

Pros And Cons Of Being A Single Parent

Pros

As a single parent, the entire authority of making the decisions will rest on you.

You will always be in a better position to plan your finances and understand when you can splurge and when to cut down.

Being a single parent will mean that you help your child be a team player and work together as a team.

Your little one will get your undivided attention.

Cons

Managing the finances all by yourself might become difficult.

You will have an overload of things to look after, all by yourself.

There might be times when you feel lonely and disciplining your child can be challenging.

Your child might blame you for the status of your relationship between your ex-partner and you.

How To Live With A Single Parent

Sara McLanahan, Gary D. Sandefur

How To Live With A Single Parent:

How to Live with a Single Parent Sara D. Gilbert, 1982 Common sense advice for teens about special problems faced by one parent households *Growing Up with a Single Parent* Sara McLanahan, Gary D. Sandefur, 2009-07-01 Nonwhite and white rich and poor born to an unwed mother or weathering divorce over half of all children in the current generation will live in a single parent family and these children simply will not fare as well as their peers who live with both parents This is the clear and urgent message of this powerful book Based on four national surveys and drawing on more than a decade of research *Growing Up with a Single Parent* sharply demonstrates the connection between family structure and a child's prospects for success What are the chances that the child of a single parent will graduate from high school go on to college find and keep a job Will she become a teenage mother Will he be out of school and out of work These are the questions the authors pursue across the spectrum of race gender and class Children whose parents live apart the authors find are twice as likely to drop out of high school as those in two parent families one and a half times as likely to be idle in young adulthood twice as likely to become single parents themselves This study shows how divorce particularly an attendant drop in income parental involvement and access to community resources diminishes children's chances for well being The authors provide answers to other practical questions that many single parents may ask Does the gender of the child or the custodial parent affect these outcomes Does having a stepparent a grandmother or a nonmarital partner in the household help or hurt Do children who stay in the same community after divorce fare better Their data reveal that some of the advantages often associated with being white are really a function of family structure and that some of the advantages associated with having educated parents evaporate when those parents separate In a concluding chapter McLanahan and Sandefur offer clear recommendations for rethinking our current policies Single parents are here to stay and their worsening situation is tearing at the fabric of our society It is imperative the authors show that we shift more of the costs of raising children from mothers to fathers and from parents to society at large Likewise we must develop universal assistance programs that benefit low income two parent families as well as single mothers Startling in its findings and trenchant in its analysis *Growing Up with a Single Parent* will serve to inform both the personal decisions and governmental policies that affect our children's and our nation's future

Single Parenting That Works Kevin Leman, 2015-04-17 Being a parent is challenging enough Being a single parent can seem downright impossible until now Drawing on material from his successful *Single Parenting That Works* curriculum guide and video series America's favorite parenting expert Dr Kevin Leman brings help and hope to the legions of single parents struggling to raise happy healthy well adjusted children in a loving caring and biblically grounded way Using his trademark quirky no nonsense approach Dr Leman shows parents how to build healthy mature relationships with their former spouses how to develop their children's self esteem and how to discipline and relate to their kids in accordance with their unique God given personalities Features Building stability for your children by getting your own life in order How

forgiveness opens the door to healthy relationships Learning to deal with your ex with an olive branch rather than a hammer Dating and remarriage Helping your child thrive in a single parent home **The 10 Best Decisions a Single Mom Can Make** Pam Farrel,PeggySue Wells,2020-11-17 No matter how you became a single mom you share the same challenges and fears all single moms have You may feel stretched to the limit You may suspect your children need more than you re able to give How are you going to do this on your own With humor Scripture and sage advice Pam Farrel child of a single mother and PeggySue Wells single parent of 7 children show you how to be decisive create a nurturing home be proactive date wisely pray for your child embrace your happily ever after and more You are capable of parenting your children with courage confidence and clarity This loving practical guide shows you how *Single parenthood in the life course* Hannah Zagel,2023-04-29 This book analyses theoretically and empirically why some single mothers are less disadvantaged than others It argues that single parenthood is associated with different risks depending on the stage in the life course at which it is experienced and on the institutional protection provided at the respective stage of the life course **Living with a Single Parent** Maxine B. Rosenberg,1992 Seventeen children from single parent families describe how they cope with their circumstances Single Parent Families Marvin B Sussman,Shirley Hanson,2014-05-12 Here is a comprehensive source of vital information on single parent families in contemporary society This book analyzes literature and empirical research concerning single parent families and explores issues and challenges they face Contributing authors from many fields and perspectives examine a broad range of subjects relating to families in which one person is primarily responsible for parenting The only state of the art compendium on the topic of single parent families available today the book synthesizes empirical theoretical and contemporary literature about the diversity myths and realities of single parent families in western countries Each chapter contains a demographic overview definitions a literature review and implications for practice research education and social policy Theoretical and conceptual perspectives related to parenting and wider families are included An analysis synthesis and commentary on single parent families concludes the volume Themes highlighted throughout the book include socioeconomic and demographic characteristics of single parent families cultural and ethnic features and legal and ethical components Some chapter topics include single parenthood following divorce single parenthood following death of a spouse never married teen mothers and fathers female headed homeless families adoptions by single parents noncustodial mothers and fathers grandparents as primary parents single parents of children with disabilities Single Parent Families contains additional resources useful for family professionals an annotated bibliography a video filmography and a national community resource list The book is intended for a multidisciplinary audience including sociologists psychologists health care professionals social workers therapists and other researchers clinicians policymakers and educators An ideal primary or reference text for undergraduate and graduate level programs the book can also serve as a tool for staff development and continuing education in service agencies *The Single Parent* Linda Ranson Jacobs,2019-07-02 Whether you became a

single parent through divorce death adoption or some other situation you've probably wondered what the future holds for you and your children Will you be able to provide the emotional financial and spiritual support your family needs The Single Parent will encourage you in your journey and help avert problems before they arise It is filled with wise counsel biblical truth and real life stories the author's own as well as those of the many single moms and dads who have come across her path through the years It will help you bolster your abilities in such areas as improving your child's behavior negotiating boundaries graciously seeking and accepting help from others trusting God in the process God cares for the single parent and will provide for you and your children Let this book give you the tools you need as you walk with him in this journey

The Smart & Easy Guide To Single Parenting Jasmine Williams, 2013-10-22 Anyone who has a child knows that parenting is one of the hardest jobs there is Today's parent faces more struggles and pressures than ever before and more and more households are single parent households which make this already tough job even more of a challenge The Smart Easy Guide to Single Parenting provides an honest assessment of the societal changes in family structure the unique challenges that face single parents as well as how to better manage those challenges and reduce the stresses of raising a child on one's own At the outset the guide discusses the changing definition that the term single parent has seen over time What follows is the evolution of the increasing inclusiveness of the term At one point in time a single parent was one whose partner had left them or died consequently leaving them to manage the child rearing and provision of financial security on their own This definition has expanded and now includes the following populations Divorced parents Widows or widowers Parents whose spouses are overseas or otherwise not in the home for military service or work Young or unwed mothers Surrogates or single foster or adoptive parents The guide also describes how the concept of the family has evolved over time For many many years it was more common than not for extended families to live together This meant multiple generations under one roof Parents children grandparents aunts uncles and cousins living together was not at all out of the ordinary Over time this began to change and the nuclear family became the norm The nuclear family is what is often viewed as the traditional family with father mother and children all living under the same roof While to many this is still the ideal situation more and more parents are finding themselves having to manage child rearing on their own as single parents The Smart Easy Guide to Single Parenting discusses the risk factors that are often inherent for single parents and their children Both single parents AND their children are at greater risk for certain issues as a result of the added stress that managing this burden alone have on people's lives For the child risk factors of being raised by a single parent include Risk of neglect or abuse Risk of poverty Risk of poor diet and health Lack of role models or consistent authority figures Reduced academic abilities For the single parent risk factors include Excessive stress Financial strain Poor health and diet Increased chance of chemical dependency Lack of interpersonal relationships Effective Strategies of Single Parents While the guide does touch on the many risk factors and difficulties that single parents and their children face it does not by any means provide a grim outlook for all single

parents and their children The guide provides a wealth of realistic relatable advice that can help the single parent Since financial security is one of the biggest problems facing single parents the guide places a good deal of emphasis on getting one's finances under control and creating a realistic budget For some there are many aspects of their finances that can be downsized for easier management Time is the other key problem facing most single parents The guide provides a number of key tips for better time management so as to allow the single parent to reduce their stress without faltering on their obligations as a parent and breadwinner While parenting is never easy being a single parent can be an incredibly daunting challenge In *The Smart Easy Guide to Single Parenting* we are shown how the concept of the family has evolved and how a single parent is defined The guide also touches on the unique challenges facing both the single parent and their child The guide also gives down to earth advice on how single parents can reduce their stress and make their situation as manageable as possible

My Single Mom Life Angela Thomas, 2008-05-04 The day Angela Thomas sold the only thing she had the diamond from her engagement ring to take care of her kids was the day she began to believe they were going to make it In that decision the faith she had always talked about became the faith she was going to learn how to live In the years since God has given Angela a passionate desire to live an amazing life even while raising four kids as a single mom In this book she shares her hard earned wisdom on loneliness dating finances and parenting encouraging every solo mom As a gift to our children she says we can become healthy moms who are strong and amazing women in spite of our circumstances

How to Live with Your Parents Without Losing Your Mind! Ken Davis, 1988 Advice for teenagers on how to get along with parents drawing on Christian precepts

The Life of (A Single Parent) Brian! Brian Rowlands, 2010-10 What happens when after ten years of what you thought was a happy and normal family life your wife suddenly turns your world upside down and leaves leaving you heartbroken and in shock and with two expectant young children to care for and raise First you hit the bottle get seriously drunk and hit a downward spiral in free fall heading for certain disaster Then once you've hit rock bottom you take stock of the situation pick yourself up dust yourself down and begin the long and difficult climb out of the abyss putting life together again piece by arduous piece This is what happened to Brian Rowlands and this is his true story Beginning with the end of his marriage this book charts his and his children's journey along the long and very rocky road they encountered as they struggled to rebuild their shattered lives and put some kind of stability and substance back in place Filled with many highs and lows and told in an honest and open manner this book charts the last ten years in this single parent family's remarkable life From heartbreak to happiness through disastrous relationships difficult medical problems and eleven different homes in five years their story will entertain enthrall and shock Drawing the reader in once started it is a book that the reader will want to go on reading page after page leaving you begging for more and wanting to know just what happens next

Living Well as a Single Mom Cynthia Yates, 2006-01-01 This may not be the life you expected Still God's promise to you and your kids hasn't changed He has a plan for your family a future that is bright with hope Your number one

priority also hasn't changed to live well so you can help your kids live well too

Single Mom: Strong, Solo & Thriving (The Real-Life Parenting Guide Every Single Mom Needs) Luisa Lorek, 2025-07-27 Are you a single mom wondering if you're doing enough, strong enough or just plain exhausted? You're not alone and you don't have to figure it all out by yourself. **Strong Solo Thriving** is the real life parenting guide every single mom has been searching for. Written by Luisa Lorek, a mother of three and parenting coach, this compassionate, honest and empowering book answers the 10 most common questions single moms ask from handling co-parenting challenges to managing money stress, setting boundaries and rebuilding self-confidence. Inside this supportive guide, you'll find real life parenting advice from a mom who's walked the same road. Evidence-based tips for handling tantrums, guilt and daily overwhelm. Tools for emotional resilience, mindful discipline and calm parenting routines. Encouragement for rebuilding confidence and creating connection with your kids. Whether you're newly navigating single parenting, managing everyday chaos solo or just need to feel seen and supported, this book offers practical tools that truly work. **Strong Solo Thriving** is more than a book; it's a hug in written form. With a warm, mom-to-mom tone, it provides real life parenting advice grounded in psychology and heart. You'll come away feeling more confident, less alone and better equipped to raise emotionally healthy kids on your own terms. If you're searching for realistic single parenting tips, calm in the chaos or just need to know you're doing okay, this is the book for you.

The Triple Bind of Single-Parent Families Rense Nieuwenhuis, Laurie C. Maldonado, 2018-03-07 Available Open Access under CC BY-NC licence. Single parents face a triple bind of inadequate resources, employment and policies which, in combination, further complicate their lives. This book, multi-disciplinary and comparative in design, shows evidence from over 40 countries along with detailed case studies of Sweden, Iceland, Scotland and the UK. It covers aspects of well-being that include poverty, good quality jobs, the middle class, wealth, health, children's development and performance in school and reflects on social justice. Leading international scholars challenge our current understanding of what works and draw policy lessons on how to improve the well-being of single parents and their children.

Single Parenting Stephen L. Atlas, 1981 *How We Live* Victor R. Fuchs, 1983 Victor Fuchs, author of *Who Shall Live*, cuts through the hand-wringing and the pop panaceas for America's current social crises in a brilliant analysis of the way we live. The facts are familiar: A doubled rate of divorce. A birth rate cut nearly in half while the percentage of illegitimate births nearly tripled. The young face dismal job prospects and many of the old are totally dependent on the federal government. Fuchs's economic approach shows us that the societal upheaval of American life is not created by fiat but rather emerges as millions of men and women make seemingly small choices that are constrained by their circumstances. Should I go back to school? How many children should we have? When should I retire? In a masterly synthesis, he shows the interrelatedness of our choices regarding family, work, health and education throughout the life cycle. He uses the latest facts of American life to explore three major themes: the fading family, the impact of simple demographics on individual destiny and the effect of weighing present and future costs and benefits on

individual choice Fuchs concludes by offering innovative solutions to many contemporary problems social security health insurance child care youth unemployment and illegitimate births Moving beyond the outworn orthodoxies of liberalism and conservatism he offers a clearer view of our circumstances so that readers from all walks of life can make better private choices and contribute to more effective public policies

The Single-parent Family Marge M. Kennedy, Janet Spencer King, 1994 One in three American households with children under the age of 18 is now headed by a single parent Kennedy formerly of Sesame Street magazine and King of Working Parents offer advice on a wide range of issues from the importance of making time for yourself to the practical details of household management

Families with a Single Parent Tanya Dellaccio, 2020-07-15 Each family is unique Sometimes families only have one parent and that's OK Many children in the United States live with one parent Some families with one parent are surrounded by positive circumstances whereas others face difficulties such as a lack of childcare and poverty This guidebook explores the joys hardships and complexities of life with a single parent It touches upon different situations that might lead to a single parent household It explores ways in which children can better understand their feelings and overcome obstacles related to growing up in a single parent lifestyle

Strong, Solo & Thriving The Real-Life Parenting Guide Every Single Mom Needs Luisa Lorek, 2025-07-28 Are you a single mom wondering if you're doing enough strong enough or just plain exhausted You're not alone and you don't have to figure it all out by yourself Strong Solo Thriving is the real life parenting guide every single mom has been searching for Written by Luisa Lorek a mother of three and parenting coach this compassionate honest and empowering book answers the 10 most common questions single moms ask from handling co-parenting challenges to managing money stress setting boundaries and rebuilding self-confidence Inside this supportive guide you'll find Real life parenting advice from a mom who's walked the same road Evidence based tips for handling tantrums guilt and daily overwhelm Tools for emotional resilience mindful discipline and calm parenting routines Encouragement for rebuilding confidence and creating connection with your kids Whether you're newly navigating single parenting managing everyday chaos solo or just need to feel seen and supported this book offers practical tools that truly work Strong Solo Thriving is more than a book it's a hug in written form With a warm mom-to-mom tone it provides real life parenting advice grounded in psychology and heart You'll come away feeling more confident less alone and better equipped to raise emotionally healthy kids on your own terms If you're searching for realistic single parenting tips calm in the chaos or just need to know you're doing okay this is the book for you
