Hebrew Verbless Clause In The Pentateuch:

The Hebrew Verbless Clause in the Pentateuch Francis I. Andersen, 1970 **The Hebrew Verbless Clause in the Pentateuch** Francis Ian Andersen, 1970 The Verbless Clause in Biblical Hebrew Cynthia L. Miller-Naudé, 1999-06-30

Thirty years after seminal studies by Francis I Andersen and Jacob Hoftijzer members of the 1996 SBL section on Linguistics and Biblical Hebrew gathered to reconsider the topic of the verbless clause in Hebrew The results are published here demonstrating the gains made in the interim and providing direction for future research Contents Cynthia L Miller Pivotal Issues in Analyzing the Verbless Clause Walter Gross Is There Really a Compound Nominal Clause in Biblical Hebrew Cameron Sinclair Are Nominal Clauses a Distinct Clausal Type Randall Buth Word Order in the Verbless Clause A Generative Functional Approach Vincent DeCaen A Unified Analysis of Verbal and Verbless Clauses within Government Binding Theory J W Dyk and E Talstra Paradigmatic and Syntagmatic Features in Identifying Subject and Predicate in Nominal Clauses Takamitsu Muraoka The Tripartite Nominal Clause Revisited Alviero Niccacci Types and Functions of the Nominal Sentence Kirk E Lowery Relative Definiteness and the Verbless Clause Lenart J de Regt Macrosyntactic Functions of Nominal Clauses Referring to Participants E J Revell Thematic Continuity and the Conditioning of Word Order in Verbless Clauses Ellen van Wolde The Verbless Clause and Its Textual Function The Law of Testimony in the Pentateuchal Codes Bruce Wells, 2002

Four Views of the Verbless Clause in Biblical Hebrew John Alan Linton, 1983 **Making Sense of the Divine Name in the Book of Exodus** Austin Surls, 2017-05-08 The obvious riddles and difficulties in Exod 3 13 15 and Exod 6 2 8 have attracted an overwhelming amount of attention and comment These texts make important theological statements about the divine name YHWH and the contours of the divine character From the enigmatic statements in Exod 3 13 15 most scholars reconstruct the original form of the name as Yahweh which is thought to describe YHWH s creative power or self existence Similarly Exod 6 3 has become a classic proof text for the Documentary Hypothesis and an indication of different aspects of God s character as shown in history Despite their seeming importance for defining the divine name these texts are ancillary to and preparatory for the true revelation of the divine name in the book of Exodus This book attempts to move beyond atomistic readings of individual texts and etymological studies of the divine name toward a holistic reading of the book of Exodus Surls centers his argument around in depth analyses of Exod 3 13 15 6 2 8 and Exod 33 12 23 and 34 5 8 Consequently the definitive proclamation of YHWH s character is not given at the burning bush but in response to Moses later intercession Exod 33 12 23 YHWH proclaimed his name in a formulaic manner that Israel could appropriate Exod 34 6 7 and the Hebrew Bible quotes or alludes to this text in many genres This demonstrates the centrality of Exod 34 6 7 to Old Testament Theology The character of God cannot be discerned from an etymological analysis of the word yhwh but from a close study of YHWH s deliberate ascriptions made progressively in the book of Exodus **NIVAC Bundle 1: Pentateuch** John H. Walton, Roy Gane, Daniel I. Block, 2015-11-03 The NIV Application Commentary helps you communicate and apply

biblical text effectively in today's context To bring the ancient messages of the Bible into today's world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today's preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written

The Poetic Priestly Source Jason M. H. Gaines, 2015-12-15 Applying criteria for the identification of biblical Hebrew poetry Jason M H Gaines distinguishes a nearly complete poetic Priestly stratum in the Pentateuch Poetic P coherent in literary narrative and ideological terms from a later prose redaction Prosaic P which is fragmentary supplemental and distinct in thematic and theological concern Gaines describes the whole of the Poetic P source and offers a Hebrew reconstruction of the document This dramatically innovative understanding of the history of the Priestly composition opens up new vistas in the study of the Pentateuch *Zephaniah's Oracles against the Nations*

Ryou, 2021-08-30 *Zephaniah's Oracles against the Nations* deals with exegetical methods as well as their application to the text The first part of the book examines the Hebrew text from the viewpoint of synchrony employing insights from modern linguistic and literary theory Such important concepts as text grammar textual hierarchy communicational and actantial analysis on the one hand and prosodic hierarchy and Hebrew versification on the other emerge from this discussion The second part of the book discusses diachronical matters such as the redactional process its theological and pastoral significance and the hermeneutical implications of such diachronical study Of special interest are the additional sections on the issues of the so called woe cry and oracles against the nations in the Old Testament This timely study is particularly useful for those interested in the linguistic analysis and literary interpretation of the Hebrew Bible General Linguistics

A. Thomas, 2011-03-17 Using a combination of form critical and linguistic methods the author seeks to understand the role of

the toledot formula often translated These are the generations of Name in shaping the book of Genesis and the Pentateuch as a whole An examination of the formula uncovers that it functions primarily as a heading to major sections of text and draws the readers attention to focus on an ever narrower range of characters By starting from the perspective of the surface structure of the text and addressing questions that investigation raises the study is able to uncover and resolve a number of tensions within the text as well as provide insights into a number of other questions surrounding the toledot headings and the organization of the structure of the Pentateuch

Genesis 37 - 50 Claus Westermann,1986-01-01 This third volume of Westermann s masterful commentary on Genesis offers a stimulating treatment of the most poignant and unified of the narratives in Genesis the Joseph story Book jacket *From Paradise to the Promised Land* T. Desmond

Alexander,2012-06-01 This text has been a popular introduction to the Pentateuch for over fifteen years offering a unique alternative to the critical approaches that focus on the composition of these books rather than the actual content With this new edition T Desmond Alexander keeps the book fresh and relevant for contemporary students by updating the references and adding material that reflects recent pentateuchal research as well as the author s maturing judgments The result is a revision that will prove valuable for many years to come *The Reader Must Understand* Kent E. Brower,Mark W.

Elliott,2013-11-05 The reader must understand is a more forceful translation of the words usually rendered let the reader understand in Mark 13 14 Translated this way this volume s title stresses the importance of eschatology for Bible readers and theologians Eschatology the study of the last things is central to New Testament studies and indeed is not without importance for the Old Testament The Bible s eschatology and its place in Christian theology must therefore be taken very seriously The essays in this volume most of which were presented at the Tyndale Fellowship Triennial Conference 1997 offer new and important ideas and analysis They cover five main areas biblical theology Old Testament New Testament Christian doctrine and practical theology and significant contributions are made in each area **The Book of Genesis, Chapters**

1-17 Victor P. Hamilton,1990-10-31 Hamilton s study on the first 17 chapters of the Book of Genesis is part of The New International Commentary on the Old Testament Like its companion series on the New Testament this commentary devotes considerable care to achieving a balance between technical information and homiletic devotional interpretation

The Book of Genesis, Chapters 18-50 Victor P. Hamilton, 1995-09-26 In this volume Hamilton expounds Genesis 18-50 verse by verse and provides linguistic literary and theological commentary of its overarching theme Yahweh's faithfulness to his promised word and his covenant with those who were chosen to receive it This evangelical thorough work features a comprehensive introduction copious footnotes and references to the New Testament writers interpretations of Genesis

Old Testament Story and Christian Ethics Robin A. Parry, 2005-06-02 Christian use of the Old Testament has tended to focus on law and wisdom literature and to marginalize narrative materials This book restores story to its rightful place in Old Testament ethics and aims to set out parameters within which Christian ethical reappropriations of Old Testament narratives can take place The argument begins by examining recent philosophical studies of the role of story in the ethical life Special attention is paid to the work of Paul Ricoeur Martha Nussbaum and Robert C Roberts Then the theological foundations are laid by demonstrating the importance of narrative for Old Testament ethics and of the biblical metanarrative for Christian interpretation Genesis 34 is examined as a detailed case study to exemplify the fruits of the method for Christian readers The study considers reception history feminist interpretation discourse analysis and canonical context to shed new light on the terrible story of the rape of Dinah

How I Love Your Torah, O LORD! Daniel I. Block, 2011-09-01 Like the book of Romans in the New Testament the book of Deuteronomy provides the most systematic and sustained presentation of theology in the Old Testament And like the Gospel of John it represents mature theological reflection on God's great acts of salvation in this case associated with the exodus of Israel from Egypt Unfortunately for many Christians Deuteronomy is a dead book either because its contents are unknown or because its message is misunderstood The essays in this collection arise from a larger project driven by a passion to recover

for Christians the life giving message of the Old Testament in general and the gospel according to Moses in particular The meditations cover a wide range of topics from explorations into the meaning of specific texts to considerations of the ethical and homiletical relevance of the book for Christians today

Genesis 49 in its Literary and Historical Context R. de Hoop, 2021-11-15 This book deals with the so called Blessing of Jacob Genesis 49 in all its aspects discussing philological literary and historical problems After an introductory chapter a thoroughly discussed translation of Genesis 49 and an analysis of its poetical structure are presented followed by the discussion of the genre definition tribal saying Stammesspruch and a synchronic and diachronic analysis of Genesis 49 in its literary context Gen 47 29 49 33 The remarkable results of this analysis are finally discussed in relation to Israel s history It is suggested that only part of the Blessing functioned within the originally much shorter deathbed account Gen 47 29 49 33 reflecting the historical situation of the time of origin Afterwards it was thoroughly worked up into its present shape to meet the conditions of later political development
