# Frankly Speaking

**Elena Graf, Ulrich Schweier**

## Frankly Speaking:

*Pragmaticalization* Elena Graf, Ulrich Schweier, 2024-09-23 The present volume is dedicated to the phenomenon of pragmaticalization in the context of the theory of grammaticalization While in recent decades the growing interest in the analysis of pragmatic phenomena within grammaticalization research was triggered amongst others by studies in the field of subjectivity and intersubjectivity in language we still lack a model for a broad understanding of how changes on the discourse level come about and face a lack of information which provides a conclusive theoretical framework to systematically record the emergence of an entire layer of discourse units in language The book is one of the first comprehensive collections contributed to the topic of pragmaticalization and includes empirical studies on a wide range of languages from diachronic and synchronic perspectives Aiming to refine our understanding of pragmatic shifts which can be observed by several linguistic units the contributions discuss such issues as pros and cons of the concept of pragmaticalization the parameters of pragmaticalization the emergence of discourse markers and constructions with various pragmatic functions pathways of change including the influence of language contact

**Belligerent Broadcasting** Michael Higgins, Angela Smith, 2016-09-13 Why is rudeness such a prominent feature of contemporary broadcasting If broadcasting is about the enactment of sociability then how can we account for the fact that broadcasting has become a sphere of anger humiliation anger dispute and upset And to what extent does belligerence in broadcasting reflect broader social and cultural developments This book reflects upon and analyses the development of belligerent broadcasting beginning with an examination of belligerence in its historical context and as an aspect of wider cultural concerns surrounding the retreat of civility With attention to the various relations of power expressed in the various forms of belligerent conduct across a range of media genres the authors explore its manifestation in political interviews in the form of confrontation in talk shows in makeover television as an authentic means of proffering opinion and as a form of sociability or banter Richly illustrated with studies and examples of well known shows from both sides of the Atlantic including *The Apprentice* *The Fixer* *American Idol* *Gordon Ramsay's Kitchen Nightmares* *DIY SOS* *The Jeremy Kyle Show* and *Dragon's Den* this book reflects on the consequences and potentialities of belligerence in the media and public sphere It will appeal to scholars and students of cultural and media studies communication and popular culture
