Heloise A Biography:

Heloise and Abelard James Burge, 2006-04-01 The heart rending love story of Abelard Heloise in the Middle Ages is one of the greatest love stories of all time famous through the letters they sent each other For a long time the only letters known to have survived dated from the later period of their separation Then a few years ago 113 new letters between the pair were found These fresh missives provide an intriguing snapshot of the couple s clandestine passion that is erotic poignant This new book results in a more complex biography one that paints a fuller picture of Heloise as a woman who tested the cultural constraints of her time Addresses Abelard s theological disputes with other teachers including Bernard of Clairvaux which led to Abelard s eventual trial for heresy Illus *Héloïse* Enid McLeod, 1938 *Heloise and Abelard* Régine Pernoud, 1973 Reconstructs the course of their relationship from the correspondence that passed between them **Heloise** Mandy Hager, 2017-05-15 What happens when the 12th century s most famous French lovers are caught in the crossfire of factions religious reform and blind ambition Heloise is a determined young woman with an exceptional mind longing to pursue learning rather than marriage or life as a cloistered nun Her path inevitably crosses with Peter Abelard the celebrity philosopher theologian and master at Paris famed Cathedral School When two such brilliant minds meet and engage sparks are likely to ignite But theirs is an impossible love This is a time when the Gregorian Reforms are starting to bite and celibacy among the clergy and church officials is being rigorously imposed Based on meticulous up to date research and the pair s own writings this novel offers a plausible interpretation of the known facts and a vivid imagining of the gaps in this legendary story It shines a light on a changing world whose attitudes and politics are not so very different from our own
