Franklin Is Bobby:

The Truth About Northern Soul Stephen Riley, 2023-10-25 The view from the dancefloor this book strips away misty eyed nostalgia and provides a blunt honest firsthand and often humorous account of this crucial 1970s club scene

Young Soul Rebels Stuart Cosgrove, 2016-05-19 The Ultimate History of Northern Soul *Young Soul Rebels* is the intimate story of Britain's most fascinating underground music scene northern soul Stuart Cosgrove has been a well known collector on the scene for decades and here he takes the reader on a rollercoaster journey to the heart of this secret society the iconic clubs The Twisted Wheel The Torch Wigan Casino and the Blackpool Mecca the infamous bootleggers and the DJs and crate digging collectors who voyaged to America to unearth rare sounds The book sweeps across fifty years of social and cultural history taking in the rise of amphetamine culture the brutal policing of the youth scene the north south divide the rise of Thatcherism and the miners strike and concludes with a picture of northern soul today as popular now as it was in its 1970s heyday

Northern Soul Elaine Constantine, Gareth Sweeney, 2013-09-06 The story of Northern Soul is one of practically total immersion dedication and devotion where the plain concept of the night out was elevated to sacramental dimensions Where devotees pushed their bodies their finances and sometimes their minds to brutal and unforgiving extremes For those who went through that involvement every test of faith or endurance was worth bearing From Northern Soul An Illustrated History It was a drugs scene it was a clothes scene It was about dancing It came out of this thing It was about pills that made you go fast To go fast to make the scene happen Chris Brick In the late 1960s a form of dance music took a feverish hold on the UK finding its heart in the north of England The music of 1960s 70s black American soul singers combined with distinctive dance styles and plenty of amphetamines to create what became known as Northern Soul a scene based around all night alcohol free club nights arranged by the fans themselves setting the blueprint for future club culture Northern Soul tapped into a yearning for individual expression in northern teenagers and exploded into a cultural phenomenon that influenced a generation of DJs songwriters and designers for decades to come Acclaimed photographer and director Elaine Constantine has brought the movement to life in her film Northern Soul and that film was the starting point for this book Northern Soul An Illustrated History However what started out as a project largely comprising of Constantine's stunning on set photography featuring her young talented cast and highly authentic production has turned into a unique illustrated history of Northern Soul In its final form the beautiful new photography holds the book together thematically but its real depth lies in the material from the 1960s 1970s and 1980s that Elaine and Gareth have

researched and pulled together Of course no book can claim to represent everything about a culture But Northern Soul An Illustrated History concentrates on individuals personal stories from that heady era as well as being crammed full of truly atmospheric contemporaneous photography not from press photographers but from the kids themselves Be it snaps of soul fans in car parks hitching a lift or mucking around in photo booths the combination of real people plus real and often very dramatic stories not to mention the complete absence of label scans and DJ s top tens means that the book stands out as a very different proposition from anything yet published on Northern Soul We would like to think that above all this book attempts to give you a feel for what it was really like to be there at the time

Kentucky Progress Magazine ... Kentucky Progress Commission,1928 *Classic American Popular Song* David Jenness,Donald Velsey,2014-02-04 *Classic American Popular Song The Second Half Century 1950 2000* addresses the question What happened to American popular song after 1950 There are numerous books available on the so called Golden Age of popular song but none that follow the development of popular song styles in the second half of the 20th century While

1950 is seen as the end of an era the tap of popular song creation hardly ran dry after that date Many of the classic songwriters continued to work through the following decades Porter was active until 1958 Rodgers until the later 1970s Arlen until 1976 Some of the greatest lyricists of the classic era continued to do outstanding and successful work Johnny Mercer and Dorothy Fields for example continued to produce lyrics through the early 70s These works could be explained as simply the Golden Age s last stand a refusal of major figures to give in to a new reality But then how can we explain the outstanding careers of Frank Loesser Cy Coleman Jerry Herman Jerry Bock and Sheldon Harnick Fred Kander and John Ebb Jule Styne Alan Jay Lerner and Frederick Loewe and several other major figures Where did Stephen Sondheim come from For anyone interested in the development of American popular song and its survival this book will make fascinating reading
