Making Fantasy Cloth Dolls Jan Horrox, 2013-07-18. Building on the success of Jan Horrox's previous book, *Introduction to Making Cloth Dolls*, Jan's new book focuses on her exquisite fantasy dolls, including beautiful fairies, amazing mermaids, an enigmatic witch, and a steampunk doll with attitude. These magical dolls are full of character and are amazingly easy to achieve with the help of this practical book. Step-by-step instructions are provided for all the basic techniques, including how to make the bodies, heads, arms, legs, hands, and feet; how to make the hair; and how to needlesculpt and paint the exquisite faces to really bring your character to life. There are instructions for making webbed fingers, delicate fairy wings, as well as a mermaid's tail, and there are three easy-to-follow projects to put all your newly acquired skills into practice. Jan encourages the reader to use their imagination and create dolls of their own and the alternative designs that accompany each project show how easily this can be done simply by changing the faces, colours, fabrics, and embellishments used.

Easy Amigurumi: amigurumi dolls to do, 2023-08-18. Hello dear crochet friend and welcome to the world of Crochet Little Heroes. In the pages of this book, you will find everything you need to recreate twenty iconic heroes with colorful yarns and a crochet hook. In the Projects section, you will meet the twenty incredible women and men who have been chosen from the many contemporary and present-day heroes I admire. During the process of creating these dolls, I got to know every one of them on a deeper level. I became familiar not only with their art inspiration or creativity but also their struggles in life and the hard work it has taken to overcome them. I

ve had my personal favorites my own heroes among them long before writing this book but during the months I focused on these amazing artists athletes activists and public figures I managed to fall in love with each and every one of them as I always found something that took my breath away From Josephine Baker s unwavering bravery during World War II and the persistence of Rosa Parks and Malala to the pure inevitable talent of Prince Frida Kahlo and Audrey Hepburn most of these heroes were innovators and revolutionists in their field They were ahead of their time in so many ways But what makes them special for me and perhaps for most of us is that they all made a lasting difference The Purple Doll Dianne J.
