Monsters in the Mirror Sara Buttsworth, Maartje Abbenhuis, 2010-08-31 This collection provides readers with a comprehensive overview of postwar representations of Nazism in popular culture documenting and critiquing their enormous impact and importance From Charlie Chaplin s The Great Dictator to the depiction of Nazis in the Raiders of the Lost Ark to other various literature comic books video games television programs and pop music Nazism has maintained a constant presence in popular culture after World War II Why are representations of Nazism which are often used to depict the ultimate expression of human evil so entrenched in our culture Each chapter in this book examines this multifaceted topic

from different angles highlighting the different incidences of Nazistic representations in the post 1945 period The diverse subject matter in this text ranges from analysis of recent historical novels to the music of the neo folk movement to fetishes and pornography Readers will gain insight on how the imagery and symbology of Nazism in popular culture has changed over time and understand how the disconnect between representations of Nazism and the historical record have developed particularly with regard to the genocide that resulted from Nazi politics France, 1500-1715 Alastair Armstrong, 2003 Heinemann Advanced History offers a differentiation strategy with books covering AS and A2 Exam preparation includes practice questions advice on what makes a good answer and help for students on interpreting questions and planning essays *The Wars of the Roses and Henry VII* Colin Pendrill, 2004 This text offers coverage of the AS A Level course and includes sample exam questions and advice on what makes a good answer It also features help for students on how to interpret the material and plan essays **War, Nation, Memory** Keith A. Crawford, Stuart J. Foster, 2007-12-01 The Second World War stands as the most devastating and destructive global conflict in human history More than 60 nations representing 1.7 billion people or three quarters of the world's population were consumed by its horror Not surprisingly therefore World War II stands as a landmark episode in history education throughout the world and its prominent place in school history textbooks is almost guaranteed As this book demonstrates however the stories that nations choose to tell their young about World War II do not represent a universally accepted truth about events during the war Rather wartime narratives contained in school textbooks typically are selected to instil in the young a sense of national pride common identity and shared collective memory To understand this process War Nation Memory describes and evaluates school history textbooks from many nations deeply affected by World War II including China France Germany Japan USA and the United Kingdom It critically examines the very different and complex perspectives offered in many nations and analyses the ways in which textbooks commonly serve as instruments of socialisation and in some cases propaganda Above all War Nation Memory demonstrates that far from containing neutral knowledge history textbooks prove fascinating cultural artefacts consciously shaped and legitimated by powerful ideological cultural and sociopolitical forces dominant in the present

Oliver Cromwell David Sharp, 2003 This text offers coverage of the AS A Level course and includes sample exam questions and advice on what makes a good answer It also features help for students on how to interpret the material and plan essays *Mussolini and Italy* Edward Townley, 2002 Separate sections for AS and A2 ensures students have the information they need at the right depth Exam preparation and advice at the end of each section help students understand what examiners are looking for and what style questions your exam board will set A more accessible AS format eases the transition from GCSE while the A2 section develops students skills and helps them rise to the challenge of A Level exams

The Coming of the Civil War, 1603-49 David Sharp, 2000 A study of the Civil War for AS Level History students It is designed to fulfil the specifications in place from September 2000 It provides two sections featuring narrative and

explanation of the topic There are notes biography boxes and definitions in the margin and summary boxes to help students assimilate the information There are also practice questions and hints and tips on what makes a good answer *France in Revolution, 1776-1830* Sally Waller, 2002 The AS A2 History series that everyone s talking about **Lenin and the Russian Revolution** Steve Phillips, 2000 A study of Lenin and the Russian Revolution It is designed to fulfil the AS and A Level specifications in place from September 2000 The AS section deals with narrative and explanation of the topic The A2 section reflects the different demands of the higher level examination
