five minutes of intercourse before she can climax Here s the problem Daniel doesn t think he has five minutes left in him If Daniel continues having intercourse the way he has for the past ten minutes it may be only a matter of seconds before he has an orgasm He thinks about slowing down or stopping but to break the rhythm now would only make it more difficult for Allison to climax He knows that Allison is at that stage where any kind of change in his movement would only frustrate her Besides if he tried to stop or to change the rhythm Daniel could lose strength in his erection which would complicate matters even further This dilemma is making the whole experience a lot less pleasurable for Daniel The first few minutes of sex were pure excitement but now he is worried and conflicted It is hard to enjoy sex when you re fighting your own body Truth is you really can t enjoy sex when you re fighting your own body And neither can your partner What Daniel does not yet know is that he has another option male multiple orgasm The multi orgasmic man has staying power He doesn t have to hold back He doesn t have to fight his own body and deny himself his own pleasure He can enjoy all of the erotic sensations of intercourse have a full orgasm and keep going If he wishes he can have a second orgasm and keep going He can last as long as his partner wishes experience all of the excitement and release and keep going For the multi orgasmic man the sky is truly the limit Daniel is not the only man who has this exciting option Today techniques have been perfected to make male multiple orgasm an option for almost every man Age doesn t matter Previous experience doesn t matter Young or old virgin or veteran all you need is the desire your penis and a few minutes a day So don t stop now Turn the page and cross the threshold into a whole new sense of your own sexuality and a whole new relationship for you and your partner Enjoy your ebook Sex how to make love all night *F*ck the System, Make Love* Liana Laga,2018-12-10 The things that are happening on planet Earth these days are more than unbearable Everyone is aware of it but no one knows what to do about it This change needs to be individual It is up to each of us and it is our responsibility to make this world a better place Because it is far from being OK and there is no evidence more convincing than today s human But he is free to choose whether he will continue his development on the conscious level or not Life is a game but it is hard to play with people who don t know the rules Just as each machine has its own instructions for use it is the same with life and people And they are actually very simple instructions When each of us starts working individually it will join us all together This book was not written to be liked it should be above all understood God Sex Money Ego Morality mass Media Love Meditation Esotericism Consciousness Education etc the real holistic view [Catalog of Copyright Entries](#) Library of Congress.
