetic prophecy So too this be a book of beware and a manuscript with a message for a world that is soon to receive a bit of heavenly hocus pocus Be it perceived as preposterous and playful or possible and pending free will dictates that the choice is yours Practicing Theology Miroslav Volf, Dorothy C. Bass, 2001-10-26 In a time when academic theology often neglects the lived practices of the Christian community this volume seeks to bring balance to the situation by showing the dynamic link between the task of theology and the practices of the Christian life The work of thirteen first rate theologians from several cultural and Christian perspectives these informed and informative essays explore the relationship between Christian theology and practice in the daily lives of believers in the ministry of Christian communities and as a needed focus within Christian education Contributors Dorothy C Bass Nancy Bedford Gilbert Bond Sarah Coakley Craig Dykstra Reinhard Hutter L Gregory Jones Serene Jones Amy Plantinga Pauw Christine Pohl Kathryn Tanner Miroslav Volf Tammy Williams *Freestyle* Michael W. Waters, 2014-02-01 In this prophetic collection of essays Michael Waters comments on current issues from his perspective as pastor husband father and expert on hip hop culture Waters seeks to inspire hope in people who live in urban centers and in those who provide relief and minister with this context where it often seems that hope is bankrupt Freestyle seeks to restore Christian hope by pointing to the presence of God at work within these communities Michael Waters is the founder of Joy Tabernacle one of the African Methodist Episcopal Church's fastest growing congregations in Texas He blogs frequently for Huffington Post on current issues In Freestyle he addresses the following topics and more the U S civil rights movement how good manners and civility seem to be in short supply coming of age in the age of 9 11 addiction absent parents children born out of wedlock racism violence in America the media's portrayal of black achievement the legacy of Trayvon Martin Author Romal Tune calls Michael Waters provocative and prophetic saying he provides a fresh perspective on issues that impact our communities families and the

future of our country Don't miss this insightful book from a noted pastor professor motivational speaker and community organizer who inspires us all with a message of hope and empowerment **Bound to Be Free** Reinhard Hutter, 2004-07-20

Bound to Be Free explores the scriptural concepts of church ekklesia freedom eleutheria and truthful speech parrhesia showing not only that the proper meanings of three concepts interpenetrate one another but also that rending them asunder lies at the root of Christian division today According to Reinhard Hutter the crucial interrelationship of these three concepts has long been obscured by ongoing church division Separated from each other many Christians assume that freedom can be maintained and truthful speech preserved only at the cost of unity Others assume that Christian unity can be attained only if freedom and truthful speech are narrowly circumscribed in their proper exercise Christian division issues from the all too familiar individualistic accounts of church freedom and speech that have haunted modernity and clouded the proclamation of the gospel This book shows that here at the beginning of the twenty first century it is imperative that Christians attend to this crucial interrelationship and its source in the God of the gospel Hutter discusses the meaning role and importance of each concept in turn engaging along the way a wide range of classical and contemporary voices in theology philosophy and culture that reveal in different ways how church freedom and truthful speech support one another **Bound to Be Free** is a groundbreaking work that challenges common approaches to ecumenism and points a fruitful new course ahead **Sacred Travels** Christian George, 2006-12-06

The Christian life is a journey not just spiritually but also physically and experientially As global travel becomes more accessible new opportunities arise for these journeys to be spiritually significant You may find yourself in historic places where Christian faith shaped entire civilizations And you may realize that you too are being changed from a tourist to a pilgrim Christian George recovers the ancient spiritual practice of pilgrimage in which travel to sacred sites leads to the transformation of the soul In engaging narratives of his worldwide voyages he follows in the footsteps of spiritual pilgrims from across the centuries from Luther in Wartburg to Spurgeon in England His travels to landmark places from Iona to Assisi give him not only a better understanding of his Christian heritage but also of God's inner work in pilgrims throughout history and today Come with Christian as he breaks bread with Benedictines in Ireland and worships with the Taiz community in France Experience the transforming power of spiritual pilgrimage And discover what it means to be a pilgrim as you follow God wherever he leads **AAHOA Hospitality**, 2000 **The Art of Heavenly Hospitality** Becky Eisemann, 2021-08-12
