Wunrow,2025-06-12 Stephen Wunrow addresses the pressing question of what the author of Hebrews meant by his descriptions of heaven arguing that the author intended his references to heavenly space to be interpreted as realistic descriptions of a real place Wunrow posits that language about heaven is neither metaphor nor a description of a place outside the creation by examining other early Jewish and Christian texts that narrate or describe humans ascending into heaven Given the nature and the function of heavenly space as described in these texts Wunrow suggests it is most probable that the authors of the texts intended their descriptions of heavenly space to be understood as realistic Wunrow thus explores 1 and 2 Enoch 4 Ezra 2 and 3 Baruch the Apocalypse of Abraham the Testament of Levi the Testament of Abraham the Ascension of Isaiah and Revelation investigating how other roughly contemporary authors described heavenly space and considering that the rhetorical aims of most of these authors fail unless their readers understand their descriptions of heavenly space in realistic ways Turning then to examine Hebrews Wunrow suggests that while the letter does contain unique features and rhetorical aims it also fits comfortably with other early Jewish and Christian texts that describe humans ascending into heaven in a realistic manner He concludes with reflections on how this conclusion helps to clarify other topics in Hebrews including atonement and eschatology **The Awesome Book of Cat Humor** Bob Phillips,2009 Curiosity got the cat and humor will get readers when they pick up a copy of this spectacular collection of cat humor from cartoonist Jonny Hawkins and bestselling jokester Bob Phillips A litter full of clever quotes Tail chasing laughs What cats really think Kitty riddles Festive feline funny stories Page after page provides nine lives worth of laughs for readers of every age Lowering the Bar Marc Galanter,2006-08-08 What do you call 600 lawyers at the bottom of the sea Marc Galanter calls it an opportunity to investigate the meanings of a rich and time honored genre of American humor lawyer jokes Lowering the Bar analyzes hundreds of jokes from Mark Twain classics to contemporary anecdotes about Dan

Quayle Johnnie Cochran and Kenneth Starr Drawing on representations of law and lawyers in the mass media political discourse and public opinion surveys Galanter finds that the increasing reliance on law has coexisted uneasily with anxiety about the legalization of society Informative and always entertaining his book explores the tensions between Americans deep seated belief in the law and their ambivalence about lawyers **Heavenly Humor for the Dad's Soul** Barbour Publishing, Inc,2014-03 Need a good laugh Who doesn t Find mirth and spiritual refreshment in Heavenly Humor for the Dad s Soul featuring devotional readings drawn from fellow fathers and those who love them Seventy five readings will make you laugh chuckle chortle and snicker And every reading points you to the heavenly Father who knows all about you and loves you completely **A Positive Plan for Creating More Calm, Less Stress** Karol Ladd,2005-07-10 Busy Hurried FRAZZLED A mom s life is anything but tranquil With multiple responsibilities as caretaker taxi driver short order cook and domestic servant what most women need in life is more calm and less stress More Calm Less Stress provides that positive biblically based plan to help women realistically create an atmosphere of peace that she and her family so desperately need The five delightful and doable action steps help mothers make their home a positive place to live This is the first book in the Positive Plan series that will also include A Positive Plan for Creating More Fun Less Whining June 2006 A Positive Plan for Creating More Love Less Anger June 2007
