Francis Marion:

The Life of Francis Marion William Gilmore Simms, 1845 **Francis Marion** Cliff Mills, 2015-09 Francis Marion often referred to as the Swamp Fox was one of America's most important Revolutionary War leaders. He and his small band of men battled the British in the fields, woods, rivers, and swamps of South Carolina. They never let up disrupting communications and supply lines. His daring raids helped America gain independence. We know some facts about Marion, but they can get lost in the stories and legends about him. This book will help you separate fact from fiction and learn more about the real Francis Marion. The best stories are true stories, and the Swamp Fox's true story is one of courage, smart fighting, and a love of freedom. America is deeply in debt to him. Francis Marion Scott Kauffman, 2006-08 A biography of the Colonial Francis Marion who led guerrilla forces against the British in South Carolina during the American Revolution. **The Life of General Francis Marion** Mason Locke Weems, Peter Horry, 1856 **The Life of Francis Marion** William Gilmore Simms, 2014-07-22 South Carolina's Swamp Fox Francis Marion is one of the most celebrated figures of the American Revolution. Marion's cunning exploits in the Southern theater of the Revolution earned him national renown and a place in history as an American hero and master of modern guerilla warfare. Although dozens of works have been written about Marion's life over the years, this biography written by William Gilmore Simms, South Carolina's greatest author, remains the best. First published in 1844, *The Life of Francis Marion* was Simms's most commercially successful work of nonfiction. It offers a treatment of Marion's life that is unparalleled in its scope and accuracy, all in Simms's inimitable style. **Francis Marion** Scott Kauffman, Professor William Mark Habeeb, 2007-01-01 A biography of the Colonial leader who achieved notable successes leading guerrilla forces against the British in South Carolina during the American Revolution. Provided by publisher. **The Life of Francis Marion** William Gilmore Simms, 2024-04-28 Reprint of the original first published in 1845. Francis Marion: the Swamp Fox Hugh F. Rankin, 1973 Calls attention to Marion's military career and crucial role in the Revolution as a guerrilla leader in the South during the years 1780 and 81. **The Life of General Francis Marion, a Celebrated Partisan Officer** Mason Locke Weems, 1857 **The Life of Gen. Francis Marion** Mason Locke Weems, Peter Horry, 1833 *The Life of General Francis Marion* Mason Locke Weems, 2023-08-26 Reproduction of the original. The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision. **The Swamp Fox** John Oller, 2016-10-25 This comprehensive biography of Francis Marion, the Swamp Fox, covers his famous wartime stories as well as a private side of him that has rarely been explored. In the darkest days of the American Revolution, Francis Marion and his band of militia freedom fighters kept hope alive for the patriot cause during the critical British southern campaign. Employing insurgent guerrilla tactics that became commonplace in later centuries, Marion and his brigade inflicted enemy losses that were individually small but cumulatively a large drain on British resources and morale. Although many will remember the stirring adventures of the Swamp Fox from the Walt Disney television series of the

late 1950s and the fictionalized Marion character played by Mel Gibson in the 2000 film *The Patriot* the real Francis Marion bore little resemblance to either of those caricatures But his exploits were no less heroic as he succeeded against all odds in repeatedly foiling the highly trained better equipped forces arrayed against him In this action packed biography we meet many colorful characters from the Revolution Banastre Tarleton the British cavalry officer who relentlessly pursued Marion over twenty six miles of swamp only to call off the chase and declare per legend that the Devil himself could not catch this damned old fox giving Marion his famous nickname Thomas Sumter the bold but rash patriot militia leader whom Marion detested Lord Cornwallis the imperious British commander who ordered the hanging of rebels and the destruction of their plantations Light Horse Harry Lee the urbane young Continental cavalryman who helped Marion topple critical British outposts in South Carolina but most of all Francis Marion himself the Washington of the South a man of ruthless determination yet humane character motivated by what his peers called the purest patriotism In *The Swamp Fox* the first major biography of Marion in more than forty years John Oller compiles striking evidence and brings together much recent learning to provide a fresh look both at Marion the man and how he helped save the American Revolution

The Life of Francis Marion William Gilmore Simms, 2007-06-01 This new edition contains the full text and illustrations from the 1844 text of *The life of Francis Marion* published by Henry G Langley T p verso [The Life of Gen. Francis Marion](#) Cecil B. Hartley, 1867 [Swamp Fox](#) Dr. Robert D. Bass, 2017-07-11 One of the most fascinating figures of the American Revolution General Francis Marion slipped in and out of the Carolina swamps to strike sudden devastating blows against the British Cutting through the Swamp Fox legend Robert D Bass has arrived at a realistic and fascinating appraisal of this military genius with this 1959 literary work A close but spirited chronology of the raids and routs General Francis Marion led against the British A humane man a dedicated soldier with a devotion to duty and a worship of liberty he was also a taciturn moody and introverted character With an intuitive sense of strategy particularly that of the swift advance and the rapid retreat he became a sound and savage fighter rose from the ranks as an unknown captain to become a Brigadier General Here bivouac by bivouac are the lashes and the sieges in which he engaged the daring rescue of 150 Rebel prisoners from Sumter's house the bedevilment and the destruction of the British is small diversionary actions and the indefatigable endurance of that gaunt ill kempt gallant fighter who became a nemesis to Cornwallis and the entire British Army Kirkus Review
