# Hedingham Harvest Victorian Family Life In Rural England

**Claudia Nelson**

## **Hedingham Harvest Victorian Family Life In Rural England:**

**Hedingham Harvest** Geoffrey Robinson,1989      Family Ties in Victorian England Claudia Nelson,2007-02-28 The Victorians were passionate about family While Queen Victoria s supporters argued that her intense commitment to her private life made her the more fit to mother her people her critics charged that it distracted her from her public responsibilities Here Nelson focuses particularly on the conflicting and powerful images of family life that Victorians produced in their fiction and nonfiction that is on how the Victorians themselves conceived of family which continues both to influence and to help explain visions of family today Drawing upon a wide variety of 19th century fiction and nonfiction Nelson examines the English Victorian family both as it was imagined and as it was experienced For many Victorians family was exalted to the status of secular religion endowed with the power of fighting the contamination of unchecked commercialism or sexuality and holding out the promise of reforming humankind Although in practice this ideal might have proven unattainable the many detailed 19th century descriptions of the outlook and behavior appropriate to fathers and mothers sons and daughters and other family members illustrate the extent of the pressure felt by members of this society to try to live up to the expectations of their culture Defining family to include the extended family the foster or adoptive family and the stepfamily Nelson considers different roles within the Victorian household in order to gauge the ambivalence and the social anxieties surrounding them many of which continue to influence our notions of family today      The Hidden People Alison Littlewood,2016-10-06 A chilling Gothic mystery from the bestselling author of Richard Judy Book Club hit The Cold Season perfect for fans of Susan Hill The Coffin Path and The Silent Companions where superstition and myth bleed into real life with tragic consequences The twist is brilliant Daily Mail Intriguing and unsettling Sunday Express Pretty Lizzie Higgs is gone burned to death on her own hearth but was she really a changeling as her husband insists Albie Mirralls met his cousin only once in 1851 within the grand glass arches of the Crystal Palace but unable to countenance the rumours that surround her murder he leaves his young wife in London and travels to Halfoak a village steeped in superstition Albie begins to look into Lizzie s death but in this place where the old tales hold sway and the Hidden People supposedly roam answers are slippery and further tragedy is just a step away A skilful blend of the supernatural and the psychological If you enjoyed Jonathan Strange Mr Norrell by Susanna Clarke and the Woman in Black by Susan Hill this is one for you Mature Times
