**Jewish Modernity** Michael Fagenblat, 2017-02-27 Negative theology is the attempt to describe God by speaking in terms of what God is not Historical affinities between Jewish modernity and negative theology indicate new directions for thematizing the modern Jewish experience Questions such as What are the limits of Jewish modernity in terms of negativity Has this creative tradition exhausted itself and How might Jewish thought go forward anchor these original essays Taken together they explore the roots and legacies of negative theology in Jewish thought examine the viability and limits of theorizing the modern Jewish experience as negative theology and offer a fresh perspective from which to approach Jewish intellectual history      *Bruno Schulz and Galician Jewish Modernity* Karen Underhill, 2024 In the 1930s through the prose of Bruno

Schulz 1892 1942 the Polish language became the linguistic raw material for a profound exploration of the modern Jewish experience Rather than turning away from the language like many of his Galician Jewish colleagues who would choose to write in Yiddish Schulz used the Polish language to explore his own and his generation s relationship to East European Jewish exegetical tradition and to deepen his reflection on golus or exile as a condition not only of the individual and of the Jewish community but of language itself and of matter Drawing on new archival discoveries this study explores Schulz s diasporic Jewish modernism as an example of the creative and also transient poetic forms that emerged on formerly Habsburg territory at the historical juncture between empire and nation state      **Women Writing Jewish Modernity,**

**1919-1939** Allison Schachter, 2021-12-15 Finalist 2023 National Jewish Book Award Winners in Women s Studies In *Women Writing Jewish Modernity* 1919 1939 Allison Schachter rewrites Jewish literary modernity from the point of view of women

Focusing on works by interwar Hebrew and Yiddish writers Schachter illuminates how women writers embraced the transgressive potential of prose fiction to challenge the patriarchal norms of Jewish textual authority and reconceptualize Jewish cultural belonging Born in the former Russian and Austro Hungarian Empires and writing from their homes in New York Poland and Mandatory Palestine the authors central to this book Fradl Shtok Dvora Baron Elisheva Bikhovsky Leah Goldberg and Debora Vogel seized on the freedoms of social revolution to reimagine Jewish culture beyond the traditionally male world of Jewish letters The societies they lived in devalued women's labor and denied them support for their work In response their writing challenged the social hierarchies that excluded them as women and as Jews As she reads these women Schachter upends the idea that literary modernity was a conversation among men about women with a few women writers listening in Women writers revolutionized the very terms of Jewish fiction at a pivotal moment in Jewish history transcending the boundaries of Jewish minority identities Schachter tells their story and in so doing calls for a new way of thinking about Jewish cultural modernity

**Nathan Birnbaum and Jewish Modernity** Jess Olson, 2013-01-09 This book explores the life and thought of one of the most important but least known figures in early Zionism Nathan Birnbaum Now remembered mainly for his coinage of the word Zionism Birnbaum was a towering figure in early Jewish nationalism Because of his unusual intellectual trajectory however he has been written out of Jewish history In the middle of his life in the depth of World War I Birnbaum left his venerable position as a secular Jewish nationalist for religious Orthodoxy an unheard of decision in his time To the dismay of his former colleagues he adopted a life of strict religiosity and was embraced as a leader in the young growing world of Orthodox political activism in the interwar period one of the most successful and powerful movements in interwar central and eastern Europe Jess Olson brings to light documents from one of the most complete archives of Jewish nationalism the Nathan and Solomon Birnbaum Family Archives including materials previously unknown in the study of Zionism Yiddish based Jewish nationalism and the history of Orthodoxy This book is an important meditation on the complexities of Jewish political and intellectual life in the most tumultuous period of European Jewish history especially of the interplay of national political and religious identity in the life of one of its most fascinating figures

**Modern Jewish Literatures** Sheila E. Jelen, Michael P. Kramer, L. Scott Lerner, 2011-06-06 Is there such a thing as a distinctive Jewish literature While definitions have been offered none has been universally accepted Modern Jewish literature lacks the basic markers of national literatures it has neither a common geography nor a shared language though works in Hebrew or Yiddish are almost certainly included and the field is so diverse that it cannot be contained within the bounds of one literary category Each of the fifteen essays collected in Modern Jewish Literatures takes on the above question by describing a movement across boundaries between languages cultures genres or spaces Works in Hebrew and Yiddish are amply represented but works in English French German Italian Ladino and Russian are also considered Topics range from the poetry of the Israeli nationalist Natan Alterman to the Russian poet Osip Mandelstam from turn of the century Ottoman Jewish journalism to wire

recorded Holocaust testimonies from the intellectual salons of late eighteenth century Berlin to the shelves of a Jewish bookstore in twentieth century Los Angeles The literary world described in Modern Jewish Literatures is demarcated chronologically by the Enlightenment the Haskalah and the French Revolution on one end and the fiftieth anniversary of the State of Israel on the other The particular terms of the encounter between a Jewish past and present for modern Jews has varied greatly by continent country or village by language and by social standing among other things What unites the subjects of these studies is not a common ethnic religious or cultural history but rather a shared endeavor to use literary production and writing in general as the laboratory in which to explore and represent Jewish experience in the modern world

**Jewish Cryptotheologies of Late Modernity** Agata Bielik-Robson, 2014-08-13 This book aims to interpret Jewish Philosophy in terms of the Marrano phenomenon as a conscious clinamen of philosophical forms used in order to convey a secret message which cannot find an open articulation The Marrano phenomenon is employed here in the domain of modern philosophical thought where an analogous tendency can be seen the clash of an open idiom and a secret meaning which transforms both the medium and the message Focussing on key figures of late modern twentieth century Jewish thought Hermann Cohen Gershom Scholem Walter Benjamin Franz Rosenzweig Theodor Adorno Ernst Bloch Jacob Taubes Emmanuel Levinas and Jacques Derrida this book demonstrates how their respective manners of conceptualization swerve from the philosophical mainstream along the Marrano secret curve Analysing their unique contribution to the unfinished project of modernity including issues of the future of the Enlightenment modern nihilism and post secular negotiation with religious heritage this book will be essential reading for students and researchers with an interest in Jewish
