The Diaries of Franz Kafka Franz Kafka, 2023-01-10 A NEW YORK TIMES BEST BOOK OF THE YEAR An essential new translation of the author's complete uncensored diaries a revelation of the idiosyncrasies and rough edges of one of the twentieth century's most influential writers An invaluable addition to Kafka's oeuvre The New York Times An essential new translation of Franz Kafka's complete uncensored diaries a revelation of the idiosyncrasies and rough edges of one of the twentieth century's most important influential and visionary writers Dating from 1909 to 1923 Franz Kafka's Diaries contains a broad array of writing including accounts of daily events assorted reflections and observations literary sketches drafts of letters records of dreams and unrevised texts of stories This volume makes available for the first time in English a comprehensive reconstruction of Kafka's handwritten diary entries and provides substantial new content restoring all the material omitted from previous publications notably names of people and undisguised details about them a number of literary writings and passages of a sexual nature some of them with homoerotic overtones By faithfully reproducing the diaries distinctive and often surprisingly unpolished writing as it appeared in Kafka's notebooks translator Ross Benjamin brings to light not only the author's use of the diaries for literary invention and unsparing self examination but also their value as a work of genius in and of themselves

The Basic Kafka Franz Kafka, 1979 Published together for the first time are selections from all Kafka's writings *The Metamorphosis* Josephine *The Singer* plus his short stories parables and his personal diaries and letters

He: Shorter Writings of Franz Kafka Franz Kafka, 2022-02-22 A new selection of Franz Kafka's shorter fiction and nonfiction work selected and with a preface by Book of Numbers author Joshua Cohen Being asked to write about Kafka is like being asked to describe the Great Wall of China by someone who's standing just next to it The only honest thing to do is point Joshua Cohen from his foreword to *He Shorter Writings of Franz Kafka* This is a Kafka emergency kit a congregation of the brief the minor works that are actually major Joshua Cohen has produced a frame that refuses distinctions between what is a story a letter a workplace memo and a diary entry also including popular favorites like *The Bucket Rider* *The Penal Colony* and *The Burrow* Here we see Kafka's preoccupations in writing about animals messiah variations food and exercise each in his signature style Cohen's selection emphasizes the stately structure of utterly coherent logic within an utterly incoherent and illogical world showing how Kafka harnessed the humblest grammar to metamorphic power until the predominant effect ceases to be the presence of an unreliable narrator but the absence of the universe's only reliable narrator God

Franz Kafka's Metamorphosis Franz Kafka, 2020-07-17 One of the most unique books in twentieth century Europe and without a doubt one of the most controversial by Franz Kafka which is already a lot since none of his works usually leaves anyone indifferent Because the authorships of this Czech writer with a doctorate in Law reflect in a very particular way his singularities since everything in his life went against his true vocation literature A work by Kafka that reflects a truly particular world view and that is worth reading in detail to find with each new reading new understanding

like someone who takes off the layers of an onion When Gregorio Samsa woke up one morning after an uneasy sleep he found himself in his bed turned into a monstrous insect Such is the abrupt beginning which places us at the root under different rules of The Metamorphosis without a doubt the work of Franz Kafka that has achieved greater celebrity Why buy this book For in this exciting work you will find a great passion for details since the author describes situations passages and thoughts with total profusion without neglecting absolutely nothing This is something that makes the reader be part of the narrative itself which at times seems to suffer as much as the main character himself A compelling story even for someone who has already read it

Selected Stories Franz Kafka, 2024-05-21 Selected Stories by Franz Kafka offers new renderings of the author's finest work Mark Harman's English translations convey the uniqueness of Kafka's German the wit irony and cadence Expert annotations illuminate Kafka's cultural allusions and wordplay while a biographical introduction places the man and his work in historical context

Shorter Works [of] Franz Kafka Franz Kafka, 1973 **Kafka's "The Metamorphosis" and Other Writings: Franz Kafka** Franz Kafka, 2002-10-16 This essential collection of Franz Kafka's writings includes classic as well as new translations The Metamorphosis The Judgment A Country Doctor In the Penal Colony From A Hunger Artist First Sorrow A Little Woman A Hunger Artist Josephine the Singer or The Mouse People The Hunter Gracchus The Great Wall of China Letter to His Father

franz kafka vol 1 Franz Kafka, 2014-07-19 Albert Camus once said that the whole of Kafka's art consists in compelling the reader to re read him Since the interpretations of Kafka are many and the search for the meaning of his stories seemingly endless the reader will return to the story itself in the hope of finding guidance from within Thus a second reading will hopefully become a commentary on the first and subsequent readings will again hopefully shed light on the preceding ones It is the purpose of this volume to provide ready access to the entire corpus of Kafka's stories they rather than the novels constitute the very core of his brief life's work

Franz Kafka Franz Kafka, 2021-06-27 The Metamorphosis was first published in 1915 One of Kafka's best known works The Metamorphosis tells the story of salesman Gregor Samsa who wakes one morning to find himself inexplicably transformed into a huge insect and subsequently struggles to adjust to this new condition The novella has been widely discussed among literary critics with differing interpretations being offered The Trial was written between 1914 and 1915 and published posthumously on 26 April 1925 One of his best known works it tells the story of Josef K a man arrested and prosecuted by a remote inaccessible authority with the nature of his crime revealed neither to him nor to the reader Like Kafka's other novels The Trial was never completed although it does include a chapter which appears to bring the story to an intentionally abrupt ending In 1999 the book was listed in Le Monde's 100 Books of the Century and as No 2 of the Best German Novels of the Twentieth Century

The Lost Writings Franz Kafka, 2020-10-06 A windfall for every reader a trove of marvelous impossible to find Kafka stories in a masterful new translation by Michael Hofmann Selected by the preeminent Kafka biographer and scholar Reiner Stach and newly translated by the peerless Michael Hofmann the seventy four pieces gathered here have been lost to sight

for decades and two of them have never been translated into English before Some stories are several pages long some run about a page a handful are only a few lines long all are marvels Even the most fragmentary texts are revelations These pieces were drawn from two large volumes of the S Fischer Verlag edition *Nachgelassene Schriften und Fragmente* totaling some 1100 pages Franz Kafka is the master of the literary fragment as Stach comments in his afterword In no other European author does the proportion of completed and published works loom quite so small in the overall mass of his papers which consist largely of broken off beginnings In fact as Hofmann recently added Finished seems to me in the context of Kafka a dubious or ironic condition anyway The more finished the less finished The less finished the more finished Gregor Samsa's sister Grete getting up to stretch in the streetcar What kind of an ending is that There's perhaps some distinction to be made between finished and ended Everything continues to vibrate or unsettle anyway Reiner Stach points out that none of the three novels were completed Some pieces break off or are concluded or stop it doesn't matter after two hundred pages some after two lines The gusto the friendliness the wit with which Kafka launches himself into these things is astonishing *Franz Kafka* Franz Kafka, 2020-12-08 Franz Kafka *The Office Writings* brings together for the first time in English Kafka's most interesting professional writings composed during his years as a high ranking lawyer with the largest Workmen's Accident Insurance Institute in the Czech Lands of the Austro-Hungarian Empire Franz Kafka 1883-1924 is commonly recognized as the greatest German prose writer of the twentieth century It is less well known that he had an established legal career Kafka's briefs reveal him to be a canny bureaucrat sharp litigator and innovative thinker on the social political and legal issues of his time His official preoccupations inspired many of the themes and strategies of the novels and stories he wrote at night These documents include articles on workmen's compensation and workplace safety appeals for the founding of a psychiatric hospital for shell shocked veterans and letters arguing relentlessly for a salary adequate to his merit In adjudicating disputes promoting legislative programs and investigating workplace sites Kafka's writings teem with details about the bureaucracy and technology of his day such as spa elevators in Marienbad the challenge of the automobile and the perils of excavating in quarries while drunk Beautifully translated with valuable commentary by two of the world's leading Kafka scholars and one of America's most eminent civil rights lawyers the documents cast rich light on the man and the writer and offer new insights to lovers of Kafka's novels and stories **Franz Kafka** Franz Kafka, *The Essential Kafka Boxed Set* Franz Kafka, 2011-08
