meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience [Frederick Chopin As a Man and Musician](#) Frederick Niecks,2014-04-29 This collection of literature attempts to compile many of the classic timeless works that have stood the test of time and offer them at a reduced affordable price in an attractive volume so that everyone can enjoy them **Frederick Chopin, as a Man and Musician; Volume 1 & 2 Complet** Frederick Niecks,2023-09-09 Reproduction of the original The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision [Frederic Chopin As a Man and Musician Vol 1](#) Frederick Niecks,2021-05-06 Book Excerpt ood Karasowski at least an acquaintance if not an intimate friend of the family from whom he derived much information Fetis a contemporary lexicographer and apparently Chopin s family and even Chopin himself did not know the date of the latter s birth Where the character of persons and works of art are concerned nothing is more natural than differences of opinion Bias and inequality of knowledge sufficiently account for them For my reading of the character of George Sand I have been held up as a monster of moral depravity for my daring to question the exactitude of Liszt s biographical facts I have been severely sermonised for my inability to regard Chopin as one of the great composers of songs and continue uninterruptedly in a state of ecstatic admiration I have been told that the publication of my biography of the master is a much to be deplored calamity Of course the moral monster and author of the calamity cannot pretend to be an unbiassed judge in the case but it seems to him t
