El Fin De La Aventura the End Of The Affair:

El fin de la aventura Graham Greene, 1985 *Graham Greene's Narrative in Spain* Mónica Olivares Leyva, 2015-10-13

This volume provides a detailed description of the literary contact between Graham Greene and Franco's Spain. Part I describes the most significant political events that affected the Spanish book industry under this regime with the first chapter offering an account of the methods of control created to exercise authoritative influence over the cultural scene. Part II explores critical studies of Greene's artistic output in Franco's Spain and the second chapter investigates literary critics' evaluations of the author as published in the national press, magazines and journals as well as in the prologues, introductions and prefaces to his books. Parts III and IV study the role played by the book industry in the reception of the writer in Spain as well as the obstacles it faced at the censorship office. Accordingly, chapters three to six provide the names of the publishers and booksellers who attempted to disseminate his work throughout the country. Using the censorship files, these chapters measure with great precision publishers' interest in Greene's works and establish the power Franco's censorship wielded over the reception of his literature in Spain. The final section of the book brings together a number of significant conclusions developed throughout this study. As such, *Graham Greene's Narrative in Spain* provides the reader with a comprehensive overview of the roles played by national literary criticism and the book industry in the reception of the author's works in Franco's Spain as well as of the influence exerted by the regime throughout the whole publishing process. **El fin de la**

aventura Graham Greene, 1992 **El tiempo que aún nos queda** Antonio Santos Barranca, 2025-06-10 El autor describe con datos verídicos extraídos de un Diario Intimo de miles de páginas momentos previos al final de una era y previsiones de un futuro inmediato formando un relato en el que se desarrollan paralelamente varias acciones interrelacionadas: 1 el paisaje y el paisanaje de la época y su modo de vida; 2 los inicios por parte de la nueva generación de estudiantes y obreros de lucha por una desconocida Democracia; 3 los terribles problemas de censura de la época; 4 la creación de una revista inicialmente de crítica de cine; vehículo de expresión a favor de la libertad; y 5 como argumento lineal conductor con inicio, desarrollo y desenlace dramático: una historia sentimental consentida y a la vez delictiva según una moralidad hipocrita impuesta con multas y cárceles. La obra intercala reflexiones y comentarios que no podían exteriorizarse en su momento sin detenciones, torturas, juicios y prisiones en un llamado exilio interior. *El final del affaire* Graham Greene, 2019-06-08

En 1946 en un Londres en el que todavía se perciben las heridas de la guerra, Maurice Bendrix se encuentra por casualidad con el diplomático Henry Miles a quien no ve desde hacía tiempo. Henry está casado con Sarah con quien Maurice había tenido un affaire durante la guerra. Cuando Henry le confiesa que sospecha que Sarah le es infiel, ser Maurice empujado por la curiosidad y los celos, quien decida contratar a un detective privado para averiguar la verdad. El final del affaire es la mejor novela de Greene y también una de las más autobiográficas. Su meticulosa indagación sobre las luces y sombras de una relación sentimental sobre los mecanismos del deseo y de la fe y sobre los estrechos vínculos entre el amor y el odio conserva hoy la
