Swindoll, 2007-09-02 We desperately need role models worth following Authentic heroes People of integrity Great lives to inspire us to do better to climb higher to stand taller Chuck Swindoll Great Days with the Great Lives is a collection of biographies taken from the Great Lives from God's Word series Each day provides a Scripture reference and devotional thought based on the experience of some of the greatest heroes of the Bible men and women whose authentic walk with God

will teach you encourage you and warn you These profiles in character from one of America s most beloved teachers Chuck Swindoll offer you hope for the future They show you that God can do extraordinary things through ordinary men and women like you They teach you what it means to be a genuinely spiritual person someone after God s own heart *The Gospel Truth* ,1972 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1976 *Great Lives: Paul* Charles R. Swindoll,2009-12-28 The apostle Paul was in his own words the chief of all sinners Yet this colossal figure left an indelible signature of greatness Join renowned pastor Charles Swindoll in *Great Lives Paul* as he examines the influence and impact of this remarkable man Tough tenacious and fiercely determined Paul pursued his divine mission with unflinching resolve and God used him mightily to turn the world upside down for Christ in his generation Perhaps that s why Paul s life is such a source of hope for us If the chief of sinners can be forgiven and become God s chosen vessel can He not forgive and use us as well In *Great Lives Paul* the sixth book in his bestselling *Great Lives* series Swindoll argues that no other person in the Bible aside from Christ himself had a more profound influence on his world and ours today than Paul Within the pages of *Great Lives Paul* Swindoll paints a vivid picture of Paul s incredible life and legacy tracing the story of how God reached down to Paul in all his self righteous zeal and crushed his pride softened his heart and transformed this once violent aggressor into an influential spokesman for Christ Join Swindoll as he invites you to travel far back to another place in another era allowing us to focus our attention on this one man s life clinging closely to his side Hopefully as a result our lives will never again be the same *T.H.A.N.K. Y.O.U.* Thomas Mavity,2022-08-01 Everyone grows up in different environments and the messages we see and hear shape them either positively or negatively What is important is anyone can achieve success if they choose positive words and actions and want to better themselves When we mentally discipline and train our mind to positive thinking physically create a healthy body and lifestyle emotionally manage our emotions controlling our tongue and spiritually develop a grateful and loving relationship with God many self perceived barriers are eliminated What is in our thoughts and words comes from our heart Heartfelt gratitude no matter where we are in life is an ingredient that takes our mind off ourselves and makes us serve others Act as a leader and not a follower Speak up for those who cannot help themselves Use positive words and actions to build a model for success which others will follow Please and thank you go a long way in life so when we generate all these qualities and accept God s grace there is no stronger ally for life We are not alone as we all have made mistakes and hopefully learn by example Let our positive words and actions bring happiness love joy and creativity into our lives to help others succeed Are we doing all we can to develop ourselves with the skills God has granted us Are we mentoring those who are struggling in life who need guidance Will we leave a positive legacy for our family and society to use as a pillar The book *T H A N K Y O U* will provide powerful positive words and examples that will help lead to success If you can visualize stay focused work like no other and give it all to God your positive life will arrive *Victorious Secrets* Andrée Nicole,2018-01-26 Secret are not meant to be kept unknown by others Could you use some

Get to Good Jacqueline Cornaby,2011-12-09 Magnify your potential not your problems Jacqueline All DESIRES you seek come from abundance also known as alignment How can you access your potential and create The Good Life GET TO GOOD shows you how to access personal alignment using profound lifestyle conditioning for accelerated abundance With this book as your guide you will be able to get out of your own way get off it and Get to Good Once you know how to access your personal alignment you will begin to experience more of the good life as defined by you Jacqueline invites you to Get to Good allowing your potential to come out and play today Why not take the shortcut to abundance and feel good now What are you waiting for Permission granted Do you ever wonder why some days are better than others Think having the good life is really coincidence luck and favoritism As the fortuneteller of your life you get whatever you think about whether you want it or not A belief or mantra is a conditioned thought what have you been thinking lately Does it serve you If you continue to tell the story of what is then you cannot give your attention to what you want Your current state of affairs does not have to be your consistent reality Reality is nothing more than what is currently occupying your mind and captivating your attention When you give attention to your desires and feel good now before the evidence of your desires show up you end up taking the shortcut to the good life The only reason you do not choose to Get to Good now is because you give more attention to your sophisticated excuses than your potential With a little bit of practice and insight you will find yourself choosing alignment for the pure sake of alignment The intention behind Get to Good is personal alignment for accelerated abundance in every area of your life Take a moment to imagine the possibilities of you being aligned in your spirit health finances relationships career and purpose in life You are going to read it hear it say think and see it abundantly so it becomes a mantra for life Get to Good

A Ten-Part Book to Maximizing Your Potential Danny Ray Christian,2015-10-30 Two things you should know about this book are the fact that if you have ever wanted an answer to

breaking out of your poverty low self esteem or addiction you will find it here I have drawn on my experience of spending many years dealing with these issues for solutions as to how they can be successfully conquered I am a living testimony that where the mind and spirit leads the body will follow and that we can always do better than we know Secondly when I decided to publish this book I made up my mind that I wasn't going to try and sell it to anyone who isn't tired of being sick and tired and who hasn't reached the point that they can't go on doing the same old thing expecting different results I know that when people get sick enough of meeting with failure and disappointment you won't have to go looking for them with a cure they will come looking for you I am convinced that as bad as things are for many of us that our suffering is working to drive us to God and the solutions He has enabled concerned people to develop This book is for those who want to do something different than they have always done to get something different than they have always had It may hurt the sale of this book but I don't encourage you to buy it if you are not ready to do some serious work on the problem areas of your life and are tired of making excuses for your life not getting better if you are not doing anything to make it better This book is not for your shelf it is to be used in fixing anything broken in your life mind or spirit **666 and 1000** Salem Kirban,1973 You Can Live Above Your Problems Rev. Chris Lekan Alawode,2015-08-21 In tough times we are more occupied with finding the way out of our situation and we are prone to feel as if God has abandoned us By that we usually ignore His word and prayer this is because most of our time is spent consulting our feelings instead of looking up to God for His direction This book *You Can Live above Your Problems* is intended to provide spiritual guideline and counsel with multiple biblical references to explore Gods directives on your problems It enlightens you on how to cope when youre spinning on the Potters wheel *Rising Above Circumstances* Louis Mongwe,2020-07-08 Living a fulfilled life is not a magic It is biblically proven that every one of us was created with a purpose and that all of us can rise above circumstances However our knowledge determines how high we can go and that is why this book is composed to give you the weapons of life and sharpen your mind With the life changing messages in this book you will be able to conquer the challenges and trample upon all negativities of life The word of God is life and it is through the word that we can access our designated destinies Though it seems impossible sometimes especially when you have been debilitated by the predicaments of life you can rise and be who God created you to be No matter how sorrowful you can be there's a balm in Gilead Sometimes your environment tells you that it's too late to change your situation but as long as you are still alive it is not over with you Even after going through the fire success is still predictable thus going through this book will help you to water the seed in you Live your life without experiencing limits **A Guide to the Study of the Pentecostal Movement** Charles Edwin Jones,1983 This bibliographic and organizational guide to traditional Pentecostalism includes historical information on churches associations and evangelistic and missionary agencies schools and individual proponents and critics of the movement worldwide and related bibliography Churches and other agencies are classified by doctrinal tradition More than 6 000 items are included The Good Decision Diary Anna Mathur,2025-08-07 A
