**The Future of Excellence in Public Relations and Communication Management** Elizabeth L. Toth,2009-03-04 The Future of Excellence in Public Relations and Communication Management brings together a stellar collection of public relations scholars to address the question What will happen to continue the seminal theory building in public relations bolstered by the work of James E Grunig and Larissa A Grunig and the groundbreaking 1992 IABC Excellence Study examining best practices in the field This volume presents a challenge to future researchers encouraging consideration of other theoretical research problems that will lead to improving the management practice of public relations This collection advances scholarly and practitioner understanding of excellence in public relations and communication management and as such public relations and communications scholars in addition to practitioners and graduate students studying these areas will benefit immensely by reading the work in this volume

### **Business Strategy in a Semiglobal Economy** Panos

Mourdoukoutas,2015-03-26 This groundbreaking text provides both theory and strategy for operating in a semiglobal economy in which international businesses must compete in highly globalized and highly localized markets at the same time Unlike the traditional transnational and matrix corporate models a semiglobal corporation organizes its operations according to the global local content of its value propositions rather than according to geographical regions products or contribution to the parent company s performance As an example of a semiglobal corporation the Honda Motor Company has a global vision when it comes to highly global bundles like car engines and a local vision when it comes to highly localized car financing and servicing Designed as a supplementary text for courses in international business development economics marketing and strategic planning Business Strategy in a Semiglobal Economy raises important challenges to the conventional models of business organization and the competitive strategies that proceed from them

### **Corporate Communication** Michael B. Goodman,Peter B. Hirsch,2010

The chief communication officer at a Fortune 500 multinational corporation today faces the challenges of a rapidly changing global economy a revolution in communications channels fueled by the Internet and a substantially transformed understanding of what a 21st century corporation stands for This book provides an accessible

framework for describing these forces and the specific communication challenges that they have thrown at the global corporation. The text reviews the evolution of society's response to the development of the modern company and the corporate communication practices that grew up in response to it as well as examining the impact of globalization, Web 2.0 and the networked enterprise on current corporate relationships with key stakeholders such as customers, employees, shareholders, communities and regulators. In examining these forces and how they are interwoven, the authors offer insights and strategies for deploying effective communication as a strategic business asset in today's global economy. Designed for the advanced student of corporate communication, the book contains updated guidelines for the management of investor relations, community relations and other corporate relationships in the age of social media. Specific recommendations for how to organize and execute effective communication for the contemporary practitioner working in the communication field are also provided.

*Public Relations in Global Cultural Contexts* Nilanjana Bardhan, C. Kay Weaver, 2011-01-31 While public relations practice has become increasingly globalized, scholars are still behind in theorizing about the intersections of culture, communication and power at this level of practice. This volume emphasizes theories and concepts that highlight global interconnectedness through a range of interpretative and critical approaches to understanding the global significance and impacts of public relations. Providing a critical examination of public relations' contribution to globalization and international power relations, the chapters included here explore alternative paradigms, most notably interpretive and critical perspectives informed by qualitative research. The volume encourages alternative ways of knowing that overcome the shortcomings of positivist epistemologies. The editors include multiple paradigmatic approaches for a more complex understanding of the subject matter, making a valuable contribution toward widening the philosophical scope of public relations scholarship. This book will serve well as a core text in classes in international public relations, global public relations and advanced strategic public relations. Students as well as practitioners of public relations will benefit from reading the perspectives included here.

*Ethics in Public Relations* Kathy Fitzpatrick, Carolyn Bronstein, 2006-05-03 This is an intelligent book about serious issues in public relations: accountability, responsibility, transparency, loyalty, truth-telling and fairness. It should be required reading in boardrooms, in PR classrooms and at the Pentagon. Jay Black, Editor, *Journal of Mass Media Ethics*. *Ethics in Public Relations* fills an important need at a time when the credibility of public relations and some public relations practitioners and public relations firms is under attack. In a manner that is never preachy or dogmatic, Fitzpatrick and Bronstein have put together a series of essays that have application across the public relations spectrum. They are sure to be informative and instructive both to long-time professionals and candidates for entry-level positions. Harold Burson, Founding Chairman, Burson Marsteller. This book is both highly readable and long overdue. Fitzpatrick and Bronstein have produced a thoughtful, thorough and very practical look at the ethical dimensions of public relations, not just in theory but in everyday practice. The essays are sharp, witty, on point and highly pragmatic. Their examples are relevant, their anecdotes purposeful. Given the state of the profession

these days it's difficult to see how students of public relations could call themselves current without first reading this smart collection of essays James S O'Rourke IV Professor and Director The Eugene D Fanning Center for Business Communication University of Notre Dame Fitzpatrick and Bronstein have for every public relations professional established a foundation to practice advocacy ethically Practice settings may change but Fitzpatrick and Bronstein demonstrate that the individual professional has an ongoing ethical imperative to advocate responsibly Fitzpatrick's discussion of the PRSA Code of Ethics concept of advocacy which she helped draft breaks new and helpful ground bringing clarity and substance to this crucial ingredient of most public relations practice James E Lukaszewski Chairman and President The Lukaszewski Group Inc Ethics in Public Relations Responsible Advocacy is the first book to identify universal principles of responsible advocacy in public relations In this engaging book editors Kathy Fitzpatrick and Carolyn Bronstein bring together prominent authorities in the field to address theoretic and practical issues that illustrate the broad scope and complexity of responsible advocacy in 21st century public relations The collection explores such matters as the fragile line between ethical and legal public relations practices ethical challenges in building relationships with increasingly diverse publics the requirements of ethical advocacy online ethical accountability in organizational settings the special ethical obligations of nonprofit groups and ethical mandates in cross border public relations
