## Heavenly Army Of Angels:

*Heavenly Army of Angels* Bob Lord, Penny Lord, 1991-09 Bob and Penny Lord focus on the reality of Angels contending that we are surrounded and protected by these heavenly beings dispatched by God to preserve and empower us

Engaging Heaven's Army Ron Wood, 2016-09-25 Engaging Heaven's Army is filled with Bible explanations and testimonies of angels working with us when we pray rightly I relate prophetic dreams about angels operating on earth in this era I explain some things our Lord Jesus referenced in the Gospels about the activity of angels at the end of the age God's angels are already here and more are arriving They watch and listen Angels pay attention and intervene on our behalf They're frightening to see but they're on our side Angels are warriors in God's army with authority and power licensed to kill Angels have changed the course of human history Angels are on patrol to watch over certain nations They intervene in elections I tell about my experience when that happened to some of us These messengers of God give us dreams or visions They speak their own language but they can also communicate with us Angels of the Lord confirm the authority of Jesus in ambassadors of His kingdom especially apostles and prophets as they declare God's word Angels are God's enforcers Engaging Heaven's Army is filled with stories of angels helping us It includes instructions for praying so as to gain their attention It has illustrations from the Bible and world history of angels acting at key moments to turn the tide in favor of God's people I offer practical personal help as I tell my experience overcoming frustration I've included steps I learned for believers to remove blockages to effective praying so we can be accountable for real results I explain how to work with the Lord in order for His kingdom to come on the earth as it is in heaven I deal with some big issues too We need to know that authority is useless if no power is enforcing it The Holy Spirit helps us pray and say the right things He really is our Helper I explain how prophetic prayers and apostolic decrees can operate through Christians to bring heaven to earth **Angels: A**

**The Wake-up Call** Madu De Silva, 2024-05-24 What if the world had never been tainted by sin and evil What if Adam and Eve had resisted the temptation of the forbidden fruit How would our history and faith have been different Would we still have needed God or would God still have wanted us in such a perfect world Now imagine attaining immortality defying the graceful ageing and inevitable death You find yourself in an Eden like setting where your sole duty is to sing praises for the creator living forever with no sin no emotions no physical form and no attachments except for the service of God The allure of eternal life as depicted in various religious texts often presents an image of endless existence in a paradise like setting However the reality of such an existence may not be as idyllic as it first appears Imagine for instance your favourite meal The first taste is a revelation the hundredth still delightful But the thousandth The millionth Even the most divine delicacies could become mundane Similarly consider a favourite song or a beloved film Repeated endlessly even these could lose their charm In an eternal life where each day mirrors the last the pleasures we savour in our mortal lives could become tedious Compare this with our finite existence shaped by time Each day brings a new opportunity every encounter could change our lives and every challenge helps us grow Growing old often seen negatively is a mark of our wisdom and experience The beauty of ageing is a tribute to life itself At some point whether you are a devout cleric or a God fearing layman you have wondered about questions that challenge your beliefs your interpretation of the Bible and what you have learned The Wake Up Call invites you to explore the Bible from a completely new angle It's not a demand to change what you believe but to learn things from a different perspective The readers who accept this invitation will find it rewarding and I promise you a delightful journey This book is not just a critique of God the Bible and Abrahamic religions It's a reflection of our convictions a challenge to look beyond the obvious and a call to question

the unquestionable Are you courageous enough to answer the call Are you prepared for the shock of the new insight If so open the book and start your journey The road may be tough but the rewards are priceless This is your wake up call Will you heed it The choice is yours     **Oahspe** John Ballou Newbrough,1882     *THE UNVEILING - A Guide to the Prophecies of the Book of Revelation* Robert I.
