Cord,2021-06-16 The University of Oxford has been and continues to be one of the most important global centres for economics With six chapters on themes in Oxford economics and 24 chapters on the lives and work of Oxford economists this volume shows how economics became established at the University how it produced some of the world s best known economists including Francis Ysidro Edgeworth Roy Harrod and David Hendry and how it remains a global force for the very best in teaching and research in economics With original contributions from a stellar cast this volume provides economists especially those interested in macroeconomics and the history of economic thought with the first in depth analysis of Oxford economics *To Teach, To Delight, and To Move* David S. Cunningham,2004-10-22 This book initiates a new conversation about how theological education might be re envisioned for the twenty first century church The prevailing curricular structure in today s seminaries and divinity schools was fashioned in a very different era one that assumed the continued cultural dominance of Christianity and the continued academic dominance of the canons of Enlightenment reason Neither assumption is viable in today s post Christian world hence our new circumstances demand a new vision for theological education The authors of this volume offer an important resource for this project through their creative appropriation of the classical rhetorical tradition particularly as it has been rehabilitated in the contemporary context Like St Augustine they believe that the chief goals of Christian theology are similar to those of classical rhetoric to teach to delight and to move And the authors are united in their conviction that these must also be the goals of theological education in a post Christian era This volume arises out of a passionate commitment to the cause of theological education The authors hail from a wide range of denominational traditions and have taught in numerous seminaries and divinity schools They have also studied the classical and postmodern rhetorical traditions in both theory and practice They met as a group on numerous occasions to read one another s contributions to the volume and to offer guidance for the process of rewriting As a result this book is much more than a mere collection of essays it is a jointly authored work and one which presents an
