# HELLENISM, EARLY JUDAISM, AND EARLY CHRISTIANITY

TRANSMISSION AND TRANSFORMATION OF IDEAS

*Edited by Radka Fialová, Jiří Hoblík,  
and Petr Kitzler*

ARBEITEN ZUR KIRCHENGESCHICHTE

# Hellenism Judaism Christianity

**Peder Borgen**

## **Hellenism Judaism Christianity:**

**Early Christianity and Hellenistic Judaism** Peder Borgen,1998-01-01 These studies break new ground in the exploration of early Christianity and Judaism towards the end of the Second Temple period Professor Borgen introduces fresh perspectives on many central issues in the complexity of Judaism both within Palestine and in the Diaspora He also examines the variety of tendencies which existed within Christianity as it emerged within Judaism and spread out into other nations An invaluable study for all scholars teachers and students of the New Testament in general and of Judaica Classics and Hellenism

**Hellenism, Judaism, Christianity** Pieter Willem van der Horst,1994

**Christian Origins and Hellenistic Judaism** Stanley E. Porter,Andrew Pitts,2012-10-23 In Christian Origins and Hellenistic Judaism Stanley E Porter and Andrew W Pitts assemble an international team of scholars whose work has focused on reconstructing the social matrix for earliest Christianity through reference to Hellenistic Judaism and its literary forms

**The 'Hellenization' of Judea in the First Century after Christ** Martin Hengel,2003-03-14 This short but highly significant study is the first real sequel to Professor Martin Hengel s classic and monumental work Judaism and Hellenism It demonstrates from a wealth of evidence much of it made readily available here for the first time that in the New Testament period Hellenization was so widespread in Palestine that the usual distinction between Hellenistic Judaism and Palestinian Judaism is not a valid one and that the word Hellenistic and related terms are so vague as to be meaningless The consequences of this for New Testament study are of course considerable

*Hellenism, Early Judaism, and Early Christianity* Radka Fialová,Jiří Hoblík,Petr Kitzler,2022-11-07 Papers collected in this volume try to illuminate various aspects of philosophical theology dealt with by different Jewish and early Christian authors and texts e g the Acts of the Apostles Philo Origen Gregory of Nazianzus rooted in and influenced by the Hellenistic religious cultural and philosophical context and they also focus on the literary and cultural traditions of Hellenized Judaism and its reception e g Sibylline Oracles Prayer of Manasseh including material culture Elephant Mosaic Panel from Huqoq synagogue By studying the Hellenistic influences on early Christianity both in response to and in reaction against early Hellenized Judaism the volume intends not only to better understand Christianity as a religious and historical phenomenon with a profound impact on the development of European civilization but also to better comprehend Hellenism and its consequences which have often been relegated to the realm of political history

**The New Testament and Hellenistic Judaism** Søren Giversen,Peder Borgen,1995 A substantial portion of the New Testament was either written in the Jewish Diaspora or addressed to members of the Diaspora This means that Hellenistic Judaism outside of Palestine was to a great extent the matrix from which New Testament thought developed so that New Testament teachings and presuppositions about the relationship of the followers of Jesus to the Old Covenant must be understood in terms of Hellenistic Jewish understandings of that covenant These papers which were presented at a conference held at the University of Aarhus Denmark in 1992 investigate different aspects of the relationship of formative Christianity to its Hellenistic Jewish

matrix Contributors are European scholars such as the volume editors and Marinus de Jonge and Americans including James Charlesworth and Adela Yarbro Collins Topics include ownership of the covenant according to the Epistle of Barnabas Alexandrian Jewish religious life as seen in texts prior to Philo the universality of Torah in Hellenistic Judaism as a preparation for gentile Christianity the Jewishness of the Testaments of the Twelve Patriarchs and of certain magical texts the Jewish background of Mark's empty tomb account Mark's theios aner christology and the New Testament love command comparisons of Philonic and Pauline biblical exegesis the role of Hellenistic philosophy in the Corinthian conflict the influence of passion traditions on Pauline hardship catalogs and the semiotics of the Adam Christ typology in Romans All articles are in English including one newly translated from German for this edition

**Jews, Greeks, and Barbarians** Martin Hengel, 1980

**Religions of the Hellenistic-Roman Age** Antonia Tripolitis, 2002 This insightful read traces the development of the principal Western religions and their philosophical counterparts from the beginnings of Alexander the Great's empire in 331 B C E to the emergence of the Christian world in the fourth century C E

**The Bible and Hellenism** Thomas L. Thompson, Philippe Wajdenbaum, 2014-09-03 Did the Bible only take its definitive form after Alexander conquered the Near East after the Hellenisation of the Samaritans and Jews and after the founding of the great library of Alexandria The Bible and Hellenism takes up one of the most pressing and controversial questions of Bible Studies today the influence of classical literature on the writing and formation of the Bible Bringing together a wide range of international scholars The Bible and Hellenism explores the striking parallels between biblical and earlier Greek literature and examines the methodological issues raised by such comparative study The book argues that the oral traditions of historical memory are not the key factor in the creation of biblical narrative It demonstrates that Greek texts from such authors as Homer Hesiod Herodotus and Plato must be considered amongst the most important sources for the Bible

Hellenism, Early Judaism, and Early Christianity Radka Fialová, Jiří Hoblík, Petr Kitzler, 2022-11-07 Papers collected in this volume try to illuminate various aspects of philosophical theology dealt with by different Jewish and early Christian authors and texts e g the Acts of the Apostles Philo Origen Gregory of Nazianzus rooted in and influenced by the Hellenistic religious cultural and philosophical context and they also focus on the literary and cultural traditions of Hellenized Judaism and its reception e g Sibylline Oracles Prayer of Manasseh including material culture Elephant Mosaic Panel from Huqoq synagogue By studying the Hellenistic influences on early Christianity both in response to and in reaction against early Hellenized Judaism the volume intends not only to better understand Christianity as a religious and historical phenomenon with a profound impact on the development of European civilization but also to better comprehend Hellenism and its consequences which have often been relegated to the realm of political history

**Hellenism and Christianity** Gerald Friedlander, 1912

Scripture and Traditions Patrick Gray, Gail R. O'Day, 2008-12-31 This volume contains twenty two essays in honor of Carl R Holladay whose work on the interaction between early Christianity and Hellenistic Judaism has had a considerable impact on the study of the

New Testament The essays are grouped into three sections Hellenistic Judaism the New Testament in Context and the History of Interpretation Among the contributions are essays dealing with conversion in Greek speaking Judaism and Christianity 3 Maccabees as a narrative satire retribution theology in Luke Acts church discipline in Matthew the Exodus and comparative chronology in Jewish and patristic writings corporal punishment in ancient Israel and early Christianity and Die Judenfrage and the construction of ancient Judaism

**Hellenization Revisited** Institute for Christian Studies,1994 This volume focuses on the role of Judaism particularly that of Philo and of Gnosticism as two important forces shaping the response of early Christianity to the Hellenistic Greco Roman culture of its time The sections which examine Hellenistic Judaism investigate themes from Greek philosophy like reason controlling the passions which are also crucial in shaping Philo's perception of the feminine The manner in which Jewish authors of this period attempt to synthesize Old Testament with Greek philosophical themes like creation cosmology receives specific treatment Essays dealing with Gnosticism re-examine themes from Greek philosophers like Plato and Aristotle in Gnostic documents but also look at the role of Hellenistic Judaism with its interests in Sophia Co published with the Institute for Christian Studies

*Christian Origins and Hellenistic Judaism* Stanley E. Porter, Andrew Pitts, 2012-10-23 In *Christian Origins and Hellenistic Judaism* Stanley E Porter and Andrew W Pitts assemble an international team of scholars whose work has focused on reconstructing the social matrix for earliest Christianity through reference to Hellenistic Judaism and its literary forms Each essay moves forward the current understanding of how primitive Christianity situated itself in relation to evolving Greco Roman Jewish culture Some essays focus on configuring the social context for the origins of the Jesus movement and beyond while others assess the literary relation between early Christian and Hellenistic Jewish texts

**On Hellenism, Judaism, Individualism, and Early Christian Theories of the Subject** Guillermo M. Jodra, 2022-11-17 This first of a two volume work provides a new understanding of Western subjectivity as theorized in the Augustinian Rule A theopolitical synthesis of Antiquity the Rule is a humble yet extremely influential example of subjectivity production In these volumes Jodra argues that the Classical and Late Ancient communitarian practices along the Mediterranean provide historical proof of a worldview in which the self and the other are not disjunctive components but mutually inclusive forces The Augustinian Rule is a culmination of this process and also the beginning of something new the paradigm of the monastic self as protagonist of the new medieval worldview In this volume Jodra takes one of the most influential and pervasive commons experiments Augustine's Rule and gives us its Mediterranean backstory with an eye to solving at last the riddle of socialism In volume two he will present his solution in full as a kind of Augustinian communitarianism for today These volumes therefore restore the unity of the Hellenistic and Judaic world as found by the first Christians proving that the self and the other are two essential pieces in the construction of our world

*Judaism and Hellenism* Martin Hengel, 2003-03-14 Martin Hengel gathers an encyclopedic amount of material ancient and modern to present an exhaustive survey of the early course of Hellenistic civilization as it related to developing

Judaism The result is a highly readable account of a largely unfamiliar world which is indispensable for those interested in Judaism and the birth of Christianity alike An extensive section of notes and bibliography is included     **Paul Beyond the Judaism/Hellenism Divide** Troels Engberg-Pedersen,2001-01-01 This insightful book intends to do away with the traditional strategy of playing Judaism and Hellenism out against one another as a context for understanding Paul Case studies focus specifically on the Corinthian correspondence     **Christianity and the Hellenistic World** Ronald H. Nash,1984 Cover title Christianity the Hellenistic world Bibliography p 309 311 Includes indexes     *Some Hellenistic Elements in Primitive Christianity* Wilfred Lawrence Knox,1944     **Hellenic Temples and Christian Churches** Vasilios Makrides,2009-09 Highlights the patterns of development continuity and change that have characterized the Greece s long and unique religious history This book demonstrates the diversity and plurality that has characterized Greece s religious landscape across history
