InterAsian Intimacies across Race, Religion, and Colonialism Chie Ikeya,2024-09-15 In InterAsian Intimacies across Race Religion and Colonialism Chie Ikeya asks how interAsian marriage conversion and collaboration in Burma under British colonial rule became the subject of political agitation legislative activism and collective violence Over the course of

the twentieth century relations between Burmese Muslims Sino Burmese Indo Burmese and other mixed families and communities became flashpoints for far reaching legal reforms and Buddhist revivalist feminist and nationalist campaigns aimed at consigning minority Asians to subordinate status and regulating women s conjugal and reproductive choices Out of these efforts emerged understandings of religion race and nation that continue to vex Burma and its neighbors today Combining multilingual archival research with family history and intergenerational storytelling Ikeya highlights how the people targeted by such movements made and remade their lives under the shifting circumstances of colonialism capitalism and nationalism The book illuminates a history of belonging across boundaries a history that has been overshadowed by Eurocentric narratives about the mixing of white colonial masters and native mistresses InterAsian intimacy was and remains foundational to modern regimes of knowledge power and desire throughout Asia

Department of State,1954 Economic Cooperation Series ,1961 Americans on a New Frontier ,1960 **North Korea and Myanmar** Andray Abrahamian,2018-02-20 North Korea and Myanmar Burma are Asia s most mysterious tragic stories For decades they were infamous as the region s most militarized and repressed societies self isolated and under sanctions by the international community while from Singapore to Japan the rest of Asia saw historic wealth creation and growing middle class security For Burma the threat was internal insurgent factions clashed with the government and each other For North Korea it was external a hostile superpower the United States and a far more successful rival state South Korea occupying half of the Korean peninsula Over time Myanmar defeated its enemies giving it space to explore a form of democratization and openness that has led to reintegration into international society Meanwhile North Korea s regime believes its nuclear arsenal the primary reason for their pariah status is vital to survival **Helping Hand** ,1908 **The American Baptist Year-book** ,1917 Journey from Banna Gordon Young,2011-05-25 Journey from Banna is the incredible true narrative of Gordon Youngs three life journeys his journey through the world from China to many parts of Asia and to the United States where he lives today in California his journey through time from childhood near the Golden Triangle to his teen years in India during World War II and from a young man during the Korean War to a married family man during the Vietnam years and finally to grandfather status and lastly his journey toward enlightenment from rugged individualist to dedicated conservator of wildlife and humanity **When Jack Was with Us** B. K. Holway,2009-05 Urban realism in the tradition of E L Doctorow William Kennedy Philip Roth and Jimmy Breslin When Jack Was With Us immerses the reader in neighborhood life in New York City from the late 1950 s through the late 1960 s Unlike many other novels by Baby Boomers this novel makes no attempt to sugarcoat or nostalgize it presents life as the author saw it while growing up in all its beauty and all its brutality There is no single protagonist a number of characters whose lives intertwine each seek to make the best out of their lives amid the rich and often volatile ethnic tapestry of New York against the backdrop of social change as the novel moves from the somnolent

1950 s through the turbulent 1960 s Each character struggles and finds his her damnation or redemption amid a city that personifies a nation in flux It is a coming of age not only for the characters but for the greater American collective psyche
