own the Oxford Companion to American Food and Drink **Le Festival Cookbook** Ken Lefebvre, 2021-08-22 In this cookbook you won't find the French cuisine of Paris of puff pastries or delicately plated duck confit. These are the dishes of the working class, humble, accessible, the food of those who drew what they could from their roots and forged a new identity in the United States, reminiscent of France, of Canada, of Quebec. In this book of New England French recipes you won't find the Cajun Holy Trinity but what you will find is roux, choux, and tourtières, the good crust. This cookbook represents an effort to compile authentic Franco-American recipes from numerous archives and literary sources, bringing this regional working class cuisine to a broader audience in the 21st century Bibliography of Domestic Economy, 1901 **Bibliography**, 1900
