Hedging Simple Strategies For Protecting Your Profits:

Business of Share Trading Leon Wilson, 2012-05-09 Successful trader and best selling author Leon Wilson knows how to make a living trading on the sharemarket. He also knows that because trading requires discipline, time and self education, 90 per cent of those who attempt it will fail within two years. In concise and clear language, *The Business of Share Trading* second edition shows how you can take control and profit from an active sharemarket portfolio. From developing a plan and financing your capital investment to setting up a home office and keeping accurate records, this newly expanded edition offers step by step guidance to all aspects of running a successful trading business. Updated to reflect the changes that have occurred in the industry over the past decade, *The Business of Share Trading* contains everything you need to know about Fundamental, technical and combination analysis. Dealing with brokers, data suppliers, ISPs and information sources. Trend trading, break out trading and reversal trading. Trade entities and exits, position sizing and stop loss management. *The Wiley Trading Guide* Wiley, 2011-04-06 Australia's 1 business publisher is proud to publish *The Wiley Trading Guide* including writing from some of the best trading authors and professionals operating in Australia and the US. With new material from some of Wiley's best selling trading authors including Louise Bedford, Daryl Guppy, Chris Tate, Stuart McPhee and more, this guide is the must have book for traders looking to capitalise on the market recovery in 2010. Hot topics covered include Forex, futures, charting, CFDs, computerised trading, trading plans and trading psychology. **Hedging** Guy Bower, 2002-04-30 *Hedging Simple Strategies for Protecting Profits* looks at ways investors can protect their portfolios from downtrending or flat markets or the short term fluctuations in share prices. The book discusses derivatives such as options, warrants and futures contracts and some of the newer products such as CaPELS and Equity Linked Notes. It also offers strategies using these products to help investors cope with various investment scenarios. More than a purely theoretical book, *Hedging* is also a practical workbook with plenty of resources listed to help you find the information you need on your chosen market. There are quick questions at the end of each chapter where readers can test their knowledge with real life examples and hypothetical trading situations. Perhaps most importantly, Guy Bower debunks some of the common myths about trading derivatives and proves that it doesn't need to be complicated. It's not excessively risky. It can be done as successfully by private traders as by the professionals. Minimalist Investor Maximum Profits John R. Klinefelter, 2020-11-05 *Minimalist Investor Maximum Profits* is a book that will help people with an unwavering interest in the moneymaking world of the stock market. It is easy to read and full of useful insights that you could grasp directly and should teach you the basic strategies to invest profitably. As the author boldly declares right in the preface, "In this book I explain how to evaluate stocks, how to select winners, when to buy, when to hold a stock and when to sell." This little volume showcases the **Options Made Simple** Jacqueline Clarke, Davin Clarke, 2011-12-27 The sixth book in the Wrightbooks Made Simple series, *Options Made Simple* is an uncomplicated guide to trading options for beginners.
