*Hellas and Rome* Willy Zschietzschmann, 1960      **Farm Equipment of the Roman World** K. D. White, 1975-11-13 This volume deals with equipment and instruments of the Roman world used in processing and storage as opposed to cultivation

**Hellas and Rome. The Classical World in Pictures. [Album]. (Transl. [from German] by Hedi Schnabl).** , 1960

*Hellas and Rome* W. Zschietzschmann, 1960      *Reading Romans with Roman Eyes* James R. Harrison, 2020-06-22 Paul's letter to the Romans has a long history in Christian dogmatic battles But how might the letter have been heard by an audience in Neronian Rome James R Harrison answers that question through a reader response approach grounded in deep investigations of the material and ideological culture of the city from Augustus to Nero Inscriptional archaeological monumental and numismatic evidence in addition to a breadth of literary material allows him to describe the ideological value system of the Julio Claudian world which would have shaped the perceptions and expectations of Paul's readers Throughout Harrison sets prominent Pauline themes his obligation to Greeks and barbarians newness of life and of creation against the power of death the body of Christ boasting in glory and God's purpose in and for Israel in startling juxtaposition with Roman ideological themes The result is a richer and more complex understanding of the letter's argument and its possible significance for contemporary readers      **Israel and Hellas** John Pairman Brown, 1995      **Religion and Sexuality** Michael A. Hayes, Wendy Porter, David Tombs, 2016-10-06 This volume on a provocative set of topics presents papers from the 1997 conference on Religion and Sexuality at Roehampton Institute London The papers do not confine themselves to contemporary discussion of the topics concerned but range widely in their discourse and discuss this relationship in social theological and political contexts      *John Pairman Brown: Israel and Hellas. [I]* John Pairman Brown, 2012-10-25 The series Beihefte zur Zeitschrift für die alttestamentliche Wissenschaft BZAW covers all areas of research into the Old Testament focusing on the Hebrew Bible its early and later forms in Ancient Judaism as well as its branching into many neighboring cultures of the Ancient Near East and the Greco Roman world      **Worship, Music, and Interpretation** Wendy J. Porter, 2024-09-30 This unique volume brings together wide ranging research that could only be written by someone singularly expert in the full range of Christian worship and music from ancient to modern These essays by Wendy Porter span eras and areas of study from the New Testament to the present and encompass an expansive view of worship music and liturgy Some focus on what is known or not about early Christian worship including the early creeds and hymns in the New Testament and whether music originated in Jewish or Greco Roman contexts Some introduce firsthand work on ancient liturgical manuscripts such as a sixth century manuscript by hymnwriter and preacher Romanos Melodus or a tenth century ekphonic liturgical manuscript Extending her research on sixteenth century English composers as musical interpreters Porter includes several papers on how musicians have functioned as theological interpreters in worship and music One chapter engages theological comparisons between well known compositions by Bach Beethoven and Stravinsky

another creatively explores what contemporary worship leaders can learn from sixteenth century songwriter and worship leader William Byrd while others invite thoughtful reflection on what we can all learn if we stop to consider how Christians have functioned and fared in their worship through the centuries

**Tumult of Images** International Association for the Study of Anglo-Irish Literature. International Congress, 1995 By showing that the meaning of the word politics can be interpreted in various ways the scope of the articles in *Tumult of Images* Essays on W B Yeats and Politics is extensive Rather than explicitly analysing W B Yeats's political views and opinions about social order several of the authors demonstrate how these ideas have determined the textual strategy behind Yeats's works Thus we find for instance how Yeats's politics of myth subsume the myth of politics or how his play *The Player Queen* is an expression of sexual and textual politics Other essays reevaluate Yeats's role in Ireland's Literary Renaissance or argue that his recruitment of Homer throughout his work was politically motivated The volume also offers an erio political reading of Yeats's ballads next to an analysis of the strategy behind that apocalyptic idea of gyring history *Tumult of Images* also deals with the politics of reception of Yeats's works by showing how the Irish poet has influenced South African poetry of the period of Apartheid or by presenting the various ways in which the Japanese and the Dutch have become acquainted with the work of Yeats The title of this volume thus reflects not only the many sidedness of the discussions offered here but also their common contribution to an analysis of a fascinating aspect of Yeats's life and work
