Frank Answers Questions on Death, Heaven, and Hell Frank B. Holbrook, 1975      Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1977      *The Gift of God Is Eternal Life* Steven H. Propp, 2016-12-28 According to Christian doctrine what happens to those who have died While traditionally it has been said that one group of people spends eternity in heavenly happiness while another group experiences conscious unending torment in hell there are other Christians who believe in alternatives that hell is simply a separation from God that the lost are simply annihilated and not subject to torment or that actually in the end all will be reconciled to God and live in heavenly glory *The Gift of God Is Eternal Life* explores a five century journey that traces the development and dispersal of the doctrines of universalism and conditional immortality in a compelling narrative collection of short stories Beginning from when these doctrines were merely whispered about or published anonymously to the days when traveling evangelists preached them in the new and growing American republic these engaging vignettes show how this once intense debate between Christians has evolved into modern times where such ideas can be freely discussed even in mainstream television and evangelism Do infants who die prior to an age of accountability receive salvation and are those who have never heard the Christian message simply doomed What about loved ones who die without having embraced the Christian gospel or those who believe in less traditional Christian dogmas and institutions *The Gift of God Is Eternal Life* can help both believers and nonbelievers understand the implications of these theological perspectives not just in an afterlife but in their own lives here and now      **Books and Pamphlets, Including Serials and Contributions to Periodicals** Library of Congress. Copyright Office, 1977      *The Feast of the Goat* Mario Vargas Llosa, 2011-03-04 WINNER OF THE NOBEL PRIZE IN LITERATURE In *The Feast of the Goat* this masterpiece of Latin American and world literature and one of the finest political novels ever written Bookforum Mario Vargas Llosa recounts the end of a regime and the birth of a terrible democracy giving voice to the historical Trujillo and the victims both innocent and complicit drawn into his deadly orbit Haunted all her life by feelings of terror and emptiness forty nine year old Urania Cabral returns to her native Dominican Republic and finds herself reliving the events of 1961 when the capital was still called Trujillo City and one old man terrorized a nation of three million Rafael Trujillo the depraved ailing dictator whom Dominicans call the Goat controls his inner circle with a combination of violence and blackmail In Trujillo's gaudy palace treachery and cowardice have become a way of life But Trujillo's grasp is slipping There is a conspiracy against him and a Machiavellian revolution already underway that will have bloody consequences of its own A fierce edgy and enthralling book Mr Vargas Llosa has pushed the boundaries of the traditional historical novel and in doing so has written a book of harrowing power and lasting resonance *The New York Times*      *The Mystery of Joy* Peter Kreeft, 2025-01-16 Joy we look for it long for it and spend our lives chasing it Yet do we really know what it is Is it a feeling a state of mind or a reward for success Do we know where to find it The more we seek it the more it eludes us Yet joy is real Joy writes philosopher Peter Kreeft is a

mystery It is bigger than we are Joy s secret however is that it cannot be reached or found but only given True joy is God Himself who giving Himself takes us outside ourselves across valleys of loss and mountains of triumph This lucid witty reflection on the true nature of joy convinces us page after page that while sorrow is inevitable joy is very very near at hand It s scandalously simple Kreeft reveals There s no method you just do it To do joy we must let go of all fake happiness all false gods We must return over and over to the one true Joy who is the Way the Truth and the Life Drawing from the wisdom of C S Lewis and Saint Thomas Aquinas this instant classic by self proclaimed curmudgeon Peter Kreeft walks us through the long beautiful task of surrendering to deep joy the chief work of any life worth living *Catalogue of Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ... **BEYOND NARNIA** Ray Baker,2021-04-28 Lewis was an amazing author who has impacted the faith of millions of people around the world Unfortunately most people never read anything by C S Lewis other than The Chronicles of Narnia This is good as far as it goes but what a shame if that s all one ever reads of this genius Although some may go on to read Mere Christianity or even The Screwtape Letters Miracles or The Problem of Pain very few have ever mined the riches that are to be found in Lewis s collected essays or had their longing for the numinous stirred by hauntingly brilliant Dymer and The Pilgrim s Regress It is my desire in this book to show that Lewis is more than just Narnia Beyond Narnia The Theology of C S Lewis is an in depth analysis of the most important themes in the work of C S Lewis including the sensation of joy or longing as signposts to God his view of the Bible as both myth and the Word of God his defense of miracles against Hume s famous critique his insightful observations on the problem of pain and his often misunderstood but groundbreaking thoughts on hell This book provides an accessible and thorough introduction to C S Lewis for undergraduate students and Lewis fans who want to go deeper in their understanding

A Gentler God Doug Frank,2020-07-09 What is God like Is he the lofty Almighty of conservative religion with power to stop heartbreaking human holocausts and deadly natural disasters but who inexplicably declines to do so Is he the callous Judge offering the faithful a place in his heaven while summarily casting the faithless into everlasting hell Is he the vain King on his throne requiring us to stroke his ego by praising him unceasingly for his awesome power If this is the God we have been taught it is no wonder that many people have come to realize that they do not like let alone trust him The simple certainties of their childhood no longer make sense But the equally assured assertions of today s atheists also leave them cold They want a personal connection with God an honest faith that grows out of their own felt truth and touches them at the deepest levels of their being This book points the way It dismantles the angry punitive God of traditional Protestantism and beckons us toward a kinder more welcoming God This God does not ask us to grit our teeth and try our best to believe Instead this God meets us in our humanity inviting our hearts to respond in genuine trust and love
