This is the most comprehensive and insightful reference available on Broadway theater as an American cultural phenomenon and an illuminator of American life. *Broadway: An Encyclopedia of Theater and American Culture* is the first major reference work to explore just how much the Great White Way illuminates our national character. In two volumes spanning the era from the mid 19th century to the present, it offers nearly 200 entries on a variety of topics, including spotlights on 30 landmark productions from *Shuffle Along* to *Oklahoma!* to *Oh Calcutta!* to *The Producers*, that not only changed American theater but American culture as well. In addition, *Broadway* offers thirty extended thematic essays gauging the powerful impact of theater on American life, with entries on race relations, women in society, sexuality, film, media, technology, tourism, and off-Broadway and noncommercial theater. There are also 110 profile entries on key persons and institutions from the famous to the infamous to the all-but-forgotten, whose unique careers and contributions impacted Broadway and its place in the American landscape. **Contemporary Gay American Poets and Playwrights** Emmanuel S. Nelson, 2003-06-30. Gay presence is nothing new to American verse and theater. Homoerotic themes are discernible in American poetry as early as the 19th century, and identifiably gay characters appeared on the American stage more than 70 years ago. But aside from a few notable exceptions, gay artists of earlier generations felt compelled to avoid sexual candor in their writings. Conversely, most contemporary gay poets and playwrights are free from such constraints and have created a remarkable body of work. This reference is a guide to their creative achievements. Alphabetically arranged entries present 62 contemporary gay American poets and dramatists. While the majority of included writers are younger artists who came of age in the post-Stonewall U.S., some are older authors whose work has continued or persisted into recent decades. A number of these writers are well known, including Edward Albee, Harvey Fierstein, and Allen Ginsberg. Others such as Alan Bowne, Timothy Liu, and Robert O'Hara merit wider recognition. Each entry is written by an expert contributor and includes a biography, a discussion of major works and themes, an overview of the author's critical reception, and primary and secondary bibliographies. *The Ultimate Scene and Monologue Sourcebook, Updated and Expanded Edition* Ed Hooks, 2007-10-16. All actors and acting teachers need *The Ultimate Scene and Monologue Sourcebook*, the invaluable guide to finding just the right piece for every audition. This remarkable book describes the characters' action and mood for more than 1,000 scenes in over 300 plays. Using these guidelines the actor can quickly pinpoint the perfect monologue then find the text in the Samuel French or Dramatist Play Service edition of the play Newly revised and expanded the book also includes the author's own assessment of each monologue

**Muse of Fire** Terrence McNally, 2020-11-25 Acclaimed playwright Terrence McNally's works are characterized by such diversity that critics have sometimes had difficulty identifying the pattern in his career To redress this problem in *Muse of Fire* Raymond Jean Frontain has collected McNally's most illuminating meditations on the need of the playwright to first change hearts in order to change minds and thereby foster a more compassionate community When read together these various meditations demonstrate the profound ways in which McNally himself functioned as a member of the theater community as a strikingly original dramatic voice as a generous collaborator and even as the author of eloquent memorials These pieces were originally written to be delivered on both highly formal occasions academic commencement exercises award ceremonies memorial services and as off the cuff comments at highly informal gatherings like a playwriting workshop at the New School They reveal a man who saw theater not as the vehicle for abstract ideas or the platform for political statements but as the exercise of our shared humanity Theatre is collaborative but life is collaborative McNally says Art is important to remind us that we're not alone and this is a wonderful world and we can make it more wonderful by fully embracing each other I don't know why it's so hard to remind ourselves sometimes but thank God we've had great artists who don't let us forget And thank the audiences who support them because I think that those artists' true mission has been to bring the barriers down break them down not build walls but tear them down

*Terrence McNally* Toby Zinman, 2014-04-08 This collection of essays and interviews is the first book about the drama of American playwright Terrence McNally it examines his career to date 30 plus years focusing particularly on the two plays for which McNally won Tony Awards for Best Play of 1995 *Love Valour Compassion* and Best Play of 1996 *Master Class* Toby Zinman a distinguished scholar and critic has invited none respected authorities to write about McNally's work and has included records of the long conversations she had with the playwright about his work his love of opera his ideas about acting and education and life in general Also included are two interviews she conducted with two of his leading actors one with the legendary Zoe Caldwell who played the even more legendary Maria Callas in *Master Class* a performance that earned her the Tony Award for Best

Actress in 1996 a role McNally wrote for her and another with the great American comic actor Nathan Lane whom McNally considers his foremost interpreter The collection moves chronologically beginning with Howard Stein s essay on the promise of the plays of the first decade through to Cary Mazer s essay on the diva in Master Class a play about Maria Callas master classes at Juilliard that essay is preceded by an essay on those famous master classes by John Ardoyn the world s foremost authority on Maria Callas In between there are two essays debating McNally s position as a gay playwright one by John Clum and one by Steven Drukman both centering on the firestorm of controversy generated by Love Valour Compassion In addition there is an essay on The Lisbon Traviata by Sam Abel which discusses the play s much revised conclusion to murder or not to murder and another on McNally s screenplays of Frankie and Johnny in the Clair de Lune and The Ritz by Helen Buttel a film critic This is followed by Stephen Watt s examination of McNally as a postmodernist using Lips Together Teeth Apart as his focus and Benilde Montgomery s essay on Indian myth as it informs McNally s play soon to be a film A Perfect Ganesh The volume also includes in its introduction the latest information on McNally s newest projects an extensive bibliography and a chronology of the playwright s career

**The Theater of Terrence McNally** Peter Wolfe, 2013-10-23 This first book length work on Terrence McNally shows how his decades in the theater have refined his thoughts on subjects like growing up gay in mannish homophobic Texas Shakespeare s legacy in contemporary drama and the life giving power of forgiveness McNally believes that the ability to forgive a challenge to even the most high minded confirms our humanity because the wrongs done to us usually don t deserve to be forgiven The author shows how McNally s impeccable timing his instinct for a good laugh line and his preference for physical sensation and character over plot helps him reveal both what s important to his people and why his people are important These revelations can shake up audiences while providing a great evening at the theater

**The Theater of Terrence McNally** Raymond-Jean Frontain, 2019-10-04 Terrence McNally s canon of plays books for musicals and opera libretti possesses such a breadth of subject matter and diversity of dramatic modes that critics have had difficulty assessing his accomplishment This book is the first critical study to identify the four major stages of McNally s development in terms of his understanding of how theater helps the modern person trapped in a seemingly profane existence to find a gateway to the transcendent Drawing upon such diverse religious thinkers as Martin Buber Mircea Eliade Ilia Delio and Carter Heyward Frontain analyzes the evolution of McNally s understanding of grace not as a gift bestowed by an all powerful deity upon a desperate soul but as the unwarranted and thus all the more unusual act of devotion McNally s phrase that one person performs for another By seeking to foment community most importantly at the height of the AIDS pandemic McNally s theater itself proves to be a channel of grace McNally s greatest success is shown to be the creation of a theater of empathy and compassion in contradistinction to Artaud s theater of cruelty and Albee s Americanization of the theater of the absurd

*Conversations with Terrence McNally* Raymond-Jean Frontain, 2023-01-27 Arriving in New York at the tail end of what has been termed the Golden Age of Broadway and the start of the Off Broadway theater movement Terrence McNally

1938 2020 first established himself as a dramatist of the absurd and a biting social critic He quickly recognized however that one is more likely to change people s minds by first changing their hearts and in outrageous farces like *The Ritz* and *It s Only a Play* began using humor more broadly to challenge social biases By the mid 1980s as the emerging AIDS pandemic called into question America s treatment of persons isolated by suffering and sickness he became the theater s great poet of compassion dramatizing the urgent need of human connection and the consequences when such connections do not take place *Conversations with Terrence McNally* collects nineteen interviews with the celebrated playwright In these interviews one hears McNally reflect on theater as the most collaborative of the arts the economic pressures that drive the theater industry the unique values of music and dance and the changes in American theater over McNally s fifty plus year career The winner of four competitive Tony Awards as the author of the Best Play *Love Valour Compassion* and *Master Class* and author of the book for the Best Musical *Kiss of the Spider Woman* and *Ragtime* McNally holds the distinction of being one of the few writers for the American theater who excelled in straight drama as well as musical comedy In addition his canon extends to opera his collaboration with composer Jake Heggie *Dead Man Walking* has proven the most successful new American opera of the last twenty five years      **Maero's Sorrow** Myduliet,2018-03-20 Frank Maero is a failure by society s standards unkempt uninspired uninterested Living out his days in a beach house by the ocean Frank exists but isn t truly living Join Frank on his deep introspective journey as he reflects on modern life and the flaws he sees in a bleak imperfect world in an ironic tale of tragedy and a celebration of what it means to be alive      [Focus On: 100 Most Popular English-language Film Directors](#) Wikipedia contributors,
