White House Cook Book Fanny Lemira Gillette, 1889 Mrs. Beeton's Dictionary of Every-Day Cookery Mrs. Beeton, 2016-08-13 The reasons for the publication of this Volume the First of a Series of Practical Manuals which were to be called the All About It Books were thus explained in a Prospectus issued a few months ago and approved by the late Mrs S O Beeton Many wishes have been expressed to the Authoress of the Book of Household Management that a volume of Recipes in Cookery should be written which could be sold at a price somewhere between the seven and sixpenny Household Management and the Shilling Cookery Book Accordingly Mrs Beeton has prepared a Collection of Recipes and of other Practical Information concerning the Dressing and Serving of Family Fare which when completed will be published in serviceable binding at the price of Three Shillings and Sixpence As Mistress Cook and Critic have declared that the details in Mrs Beeton's larger work are so easy to understand the Authoress has followed in every Recipe printed in the present Dictionary the same simple plan she originally used Regarding however the arrangement of the Recipes the Authoress has chosen the Dictionary form believing an alphabetical arrangement to be the best for a book that is being constantly referred to By the adoption of a very intelligible system all cross reference and that very disagreeable viii parenthesis See So and so is avoided except in a very few instances Where any warning as to what should not be done is likely to be needed it is given as well as advice as to what ought to be done No pains have been thought too great to make little things clearly understood Trifles constitute perfection It is just the knowledge or ignorance of little things that usually makes the difference between the success of the careful and experienced housewife or servant and the failure of her who is careless and inexperienced Mrs Marketing Research Report, 1952 Health [a Monthly Devoted to the Cause and Cure of Disease], 1905 **Science in the Kitchen** E.
