Gunsight Pass (Mosaic Western Mysteries) William MacLeod Raine, 2020-12-17
 Gunsight Pass or How Oil Came to the Cattle Country and Brought a New West is the tale of Dave Sanders, a young and brave cowboy from Arizona who tries to save a victim of a robbery and gets wrongly accused of a murder. After serving his sentence, Dave returns to the cattle country, finding that the oil boom has brought all kinds of crooks and troublemakers to the Old West. Determined to shake off his past and clear his reputation, Dave stands up against outlaws to protect himself, his friends, and of course, the woman he loves.

Alone Near Alice Harold Harbaugh, 2008-12-01
 On their second trip to Australia, Ruth and Harold met a couple during a Great Barrier Reef cruise. They and their children eventually became great friends. Lynette and Rob had lived in Washington DC and had traveled all over the world, but they had never been to the Outback. So when the opportunity to explore it under the sponsorship of the highly respected National Trust appeared, they seized the chance and invited the Harbaughs along. The almost three-week journey involved one widely traveled American couple, 14 reserved Aussies, and a driver named Dave. Together they explored deserted telegraph stations, hidden water holes, and compelling Outback attractions rarely seen by outsiders. The well-educated Australians aboard were expecting a university scholar to conduct this 8,000-mile circle that included 5 of the 7 Australian States and 1 Territory, but they ended up with Dave, a mate whose favorite subjects were beer, fishing, and lame politically incorrect jokes.
