Jeremiah,2013-08-13 Marriage is an

honorable and sacred covenant relationship in which every individual should want to be God's foundation for marriage is intended to be a permanent union. In this present world, permanency is overruled by constant changes in law, morals, fashion, and particularly hearts and minds. Individuals who want only to be married become only individuals who want to be on their own or with someone else. Marriages intended to be built on the foundation of love become marriages of trial by error tactics. What has gone wrong? Why has a relationship intended by God to be good been made evil? What has brought an end to the love and the joyful life between men and women? The problem is you and me; we have forgotten our divine origin and debased our behaviors to the level of animals or lower. We no longer follow divine will and laws. We have with our own hands put a knife into the cord that binds human beings together in love. As a result, the fabric of moral decency and spiritual inclination has fallen apart. Men and women must rediscover their individual relationship with God and God's role in their relationship with each other. Rediscover that your marriage and love relationship is intended to be the most precious and enjoyable union to ever exist on earth. Obedience, submission, and open communication shine brightly in a union founded on real love. This book will open your eyes to the splendor and beauty of marriage by teaching how to build a strong foundation and how to restore love and confidence in that relationship. It is a tribute to an art form that allowed women self-expression even when society did not. Above all, though, it is an affirmation of the strength and power of individual lives and the way they cannot help fitting together. *The New York Times Book Review*: An extraordinary and moving novel. *How to Make an American Quilt* is an exploration of women of yesterday and today who join together in a uniquely female experience. As they gather year after year, their stories, their wisdom, their lives form the pattern from which all of us draw warmth and comfort for ourselves. The inspiration for the major motion picture featuring Winona Ryder, Anne Bancroft, Ellen Burstyn, and Maya Angelou. Praise for *How to Make an American Quilt*: Fascinating, highly original. These are beautiful individual stories stitched into a profoundly moving whole. A spectrum of women's experience in the twentieth century. *Los Angeles Times*: Intensely thoughtful. In Grasse
