Tierney, 2021-12-22 CAN A HANDFUL OF HEROES STOP AN APOCALYPSE CENTURIES IN THE MAKING Escaped gladiator slave Simon of Gitta returns to Judea during the ministry of Jesus of Nazareth on a mission to avenge the deaths of his parents seeking revenge in blood against the Roman officials who committed the murders and sold Simon into slavery But as Simon travels the Holy Lands with his mentor Dositheus and their students Menander and Ilione they gradually become entangled in a complex occult plot designed to call down a monstrous alien entity to herald a new aeon on Earth The mysterious time traveler John Taggart from Tierney's *The Winds of Zarr* also becomes involved with Simon as their separate quests converge toward a common goal of saving all life on Earth from extinction But can a handful of travelers really thwart a covert scheme backed by the power of the Roman Empire As the apocalyptic supernatural events slowly unfold Simon and his allies are in a race against time to prevent the devastation of the world Using mystery cults and early Christian Gnosticism as his vehicle with meticulously researched Roman history and Biblical scholarship this is author Richard Tierney's magnum opus an epic Lovecraftian alternate history dark fantasy novel that features Tierney's most famous characters Simon of Gitta and John Taggart This novel will appeal to fans of historical fantasy and sword sorcery fiction in the vein of Robert E Howard and the elements of cosmic horror and the Cthulhu Mythos will satisfy many fans of H P Lovecraft      **Inheritance in Nineteenth-century French Culture** Andrew J. Counter, 2017-07-05 The transmission of wealth between generations was not only a narrative commonplace in nineteenth century France but also a topic of considerable cultural anxiety and intense political debate In this study Andrew J Counter draws on a wealth of previously unexplored material to show how the theme of inheritance in literature and beyond acquired ethical historical and ideological connotations and was vital to nineteenth century French conceptions of the family and of the legacy of the Revolution Weaving together fiction drama legal texts historiographical thought and political writing *Inheritance in Nineteenth Century French Culture* teases out a complex leitmotiv that gives us a new understanding of nineteenth century France's sense of its own place in history It also proposes innovative readings of writers as familiar as Honore de Balzac George Sand Guy de Maupassant and Emile Zola while drawing attention to a range of neglected authors and works      **Heir of Darkness** Suha Al Khalifa, Richard Bellamy, 2020-07-16 The ambitions of the nightmarish Lord Vedel are fractured when Sophia a medium receives a warning that spirals the worlds of the living dead and undead towards tempestuous collision      *Heir to Darkness* Ken Lignar, 2017-12-04 Prince Erik was destined to become the next King of the Empire But his lust for adventure struggled within the limits placed upon the heir to the throne and the Empire's beliefs And as usually happens lust wins When Prince Erik unexpectedly left the Empire the title of heir to the throne was thrust upon his younger brother Prince Erill Feeling angry and hurt by his brother's abandonment the young Prince vowed to the Gods that he would place the needs of the Empire before his own personal desires To become a good King But there were others

who thought to use this opportunity as well Not to help Prince Erill become a good King but to become the King themselves And they would stop at nothing to achieve their goal Even daring to use that which was most taboo magic *Summer Lele Iturrioz*,2019-07-16 For Gaia Terra stopped being just a name and now it s a reality Haunted by Azazel s last words and the painful loss of a loved one Gaia will have to overcome the challenges of becoming Mother Nature while being stranded in a strange new world and feeling conflicted by her contradicting thoughts With the help of powerful Terrians her human family and The Six Gaia will embark towards an adventure where she ll try to pass Terra s Temples and claim her rightful place but would she be able to succeed without losing herself **Mhorag** Sarah Kennedy,2019-09-09 An Ancient Evil A Promised King A World Besieged Mhorag s name is whispered in every land For some there is no greater dread for others no greater hope But in this new age of rage and wonder what is hope In growing darkness Sgarrrwrath s quest for domination of the world is interrupted by these whispers and prayers and stars aligning to reveal the Living Flame All hangs in the balance as the forbidden desire that started it all culminates in a battle of wills that will darken the stars shatter the Sun and raise the dead

**Heir of Darkness** Rachel Higginson,2013-10-21 Stella Day will one day be the Protector of Earth but right now she s focused on other things Surviving high school having a winning soccer season and balancing the two guys in her life all vie for her attention She isn t ready for her future or the massive destiny waiting for her Unfortunately for Stella destiny isn t patient Stella s life becomes complicated when the Darkness won t leave her alone She s plagued by Shadows at practice and in school Seven Seth s deranged sister is stalking her And Aliah has made it his life s mission to destroy her before she turns eighteen and comes into the fullness of her powers In a risky effort to save her life Seth makes a deal with the devil that changes everything Suddenly it s no longer her own life that Stella is desperate to save She must find a way to protect her Counterpart before he becomes the worst threat of all As Stella grapples with the intensity of her feelings for both Tristan and Seth her choice might just be made for her While the Darkness demands her attention humanity and the high school life she loves will fade into the background as she embraces the purpose she was given and the most complicated battle yet This time it s not just her life on the line but her heart as well Choosing which boy to love might not mean a happily ever after Choosing between Seth and Tristan might just lead to a heartbreak she never imagined **The Oldest Letter of Hay**

Uratsu,2011-09 Masako found some similar and some exactly identical meanings and sounds in a comparison of the vocalized Hebrew texts of the Bible to that of her native language believed to be Ainu that she calls Uratsu The Bible thus acquired a deeper meaning for her than that of the available current translations and caused her to see the Bible as an utterly harmonized work of beauty and teachings that increased the intensity of the joy that it provides to those who would study it intently She presents this newly found inspiration intending for people to check out this transliteration and experience it for themselves **The Heir's Shadow** Triston Anderson,2025-01-06 In the opulent world of privilege and technological advancement lives Devon a young man whose life is a paradox of comfort and turmoil Surrounded by luxury he struggles

beneath the weight of his father Triston's controlling nature and the chilling possibility of inheriting his dark legacy Triston a man consumed by bitterness and resentment stemming from his own troubled past casts a long shadow over his family His wife Sarah though kind and empathetic remains passively complicit unable or unwilling to confront the reality of her husband's cruelty This fractured family dynamic forms the core of *The Heir's Shadow* Devon however is no passive observer Secretly harboring a compassionate heart he actively seeks to expose his father's true nature engaging in quiet acts of defiance that challenge the status quo His efforts are met with the frustrating resistance of parents blinded by their own justifications and unable to acknowledge their role in shaping Triston's personality Through a first person narrative we delve into Devon's inner world experiencing his emotional turmoil his internal conflicts and the agonizing struggle to reconcile his inherent goodness with the dark legacy he risks inheriting The narrative explores the cyclical nature of abuse highlighting the lasting impact of generational trauma and the challenge of breaking free from the patterns of the past Devon's journey forces him to confront his own moral compass making difficult choices that test the limits of his resilience and courage This is a story of self discovery of finding one's voice in the face of adversity and of the ultimate power of choice in shaping one's destiny It's a journey of healing of forgiveness and of the enduring strength of the human spirit Oahspe John Ballou Newbrough,1910

**Heir of Darkness** Lejla Muric,2025-05-30 Luna Kingsley always knew that she would be forced into an arranged marriage However on her sixteenth birthday when she drunkenly admits to the son of the rival mafia family Valerio Vitali that she wants out of all marriage contracts she never thought he would be the one throwing her headfirst into one Seven years later he's back at Grand Willow University seeking out his fianc e Only she wants nothing to do with him Too bad for her he's back to claim her as his but this time he's not letting her go Fighting her feelings and her thirst for freedom Luna can't decide what to choose her loyalty towards herself or the Heir of Darkness When the real monsters reveal themselves Luna finally makes a decision But in this war it might already be too late *The Title-Deeds of the Holy Land, and Identification of the Heir* John Wilson,1871 Norine's Revenge and Sir Noel Heir's May Agnes Fleming,2020-07-18 Reproduction of the original Norine's Revenge and Sir Noel Heir's by May Agnes Fleming *Heir's Journey of Promise* David O.

Daulton,2014-07-24 Very often the Father gives to His children special presents They are given along with thousands of other blessings on a daily basis and if we are truly honest with ourselves and look at these presents we will be all the more grateful This is an account based on the facts presented in the Bible and largely on the prophetic Scriptures I realize that many in the church those who claim to be Christians will not allow themselves to believe on these Scriptures This is heartbreaking for I believe this will be to their great harm This book will try to convince the reading Christian of how truly dear he or she is to the Father and how He longs for us to be close to Him in His Son And no it isn't inspired but God did through His Word turn the lights on This is more than a bedtime story for children of all ages My hope is that it will be a great encouragement for though we may grow a bit weary in our journey we still enjoy the good fight We are very dear to the One who has already

won it and He looks forward to greeting us on the other side And men everywhere should seek Him with a new zeal for He will soon rise to shake violently the earth Even so come Lord Jesus      **The Heir's Unexpected Baby** Jules
