*Helltown* Casey Sherman, 2022-07-12 Soon to be an Amazon limited series directed by Academy Award winner Ed Berger from Robert Downey Jr's Team Downey Before Charles Manson there was Tony Costa the serial killer of Cape Cod 1969 The hippie scene is vibrant in Provincetown Massachusetts Long haired teenagers roam the streets strumming guitars and preaching about peace and love and Tony Costa is at the center of it all To a certain group of smitten young women he is known as Sire the leader of their counter culture movement the charming man who speaks eloquently and hands out hallucinogenic drugs like candy But beneath his benign persona lies a twisted and uncontrollable rage that threatens to break loose at any moment Tony Costa is the most dangerous man on Cape Cod and no one who crosses his path is safe When young women begin to disappear Costa's natural charisma and good looks initially protect him from suspicion But as the bodies are discovered the police close in on him as the key suspect Meanwhile local writers Kurt Vonnegut and Norman Mailer are locked in a desperate race to secure their legacies as great literary icons and they both set their sights on Tony Costa and the drug soaked hippie culture that he embodies as their next promising subject launching independent investigations that stoke the competitive fires between two of the greatest American writers Immersive unflinching and shocking *Helltown* is a landmark true crime narrative that transports us back to the turbulent late 1960s reveals the secrets of a notorious serial killer and unspools the threads connecting Costa Vonnegut and Mailer in the seaside city that played host to horrors unlike any ever seen before New York Times bestselling author Casey Sherman has crafted a stunner

**Time and the Town** Mary Heaton Vorse, 1991 Time and the Town was the last of Mary Heaton Vorse's books It is about many things a town and its people the author a certain kind of idyllic life As much as anything else it is the biography of the house Vorse bought in 1907 and lived in off and on for the next thirty six years The moods of the house mirrored her own Our houses she wrote are our biographies the stories of our defeats and victories Tinged with nostalgia and disenchantment the book describes a Provincetown that has changed a place on the verge of modernity It is no longer a

major fishing port It has become a place whose business is tourism Contrasting the old and the new Vorse celebrates the enduring character of the town itself She tells stories that are engaging and charming droll and fabulous The wrinkled Mrs Mary Mooncusser who though drunk and stark naked conducts herself with great decorum when Vorse pays her a call might have stepped out of the pages of Sherwood Anderson or Eudora Welty In another anecdote the townspeople scour the beaches for cases of booze dumped into the sea by rumrunners and are briefly inflated with the spirit of ancestral smugglers and buccaneers Vorse herself remained something of an outsider in Provincetown despite her evident affection for the place and its inhabitants They surely regarded her as simply another of those artist intellectuals many of whom appear in the pages of this book The off Cape outsiders put the town in the national limelight but took no interest in local matters Vorse here ponders local matters exclusively almost one suspects as a way of forgetting the more complex matters that occupied her her agonies of parental guilt her resentment of domestic obligations her third marriage her depressions and breakdowns The town is in that sense beyond time

Beyond the Mask Irène Eynat-Confino, 1987 Eynat Confino goes beyond the usual consideration of Craig's purported theories of the actor scenery and the scene painter to get at the heart of Craig's idea of theater She draws not only on the research of contemporary Craig scholars but on material hitherto unavailable his writings and daybooks and the writings of friends She ties Craig's encounter with Isadora Duncan to a decisive modification in his notion of movement To have an instrument more controllable than the actor he invented the *ber marionette* a giant puppet Craig also invented the *Scene* a kinetic stage the screens that brought him worldwide fame were simply an adaptation of this concept Eynat Confino argues that a scenario Craig wrote in 1905 here published for the first time reveals a theosophical system like that of Blake a system that was the main force motivating Craig's artistic quest In her final chapter she carefully examines the psychological aesthetic and circumstantial factors that kept Craig from completing his work to bring friendliness humor love ease peace to the world
