Arnett,2008-04-01 Part memoir and part urban social history Pieces from

Life's Crazy Quilt is an African American woman's personal account of her life during a racially turbulent period in a northern American city. Raised in a black neighborhood in urban Detroit, Marvin V. Arnett begins her book with her birth during the Great Depression and ends with the infamous Detroit race riot of 1943. Arnett's close observations and attention to the details of her neighborhood and the complex adult relationships around her make this an understated yet powerful story of witness. Like the idiosyncratic pieces of a crazy quilt, each chapter functions alone but takes on particular resonance when considered with the whole. Choreographed as one act, plays each chapter invites the reader into the life of the Sprague family and their neighbors during the years after the Ford Motor Company closed their Detroit plants. Arnett tells the story of her childhood with subversive allusions to the Victorian era, coming-of-age stories she consumed while growing up, and the moral lessons she absorbed in such readings but could not reconcile with her own experience. **New York Magazine**, 1984-12-24

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea. My Life In Pieces—Writers, Rogues, The Road and The Rock Ambrose Clancy, 2024-12-30

In the foreword to this collection, Robert Lipsyte writes that Ambrose Clancy can uncoil a sentence like a silken rope, snap it like a whip, tie up a complicated thought. He can write long, he can write short, he can build a case, he can murmur a spooky tale. In a career spanning four decades, Clancy's feature writing for major publications including GQ, The Washington Post, and the Los Angeles Times has profiled legendary writers, politicians, and other rogues, brought sharp-eyed views of Ireland, Venice, London, Amsterdam, Frank McCourt's Limerick, the New York of Harlem, Queens, and the Lower East Side, spent time with a Belfast prize fighter during The Troubles, and hiked a remote peninsula in Greece to stay in mountain monasteries. Clancy covers everything from Monster Truck rallies to a Long Island Drunk Train and takes us to a small island community examining its history of slavery, small-town gossip, an unsolved homicide, and people who have enchanted him along the way. The New York Times reviewing an earlier work by Clancy noted his series of gripping and vividly narrated events. This is a collection with a forceful narrative drive. One to dip in and out of to gain cultural insights from the last 40 years by an accomplished pro, one who knows the duty of a writer is to inform, illuminate, and just as importantly, to entertain. A Slice of Life Shaun Mehta, 2005-08-17

A faithless priest stumbles into the home of an authoritarian Soviet General in the frozen city of Poznan. A cantankerous old man takes an autorickshaw ride in New Delhi that will restore his hope in humanity. A young mother establishes an everlasting bond of love for her unborn child during a difficult labor. Incapacitated, an embittered cancer-stricken man is forced to confront his failed legacy.
