Heirs Together:

HEIRS TOGETHER Jacqueline James-London, 2013 Marriage is a commitment to a person as a result of a covenant made Most of us know of couples who have been physically separated for a prolonged period because of a job or study or immigration laws yet remained faithful to each other We know that there are many married people who live together yet are unfaithful to each other What s the difference Commitment Commitment is a decision to reach a destination at the start of the journey You know that you will not allow anything to distract you or cause you to change your mind Praying Together Megan Hill, 2016-04-14 Nearly all Christians would affirm the centrality of prayer for a healthy Christian life And yet for many prayer is often a challenge requiring intense personal commitment and self discipline However as Megan Hill points out in Praying Together our normal approach to prayer leaves out a crucial component other people While personal prayer is important God designed the church to be a community of believers who regularly pray together Exploring the Bible s rich teaching on what it means to gather at God s throne with one voice Hill lays a theological foundation for corporate prayer and offers practical guidance for making it a reality in our families churches and communities *Together in Christ* Victor Knowles, 2006 Bound Together Chris Brauns, 2013-03-05 We are not just isolated individuals Instead our lives are woven together with others We have solidarity with other people the choices one person makes affects the lives of others for good and for bad Because much of the pain we endure in life is in the context of relationships this truth often strikes us as unfair Why should a child suffer because of the choices of his parents And on a grander scale why do we all suffer the curse of Adam s sin Why should anyone be judged for someone else s sin In Bound Together Chris Brauns unpacks the truth that we are bound to one another and to the whole of creation He calls this the principle of the rope Grasping this foundational principle sheds new light on marriage the dynamics of family relationships and the reason why everyone lives with the consequences of the sins that others commit Brauns shows how the principle of the rope is both bad news and good news revealing a depth to the message of the gospel that many of us have never seen before **The Elephant in The Bedroom** Dr. Gene Herndon, 2018-01-01 Do you feel miles apart even though you sleep inches away Do you feel like there s something missing in your relationship Or do you just want to make your marriage epic legendary You shouldn t have to figure it out alone Adapted from a wildly popular series of sermons on relationships *The Elephant In The Bedroom* is the biblical guide that gets real and raw as it tackles the tough issues that married and single people face in relationships These are the topics that pastors churches and the people themselves do not want to face or talk about You will laugh cry blush and go Aha as Dr Gene Herndon with over a decade of marital counseling experience breaches taboo topics such as in laws sex before marriage divorce infidelity and much more We believe everyone should have the tools and support they need to have a marriage that is passionate fulfilling and lasting *The Elephant In The Bedroom* will open your hearts eyes and minds to hidden insights helping you to have the discussions you need to have with your spouse yourself and your loved ones and
