

Franz Werfel 18901945

**LL Leslie**

## **Franz Werfel 1890-1945:**

**A Life Torn by History** Peter Stephan Jungk, 1990      **Franz Werfel, 1890-1945. Edited by Lore B. Foltin. [By Various Authors. With a Portrait.]** Lore Barbara FOLTIN, 1961      **The Twentieth Century 1890-1945** Raymond Furness, 2020-01-31 Originally published in 1978 this study presents a detailed analysis of the major literary movements in Austria and Germany from the end of the nineteenth century to the collapse of the Third Reich It examines the plethora of literary genres which marked the transition from the nineteenth to the twentieth century the short lived Naturalist movement rapidly giving way to various forms of symbolism and neo romanticism The situation in Vienna is studied in detail the concept of modernism vis vis expressionism with special regard to Rilke and Kafka The literature of the Weimar period is also analysed with emphasis on the symphonic novels of the time and the anti illusionist devices of Brecht It also draws a comparison between the literary situation in Nazi Germany and the literature of exile and the positions of Thomas and Heinrich Mann Brecht and Gottfried Benn are examined      *The Fortunes of German Writers in America* Wolfgang Elfe, James N. Hardin, Günther Holst, 1992      **American Jews with Czechoslovak Roots** Miloslav Rechcigl Jr., 2018-06-19 This is a pioneering comprehensive bibliography of existing publications relating to American Jews with ancestry in the former Czechoslovakia and its successor states the Czech and the Slovak Republics which has never before been attempted Since only a few studies have been written on the subject the present work has been extended to include biobibliography in which area a plethora of papers and monographs exist Consequently this compendium can also be viewed as a comprehensive listing of biographical sources relating to American Jews with the Czechoslovak roots As the reader will find out they have been involved practically in every field of human endeavor in numbers that surprise As for the definition of Jews the present work encompasses not only the individuals that have professed in Judaism but also the descendants of the former Jews who originally lived on the territory of the former Czechoslovakia regardless of the generation or where they were born      *The Routledge Encyclopedia of Jewish Writers of the Twentieth Century* Sorrel Kerbel, 2004-11-23 Now available in paperback for the first time Jewish Writers of the Twentieth Century is both a comprehensive reference resource and a springboard for further study This volume examines canonical Jewish writers less well known authors of Yiddish and Hebrew and emerging Israeli writers includes entries on figures as diverse as Marcel Proust Franz Kafka Tristan Tzara Eugene Ionesco Harold Pinter Tom Stoppard Arthur Miller Saul Bellow Nadine Gordimer and Woody Allen contains introductory essays on Jewish American writing Holocaust literature and memoirs Yiddish writing and Anglo Jewish literature provides a chronology of twentieth century Jewish writers Compiled by expert contributors this book contains over 330 entries on individual authors each consisting of a biography a list of selected publications a scholarly essay on their work and suggestions for further reading      **The Drama of German Expressionism** Claude Hill, Ralph Ley, 2020-05-01 Originally published in 1960 this bibliography with more than five thousand items provided an indispensable tool for those interested in

the German expressionist plays The volume contains a general bibliography on German expressionistic drama and as well as sixteen leading German playwrights Barlach Brecht Bronnen Goering Hasenclever Jahn Johst Kaiser Kokoschka Kornfeld Rubiner Sorge Sternheim Toller Unruh and Werfel

**Czechs Won't Get Lost in the World, Let Alone in America** Miloslav Rechcigl Jr., 2018-05-02 This book features a panorama of the lives of selected personalities whose roots had origin in the Czech lands and who in the US reached extraordinary success and who with their activities substantially influenced the growth and development of their new homeland It is a saga of plain as well as powerful people whose influence and importance often exceeded the borders of the US A great portion of included individuals may be unknown to readers since it concerns persons whose Czech origin was usually not known The book covers the total period from the times of the discovery of New World to the end of the twentieth century During the selection little concern was given to nationalistic or ethnographic criteria the only prerequisite was that the respected individuals were either born on the territory of the Czech lands or were descendants of emigrants from the Czech lands The image on the front cover is a portrait of Augustine Herman Lord of Bohemia Manor the first documented Czech immigrant in the United States The portrait comes from his famous Map of Maryland and Virginia dated 1670 The colorful story of his life would be unbelievable if made into a movie Pioneer merchant explorer surveyor map maker patriot rebel diplomat and finally Lord Read more about him in the book

**Arnold Schoenberg Institute Archives Preliminary Catalog** Arnold Schoenberg Institute, Kathryn P. Glennan, Jerry L. McBride, R. Wayne Shoaf, 1986

**Notable Americans of Czechoslovak Ancestry in Arts and Letters and in Education** Miloslav Rechcigl Jr., 2021-11-02 As pointed out in my last two publications no comprehensive study has been undertaken about the American Learned Men and Women with Czechoslovak roots The aim of this work is to correct this glaring deficiency with the focus on immigration from the period of mass migration and beyond irrespective whether they were born in their European ancestral homes or whether they have descended from them Whereas in the two mentioned monographs the emphasis has been on scholars and social and natural scientists and men and women in medicine applied sciences and engineering respectively the present compendium deals with notable Americans of Czechoslovak ancestry in arts and letters and in education With respect to women although most professional fields were closed to them through much of the nineteenth century the area of arts and letters was opened to them as noted earlier and as this compendium authenticates

**Columbia Dictionary of Modern European Literature** Jean Albert Bédé, William Benbow Edgerton, 1980 With more than 1800 critical entries on the writers and literatures of 33 languages this work presents the entire range of modern European writing from the symbolist and modernist works rooted in the last decades of the nineteenth century through the avant garde and existentialist movement to Barthes Blanchot Breton and continental thought pertinent today

**Marxist Modernism** Gillian Rose, 2024-08-06 Lectures on art Marxism and critical theory by the legendary philosopher collected for the first time with an afterword by Martin Jay Marxist Modernism is a comprehensive yet concise and conversational

introduction to the Frankfurt School It is also a new resource from one of the twentieth century's most important philosophers Gillian Rose Her 1979 lectures on the Frankfurt School explore the lives and philosophies of a range of the school's members and affiliates including Adorno Lukács Brecht Bloch Benjamin and Horkheimer and outline the way each theorist developed Marx's theory of commodity fetishism into a Marxist theory of culture Edited by Robert Lucas Scott and James Gordon Finlayson

**Communism and the Avant-Garde in Weimar Germany** Ben Fowkes, 2022-11-14 How did the revolutionary Left view cultural modernists Their uneasy relationship is illustrated in this book with quotations ranging from Alexander's Dada is merely an impertinence through Trotsky's There cannot be a proletarian culture to Averbakh's Tear off the masks and Becher's There can only be one kind of genuine art fighting art This book covers communist attitudes to the whole field of cultural innovation from the art of the left abstractionists to the literature of the worker correspondent movement and the music of Weill and Eisler through to proletarian film theatre and photography and takes full account of the impact on Weimar left culture of external events such as the First World War the Great Change in the Soviet Union and internal German developments such as the failure of revolution after 1918 and the rise of Nazism Each chapter starts with an introduction that provides a context to the documents and indicates the current state of research

Letters of Rainer Maria Rilke, 1910-1926 Rainer Maria Rilke, 1969-02-17 This volume of Rilke's letters covers the years from the completion of The Notebooks of Malte Laurids Brigge to Rilke's death in December 1926 nearly five years after he had written the Duino Elegies and the Sonnets to Orpheus his last major works There are important letters here to Muzot Lou Andreas Salome to Princess Marie of Thurn and Taxis Hohenlohe and many others The most significant of the Wartime Letters 1914-1921 are also included An Introduction briefly traces the development of Rilke's work during these years the Notes provide the necessary framework of biographical details and point up significant references to the poetry

*Adolf Busch, Aesthetics* Theodor W. Adorno, 2017-11-10 This volume of lectures on aesthetics given by Adorno in the winter semester of 1958-9 formed the foundation for his later Aesthetic Theory widely regarded as one of his greatest works The lectures cover a wide range of topics from an intense analysis of the work of Georg Lukács to a sustained reflection on the theory of aesthetic experience from an examination of works by Plato Kant Hegel Schopenhauer Kierkegaard and Benjamin to a discussion of the latest experiments of John Cage attesting to the virtuosity and breadth of Adorno's engagement All the while Adorno remains deeply connected to his surrounding context offering us a window onto the artistic intellectual and political confrontations that shaped life in post-war Germany This volume will appeal to a broad range of students and scholars in the humanities and social sciences as well as anyone interested in the development of critical theory

*Encyclopedia of Bohemian and Czech-American Biography* Miloslav Rechcigl Jr., 2016-11-10 As the Czech ambassador to the United States H E Petr Gandalovic noted in his foreword to this book that Mla Rechcigl has written a monumental work representing a culmination of his life achievement as a historian of Czech America The Encyclopedia of Bohemian and Czech American Biography is a

unique and unparalleled publication The enormity of this undertaking is reflected in the fact that it covers a universe starting a few decades after the discovery of the New World through the escapades and significant contributions of Bohemian Jesuits and Moravian brethren in the seventeenth and eighteenth centuries the mass migration of the Czechs after the revolutionary year of 1848 and up to the early years of the twentieth century and the influx of refugees from Nazism and communism The encyclopedia has been planned as a representative a comprehensive and authoritative reference tool encompassing over 7 500 biographies This prodigious and unparalleled encyclopedic vade mecum reflecting enduring contributions of notable Americans with Czech roots is not only an invaluable tool for all researchers and students of Czech American history but is also a carte blanche for the Czech Republic which considers Czech Americans as their own and as a part of its magnificent cultural history

*Undertones of Insurrection* Marc Weiner, 2017-09-29 A basic tenet of literary studies is that aesthetic structures are politically significant because they represent an artist's response to the political implications of cultural codes with which the recipient of the modern work is also acquainted This tenet provides the basis for the ideological associations attending the appearance of music in the modern German narrative With his understanding of the arts as involved in often unacknowledged ideological forces within a culture Marc Weiner's *Undertones of Insurrection* bridges the gap between the New Musicology's rewarding infusion of modern cultural and literary theory into the study of music politically insightful examinations of narrative structures in the modern novel and the methodologically conservative area of musical literary relations in Germanic Studies In other words the questions it raises are different from those pursued in most examinations of music and literature because previous works of this kind concerning the literature of German speaking Europe have often disregarded social concerns in general and political issues in particular Ranging from 1900 to *Doctor Faustus* 1947 Weiner study sets the stage by examining public debates that conflated such issues as national identity racism populism the role of the sexes and xenophobia with musical texts In the literary analyses that follow Weiner discusses both obvious connections between music and sociopolitical issues Hesse's equation of jazz and insurrection in *Steppenwolf* and covert ones the suppression of music in *Death in Venice* and the use of politically charged musical subtexts in Werfel's *Verdi* and Schnitzler's *Rhapsody* By uncovering the ideological agendas informing cultural practice in modernist Germany *Undertones of Insurrection* calls for a reevaluation of the function of music in the modern German narrative

**Man from Babel** Eugène Jolas, 1998-01-01 The autobiography of Eugene Jolas available for the first time nearly half a century after his death in 1952 is the story of a man who as the editor of the expatriate American literary magazine *transition* was the first publisher of James Joyce's *Finnegans Wake* and other signal works of the modernist period Jolas's memoir provides often comical and compelling details about such leading modernist figures as Joyce Stein Hemingway Breton and Gide and about the political aesthetic and social concerns of the Surrealists Expressionists and other literary figures during the 1920s and 1930s *Man from Babel* both enriches and challenges our view of international modernism and the historical avant garde Born in New

Jersey of immigrant parents Jolas moved back to France with them at the age of two He grew up in the borderland of Lorraine and later lived in Paris Berlin London and New York where he pursued a career as a journalist and aspiring poet As an American press officer after the war Jolas was actively involved in the denazification of German intellectual life A champion of the international avant garde he continually sought translinguistic transcultural and suprapolitical bridges that would transform Western culture into a unified continuum Compiled and edited from Jolas s drafts and illustrated with contemporary photographs this memoir not only reveals the multicultural concerns of the man from Babel as Jolas saw himself but also illuminates an entire literary and historical era

*Mi Fu* Peter Charles Sturman, 1997-01-01 Mi Fu was a prominent calligrapher in 11th century China This analysis of his work considers content and style and examines his calligraphy within the framework of the artist s life the Northern Song culture in which he lived and the literati theory of art he helped to formulate

## Embracing the Melody of Phrase: An Mental Symphony within **Franz Werfel 18901945**

In a world taken by screens and the ceaseless chatter of instantaneous communication, the melodic splendor and psychological symphony produced by the written word often disappear in to the back ground, eclipsed by the relentless sound and disturbances that permeate our lives. However, situated within the pages of **Franz Werfel 18901945** a marvelous literary prize brimming with natural emotions, lies an immersive symphony waiting to be embraced. Crafted by a wonderful composer of language, that fascinating masterpiece conducts viewers on an emotional trip, skillfully unraveling the hidden songs and profound impact resonating within each carefully constructed phrase. Within the depths of this emotional analysis, we can discover the book is central harmonies, analyze its enthralling publishing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
