How To Make Dances In An Epidemic:

How to Make Dances in an Epidemic David Gere, 2004-09-15 David Gere who came of age as a dance critic at the height of the AIDS epidemic offers the first book to examine in depth the interplay of AIDS and choreography in the United States specifically in relation to gay men The time he writes about is one of extremes A life threatening medical syndrome is spreading its transmission linked to sex Blame is settling on gay men What is possible in such a highly charged moment when art and politics coincide Gere expands the definition of choreography to analyze not only theatrical dances but also the protests conceived by ACT UP and the NAMES Project AIDS quilt These exist on a continuum in which dance protest and wrenching emotional expression have become essentially indistinguishable Gere offers a portrait of gay male choreographers struggling to cope with AIDS and its meanings

How to Make Dances in an Epidemic David Homer Gere, 1998 *How To Do Things with Dance* Rebekah J. Kowal, 2010-10-01 Winner of the CORD Outstanding Publication Award 2012 In postwar America any assertion of difference from the mainstream anticommunist culture carried professional and personal risks For this reason modern dance artists left much of what they thought unsaid Instead they expressed themselves in movement *How To Do Things with Dance* positions modern dance as a vital critical discourse and suggests that dances of the late 1940s and the 1950s can be seen as compelling agents of social change Concentrating on choreographers whose artistic work conceived dance in terms of action Rebekah J Kowal shows how specific choreographic projects demonstrated increasing awareness of the stage as a penetrable space one on which socially suspect or marginalized modes of being could be performed with relative impunity and exerted in the real world Artists covered include Martha Graham Jos Lim n Anna Sokolow Katherine Dunham Pearl Primus Merce Cunningham Paul Taylor Donald McKayle Talley Beatty and Anna Halprin Ebook Edition Note All images have been redacted

Dance, Human Rights, and Social Justice Naomi M. Jackson, Toni Samantha Phim, 2008 *Dance Human Rights and Social Justice Dignity in Motion* presents a wide ranging compilation of essays spanning more than 15 countries Organized in four parts the articles examine the regulation and exploitation of dancers and dance activity by government and authoritative groups including abusive treatment of dancers within the dance profession choreography involving human rights as a central theme the engagement of dance as a means of healing victims of human rights abuses and national and local social political movements in which dance plays a powerful role in helping people fight oppression These groundbreaking papers both detailed scholarship and riveting personal accounts encompass a broad spectrum of issues from slavery and the Holocaust to the Bosnian and Rwandan genocides to the Israeli Palestinian conflict from First Amendment cases and the AIDS epidemic to discrimination resulting from age gender race and disability A range of academics choreographers dancers and dance movement therapists draw connections between refugee camp courtroom theater rehearsal studio and university classroom

The Body, the Dance and the Text Brynn Wein Shiovitz, 2019-02-07 This collection of new essays explores the many ways in which writing relates to corporeality and how the two work together

to create resist or mark the body of the Other Contributors draw on varied backgrounds to examine different movement practices They focus on movement as a meaning making process including the choreographic act of writing The challenges faced by marginalized bodies are discussed along with the ability of a body to question contest and re write historical narratives **Queer Dance** Clare Croft,2017 Queer Dance challenges social norms and enacts queer coalition across the LGBTQ community The book joins forces with feminist anti racist and anti colonial work to consider how bodies are forces of social change *The Oxford Handbook of Dance and Theater* Nadine George-Graves,2015 This handbook brings together genres aesthetics cultural practices and historical movements that provide insight into humanist concerns at the crossroads of dance and theatre broadening the horizons of scholarship in the performing arts and moving the fields closer together

Dancing for Health Judith Lynne Hanna,2006-07-20 Throughout history and in contemporary times people worldwide have danced to cope with the stresses of life But how has dance helped people resist reduce and escape stress What is it about dance that makes it a healing art What insights can we gain from learning about others use of dance across cultures and eras Dancing for Health addresses these questions and explains the cognitive emotional and physical dimensions of dance in a spectrum of stress management approaches Designed for anyone interested in health and healing Dancing for Health offers lessons learned from the experiences of people of different cultures and historical periods as well as current knowledge on how to resist reduce and dance away stress in the disquieting times of the 21st century Anthropologists and psychologists will benefit from the unique theoretical and ethnographic analysis of how dance affects communities and individuals while dancers and therapists will take away practical lessons on improving their and their patients quality of life

Funding Bodies Sarah Wilbur,2021-10-20 A cultural and structural analysis of the NEA s dance funding from its inception through the early 2000s Wilbur studies how people in power engineer and translate institutional norms of arts recognition within dance performance and arts policy disclosure **The Oxford Handbook of Critical Improvisation Studies,**

Volume 1 George E. Lewis,Benjamin Piekut,2016-08-22 Improvisation informs a vast array of human activity from creative practices in art dance music and literature to everyday conversation and the relationships to natural and built environments that surround and sustain us The two volumes of The Oxford Handbook of Critical Improvisation Studies gather scholarship on improvisation from an immense range of perspectives with contributions from more than sixty scholars working in architecture anthropology art history computer science cognitive science cultural studies dance economics education ethnomusicology film gender studies history linguistics literary theory musicology neuroscience new media organizational science performance studies philosophy popular music studies psychology science and technology studies sociology and sound art among others **The Oxford Handbook of Critical Improvisation Studies** George Lewis,Benjamin

Piekut,2016 V 1 Cognitions v 2 Critical theories Anna Halprin Janice Ross,2007-02-12 Anna Halprin pioneered what became known as postmodern dance creating work that was key to unlocking the door to experimentation in theater music

Happenings and performance art This first comprehensive biography examines Halprin's fascinating life in the context of American culture in particular popular culture and the West Coast as a center of artistic experimentation from the Beats through the Hippies Janice Ross chronicles Halprin's long remarkable career beginning with the dancer's grandparents who escaped Eastern European pogroms and came to the United States at the turn of the last century and ending with the present day when Halprin continues to defy boundaries between artistic genres as well as between participants and observers As she follows Halprin's development from youth into old age Ross describes in engrossing detail the artist's roles as dancer choreographer performance theorist community leader cancer survivor healer wife and mother Halprin's friends and acquaintances include a number of artists who charted the course of postmodern performance Among her students were Trisha Brown Simone Forti Yvonne Rainer Meredith Monk and Robert Morris Ross brings to life the vital sense of experimentation during this period She also illuminates the work of Anna Halprin's husband the important landscape architect Lawrence Halprin in the context of his wife's environmental dance work Using Halprin's dance practices and works as her focus Ross explores the effects of danced stories on the bodies who perform them The result is an innovative consideration of how experience becomes performance as well as a masterful account of an extraordinary life

The Culture of Feedback Daniel Belgrad, 2019-08-30 When we want advice from others we often casually speak of getting some feedback But how many of us give a thought to what this phrase means The idea of feedback actually dates to World War II when the term was developed to describe the dynamics of self-regulating systems which correct their actions by feeding their effects back into themselves By the early 1970s feedback had become the governing trope for a counterculture that was reoriented and reinvigorated by ecological thinking The Culture of Feedback digs deep into a dazzling variety of left-of-center experiences and attitudes from this misunderstood period bringing us a new look at the wild side of the 1970s Belgrad shows us how ideas from systems theory were taken up by the counterculture and the environmental movement eventually influencing a wide range of beliefs and behaviors particularly related to the question of what is and is not intelligence He tells the story of a generation of Americans who were struck by a newfound interest in and respect for plants animals indigenous populations and the very sounds around them threading his tapestry with cogent insights on environmentalism feminism systems theory and psychedelics The Culture of Feedback repaints the familiar image of the 70s as a time of Me Generation malaise to reveal an era of revolutionary and hopeful social currents driven by desires to radically improve and feed back into the systems that had come before

Contesting Bodies and Nation in Canadian History Patrizia Gentile, Jane Nicholas, 2013-01-01 In this first collection on the history of the body in Canada an interdisciplinary group of scholars explores the multiple ways the body has served as a site of contestation in Canadian history in the nineteenth and twentieth centuries

Choreographing Discourses Mark Franko, 2018-12-07 Choreographing Discourses brings together essays originally published by Mark Franko between 1996 and the contemporary moment Assembling these essays from

international sometimes untranslated sources and curating their relationship to a rapidly changing field this Reader offers an important resource in the dynamic scholarly fields of Dance and Performance Studies What makes this volume especially appropriate for undergraduate and graduate teaching is its critical focus on twentieth and twenty first century dance artists and choreographers among these Oskar Schlemmer Merce Cunningham Kazuo Ohno William Forsythe Bill T Jones and Pina Bausch some of the most high profile European American and Japanese artists of the past century The volume s constellation of topics delves into controversies that are essential turning points in the field notably Still Here and Paris is Burning which illuminate the spine of the field while interlinking dance scholarship with performance theory film visual and public art The volume contains the first critical assessments of Franko s contribution to the field by Andr Lepecki and Gay Morris and an interview incorporating a biographical dimension to the development of Franko s work and its relation to his dance and choreography Ultimately this Reader encourages a wide scope of conversation and engagement opening up core questions in ethics embodiment and performativity

Ritual and Event Mark Franko, 2006-10-19 Ritual today can be encountered in the midst of catastrophic and transforming events This collection reassesses and revises traditionally understood relationships between ritual and politics ritual and everyday life ritual and art making and ritual and disaster The methodologies as well as the subject matter are interdisciplinary they range from the anthropological to the art and dance historical from the theatrical and literary to the linguistic philosophical and psychoanalytic It will be a valuable tool for scholars of Theater and Performance Studies as well as Anthropology Art and History

Composing while Dancing Melinda Buckwalter, 2010-12-16 Composing while Dancing An Improviser s Companion examines the world of improvisational dance and the varied approaches to this art form By introducing the improvisational strategies of twenty six top contemporary artists of movement improvisation Melinda Buckwalter offers a practical primer to the dance form Each chapter focuses on an important aspect of improvisation including spatial relations the eyes and the dancing image Included are sample practices from the artists profiled exercises for further research and a glossary of terms Buckwalter gathers history methods interviews and biographies in one book to showcase the many facets of improvisational dance and create an invaluable reference for dancers and dance educators

The Oxford Handbook of Dance and Competition Sherril Dodds, 2019 This Handbook asks how competition affects the presentation and experience of dance

Flowers Cracking Concrete Rosemary Candelario, 2016-07-05 Winner of the Oscar G Brockett Book Prize for Dance Research 2018 Flowers Cracking Concrete is the first in depth study of the forty year career of Eiko Koma two artists from Japan who have lived and worked in New York City since the mid 1970s establishing themselves as innovative and influential modern and postmodern dancers They continue to choreograph perform and give workshops across the United States and around the world Rosemary Candelario argues that what is remarkable about Eiko Koma s dances is not what they signify but rather what they do in the world Each chapter of the book is a close reading of a specific dance that reveals a choreographic theme or concern Drawing

on interviews live performance videos and reviews Candelario demonstrates how ideas have kinesthetically and choreographically cycled through Eiko Koma's body of work creating dances deeply engaged with the wider world through an active process of mourning transforming and connecting Hardcover is un jacketed **Becomings** Johanna Kirk, 2024-06-04 This book explores postmodern choreographic engagements of pregnant bodies in the US over the last 70 years Johanna Kirk discusses how choreographers negotiate identification with the look of their pregnant bodies to maintain a sense of integrity as artists and to control representations of their gender and physical abilities while pregnant Across chapters the artists discussed include Anna Halprin Trisha Brown Twyla Tharp Sandy Jamrog Jane Comfort Jody Oberfelder Jawole Willa Miguel Gutierrez Yanira Castro No mie LaFrance and Meg Foley By presenting their bodies in performance these artists demonstrate how their experiences surrounding pregnancy intersect not only with their artform and its history but also with their personal experiences of race gender and sexual identification In these pages Johanna Kirk argues that choreography offers them tools that are alternative to medicine or other forms of social representation for understanding what how pregnant bodies do and feel and what they can mean for individuals and their communities The works within these chapters invite readers to see dancing bodies and pregnant bodies in new ways and for their potential to manifest new possibilities This study will be of great interest to students and scholars exploring dance theatre and performance race and gender
