At the Beach Jean-Didier Urbain,2003 Around the world when people think of vacation it s the beach they want even when long distances must be traversed the seashore is the place to escape the rigors of modern life How did this come to be and what does our ongoing love affair with the beach mean How do shore vacations differ from traditional tourism and what does this tell us about our fears and dreams In At the Beach Jean Didier Urbain offers witty and insightful answers to these questions Urbain traces the transformation of the beach from a place of mythological threats and a demanding workplace fraught with danger to a destination for medical treatment and the pursuit of pleasure He looks to the emergence of the modern vacation in the nineteenth century examines representations of beachgoing in literature and the arts and shows the transgressive side of beach culture from nudism to hedonism to various scandals about costume behavior and sexuality that make the beach the site of social spectacle as well as leisure Urbain s ultimate focus is the paradoxical enterprise of the residential seaside vacationer who travels in order to stay in one place and who leaves the everyday world behind to reconstruct an idealized version of it at the shore He argues that unlike tourists who move from place to place beach vacationers are not seeking to explore nature to discover other cultures or even to get away from it all rather they are attempting to re create their own identities through a simplified community they can no longer find elsewhere Blending history with social observation Urbain presents an original incisive and entertaining account of this enduring ritual of escape and recreation Longing for Diesel Elizabeth Lennox,2022-04-29 He was the man for her Ever since moving to Florida Kaia King had felt a throbbing aching need for Diesel Bishop But he was the best friend to Kaia s older very protective brother No matter what she did Kaia could not get Diesel to stop treating her like a little sister Until one night Kaia had enough She tries to seduce the hunky man only to be stopped short when he informs her that he wants more than just a fling Since she s madly in love with the big guy she s in full agreement Except she has to tell her older brother about their relationship Gulp Kaia is on her way to do just that when someone stops that much needed conversation The man in the ski mask trying to get to Diesel through her Kaia knows that she has to free herself from this kerfuffle before the masked man hurts Diesel No way is she going to lose him when the two of them were finally working their way towards a heart stoppingly hot relationship Nor was Diesel going to let some jerk hurt Kaia Symbolic Christopher Lamb,2002-03 THOUSANDS OF

Psalms 101-150 Abraham Kuruvilla,2024-04-10 This three volume commentary on the Psalms engages hermeneutics for preaching employing theological exegesis that enables the preacher to utilize all the psalms in the Psalter to craft effective sermons It unpacks the crucial link between Scripture and application the theology of each preaching text psalm what the author is doing with what he is saying in each psalm is explored and explicated While the primary goal of the commentary is to take the preacher from text to theology it also provides a sermon outline for each of the preaching units in the Psalms The unique approach of this work results in a theology for preaching commentary that promises to be useful for anyone teaching from the Psalter with an emphasis on application
