**101 Ways to Score Higher on Your GRE** Angela Eward-Mangione, 2009. 101 Ways to Score Higher on Your GRE is filled with practice questions and reviews of test topics including antonyms, analogies, sentence completion, reading comprehension, vocabulary, analytical writing, quantitative comparisons, data interpretation, and math concepts. Additionally, you will be provided with a comprehensive vocabulary list. Some of the strategies you will learn include how to solve analogies when you do not know the meaning of the words and how to solve algebra problems by plugging in numbers in place of variables. Every year more than 350,000 people take the Graduate Record Exam, more commonly known as the GRE. Approximately 60 percent of graduate programs require applicants to take the GRE, making it necessary to get a good score. An average score on the GRE is around 500 on the verbal and quantitative sections and a four on the writing section. How can you boost your score and ensure acceptance into the graduate program of your choice? Reading 101 Ways to Score Higher on Your GRE and using the techniques provided within is one way to do so. In this new book, you will learn about and understand the scoring system as well as the computerized format and the content. You will learn how to read questions correctly, control your anxiety, and approach each section. In addition, you will be presented with a list of resources to help you prepare and dozens of proven strategies and mindsets.
