ignorance to the out of wedlock description of his son Fred His mother and her husband arrived prior to the end of Fred s teen years to visit with him and inform him he had three half brothers and a half sister since they had married His refusal to say more than hello and not even see the family set the tone to his mother s life as it related to Fred Before Fred finished his teen years the family of his brother and sister escorted by their half sister Penny arrived unannounced and uninvited on his doorstep His shock included his first question to himself What can I do for them Of course he had sympathy for them when he learned of the accidental death of their mother and father His remaining teen years made it necessary for him to find a better paying job in the Ozarks and caused his life to be everything from horrible to misery The way this transforms the children s relationship with Fred Baker and Penny Halloran their half sister is an exciting and educational exhibit of the flying teen years The arrival of the finishing touches to the family includes fake parents nieces nephews grandparents and all of em as one says in the Ozarks The close chase by a panther after their little sister Sue Ann reminds one just how dangerous even a ten year old can be The teen boys needed little help going from the problem of working students to a wonderful loving Christian family

About Fred Elizabeth Rudolph,2012-06-26 About Fred Ghost Dad and the Stalker captivates the readers through the use of humor and sarcasm to describe what life was like when living with an alcoholic spouse The unique title of this book is based on a true account of the author s life which became a living nightmare after being haunted and stalked every day of the week for a decade Elizabeth dreaded leaving or returning home as she found there was nowhere to run and nowhere to hide The author feels this book will relate to others because at some point in all of our lives trouble seeks us out and knocks on our doors Elizabeth s novel aimed to alert women to be more aware of the strange and suspicious actions of men who appear everywhere they go and to not dismiss their behaviors as coincidental The author was vulnerable and unsuspecting of stalking behaviors She now knows they should be taken serious and not lightly The author decided to break her silence by writing this novel after telling a friend what she had experienced during this time period which was far from life s normal events
