Diversionsary War Amy Oakes, 2012-10-03 The very existence of diversionary wars is hotly contested in the press and among political scientists Yet no book has so far tackled the key questions of whether leaders deliberately provoke conflicts abroad to distract the public from problems at home or whether such gambles offer a more effective response to domestic discontent than appeasing opposition groups with political or economic concessions *Diversionsary War* addresses these questions by reinterpreting key historical examples of diversionary war such as Argentina's 1982 Falklands Islands invasion and U S President James Buchanan's decision to send troops to Mormon Utah in 1857 It breaks new ground by demonstrating that the use of diversionary tactics is at best an ineffectual strategy for managing civil unrest and draws important conclusions for policymakers identifying several new and sometimes counterintuitive avenues by which embattled states can be pushed toward adopting alternative political social or economic strategies for managing domestic unrest

Francis Joseph, Emperor of Austria, King of Hungary (Classic Reprint) Eugene Bagger, 2017-11-19 Excerpt from Francis Joseph Emperor of Austria King of Hungary The collapse of the austro hungarian Empire is perhaps the most fateful and irrevocable result of the Great War Not quite a decade has passed since the tragicomedy of Versailles and Germany is a great power once more so is Russia the epochal rivalries have shifted ground but not abated in intensity while their potential dangers have probably increased But the Empire of the Habsburgs seems to have vanished for ever The dismemberment of Austria Hungary in the sacred name of national self determination has been hailed as a boon In the sense that it was inevitable it is a boon for in politics the obstruction of the inevitable is one of the greatest of evils its wages are war and revolution This book is in one of its aspects an attempt to re interpret in the terms of the life and character of a single individual strategically placed in a position of unique power the inevitability of what was perhaps the greatest political catastrophe of modern times the downfall of the ancient Empire of Habsburg last heir
