Free Frank A Black Pioneer On The Antebellum Frontier:

Free Frank: A Black Pioneer on the Antebellum Frontier Juliet E. K. Walker, *The Free Negro in North Carolina, 1790-1860* John Hope Franklin, 2000-11-09 John Hope Franklin has devoted his professional life to the study of African Americans Originally published in 1943 by UNC Press *The Free Negro in North Carolina 1790 1860* was his first book on the subject As Franklin shows freed slaves in the antebellum South did not enjoy the full rights of citizenship Even in North Carolina reputedly more liberal than most southern states discriminatory laws became so harsh that many voluntarily returned to slavery *As If She Were Free* Erica L. Ball, Tatiana Seijas, Terri L. Snyder, 2020-10-08 *As If She Were Free* brings together the biographies of twenty four women of African descent to reveal how enslaved and recently freed women sought imagined and found freedom from the sixteenth through the nineteenth centuries in the Americas Our biographical approach allows readers to view large social processes migration trade enslavement emancipation through the perspective of individual women moving across the boundaries of slavery and freedom For some women freedom meant liberation and legal protection from slavery while others focused on gaining economic personal political and social rights Rather than simply defining emancipation as a legal status that was conferred by those in authority and framing women as passive recipients of freedom these life stories demonstrate that women were agents of emancipation claiming free status in the courts fighting for liberty and defining and experiencing freedom in a surprising and inspiring range of ways The Good Country Jon K. Lauck, 2022-11-21 At the center of American history is a hole a gap where some scholars indifference or disdain has too long stood in for the true story of the American Midwest A first ever chronicle of the Midwest s formative century *The Good Country* restores this American heartland to its central place in the nation s history Jon K Lauck the premier historian of the region puts midwestern squares center stage an unorthodox approach that leads to surprising conclusions *The American Midwest* in Lauck s cogent account was the most democratically advanced place in the world during the nineteenth century *The Good Country* describes a rich civic culture that prized education literature libraries and the arts developed a stable social order grounded in Victorian norms republican virtue and Christian teachings and generally put democratic ideals into practice to a greater extent than any nation to date The outbreak of the Civil War and the fight against the slaveholding South only deepened the Midwest s dedication to advancing a democratic culture and solidified its regional identity The good country was of course not the perfect country and Lauck devotes a chapter to the question of race in the Midwest finding early examples of overt racism but also discovering a steady march toward racial progress He also finds many instances of modest reforms enacted through the democratic process and designed to address particular social problems as well as significant advances for women who were active in civic affairs and took advantage of the Midwest s openness to women in higher education Lauck reaches his conclusions through a measured analysis that weighs historical achievements and injustices rejects the acrimonious tones of the culture wars and seeks a new historical discourse grounded in fair readings of

the American past In a trying time of contested politics and culture his book locates a middle ground fittingly in the center of the country

The Making of "Mammy Pleasant" Lynn Maria Hudson, 2003 Pleasant's legacy is steeped in scandal and lore Was she a voodoo queen who traded in sexual secrets A madam A murderer In *The Making of Mammy Pleasant* Lynn M Hudson examines the folklore of this remarkable woman's real and imagined powers

Black Firsts Jessie Carney Smith, 2021-01-01 A celebration of achievement accomplishments and pride The first African American president U S senator and the first black lawyer in the Department of Education The first black chairman of the U S Joint Chiefs of Staff and the first African American commissioned officer in the Marine Corps The first black professors in a variety of fields The first African American advertising agency The first African American Olympian The first black pilot for a scheduled commercial airline The first recorded slave revolt in North America The first African American cookbook writer Revel and rejoice in the renowned and lesser known barrier breaking trailblazers in all fields arts entertainment business civil rights education government invention journalism religion science sports music and more *Black Firsts 500 Years of Trailblazing Achievements and Ground Breaking Events Fourth Edition* bears witness to the long and complex history of African Americans Expanded updated and revised for the first time in over eight years *Black Firsts* collects more than 500 all new achievements and previously unearthed firsts This massive tome proves that African American accomplishments are wide ranging and ongoing documenting thousands of personal victories and triumphs

solar system 1977 Chuck Berry s song Johnny B Goode and Blind Willie Johnson s Dark Was the Night Cold Was the Ground on Voyager I What famous inventor and agronomist has a national monument named after him in Diamond Missouri 1960 George Washington Carver What movie featured the first black female lead in a Disney animated feature 2009 The Princess and the Frog starred Anika Noni Rose Who was the first black American to win a gold medal in the women s all around final competition 2012 Gabrielle Gabby Christina Victoria Douglas Who were the Tuskegee Airmen and why are they so famous 1941 The U S Congress established the first combat unit for blacks in the Army Air Corps with a training facility for black airmen known as the Tuskegee Airmen located at Tuskegee Institute Alabama Who participated in the first armed encounter of the American Revolution and later became the first black to receive an honorary master s degree Lemuel Haynes Who was the author of a book of poetry that won the first Pulitzer Prize awarded to a black American 1950 Gwendolyn Brooks for Annie Allen What was the first black record company Pace Phonograph Company established 1921 by Henry Pace Who was the black hero who sacrificed himself at the Boston Massacre an event that would help inspire the American Revolution 1770 Crispus Attucks Who was the first black entertainer to host his own talk show on national television 1989 Arsenio Hall Who was the first African American to lead the NASA space program 2009 Charles Frank Bolden Jr Who was the first black American to win the Nobel Peace Prize 1944 Ralph Johnson Bunche Who was the first black American athlete to win an Olympic gold medal 1908 John Baxter Doc Taylor Jr winner of the 4 X 400 meter relay in London Which inventor had the first patent granted an African American 1872 Elijah McCoy Who was the first African American to win a Grammy Award 1959 Count William Basie Who is thought to be the United States first black millionaire 1890 Thomy Lafon New Orleans real estate speculator and moneylender Who was the first black named Association of College and Research Librarian of the Year 1985 Jessie Carney Smith Which black first sang a principal role with the Metropolitan Opera 1955 Marian Anderson When was the first black judge appointed to the U S Court of Appeals 1966 Spottswood Robinson Which black artist was the first to be featured in a solo exhibit at New York s Museum of Modern Art 1937 William Edmondson When was the first black mayor of Dallas elected 1995 Ron Kirk Who was the first elected black chairman of Republican National Convention 1884 John Roy Lynch Who was the first known black to graduate from an American college 1823 Alexander Lucius Twilight received a bachelor s degree from Middlebury College in Vermont With more than 350 photos and illustrations this information rich book also includes a helpful bibliography and an extensive index adding to its usefulness This vital collection will appeal to anyone interested in America s amazing history and resilient people *Bluegrass Renaissance* James C. Klotter, Daniel Rowland, 2012-08-31 Originally established in 1775 the town of Lexington Kentucky grew quickly into a national cultural center amongst the rolling green hills of the Bluegrass Region Nicknamed the Athens of the West Lexington and the surrounding area became a leader in higher education visual arts architecture and music and the center of the horse breeding and racing industries The national impact of the Bluegrass was further confirmed by prominent Kentucky figures

such as Henry Clay and John C Breckinridge *Bluegrass Renaissance The History and Culture of Central Kentucky 1792 1852* chronicles Lexington's development as one of the most important educational and cultural centers in America during the first half of the nineteenth century Editors Daniel Rowland and James C Klotter gather leading scholars to examine the successes and failures of Central Kentuckians from statehood to the death of Henry Clay in an investigation of the area's cultural and economic development and national influence *Bluegrass Renaissance* is an interdisciplinary study of the evolution of Lexington's status as antebellum Kentucky's cultural metropolis *Fatal Self-Deception* Eugene D. Genovese, Elizabeth Fox-Genovese, 2011-10-24 Slaveholders were preoccupied with presenting slavery as a benign paternalistic institution in which the planter took care of his family and slaves were content with their fate In this book Eugene D Genovese and Elizabeth Fox Genovese discuss how slaveholders perpetuated and rationalized this romanticized version of life on the plantation Slaveholders paternalism had little to do with ostensible benevolence kindness and good cheer It grew out of the necessity to discipline and morally justify a system of exploitation At the same time this book also advocates the examination of masters relations with white plantation laborers and servants a largely unstudied subject Southerners drew on the work of British and European socialists to conclude that all labor white and black suffered de facto slavery and they championed the South's Christian slavery as the most humane and compassionate of social systems ancient and modern **A History of Blacks in Kentucky** Marion Brunson Lucas, 2003-06-01 *A History of Blacks in Kentucky* traces the role of blacks from the early exploration and settlement of Kentucky to 1891 when African Americans gained freedom only to be faced with a segregated society Making extensive use of numerous primary sources such as slave diaries Freedmen's Bureau records church minutes and collections of personal papers the book tells the stories of individuals their triumphs and tragedies and their accomplishments in the face of adversity Race and Rights Dana Elizabeth Weiner, 2013-01-15 In the Old Northwest from 1830 to 1870 a bold set of activists battled slavery and racial prejudice This book is about their expansive efforts to eradicate southern slavery and its local influence in the contentious milieu of four new states carved out of the Northwest Territory Illinois Indiana Michigan and Ohio While the Northwest Ordinance outlawed slavery in the region in 1787 in reality both it and racism continued to exert strong influence in the Old Northwest as seen in the race based limitations of civil liberties there Indeed these states comprised the central battleground over race and rights in antebellum America in a time when race's social meaning was deeply infused into all aspects of Americans lives and when people struggled to establish political consensus Antislavery and anti prejudice activists from a range of institutional bases crossed racial lines as they battled to expand African American rights in this region Whether they were antislavery lecturers journalists or African American leaders of the Black Convention Movement women or men they formed associations wrote publicly to denounce their local racial climate and gave controversial lectures In the process they discovered that they had to fight for their own right to advocate for others This bracing new history by Dana Elizabeth Weiner is thus not only a history of activism but also

a history of how Old Northwest reformers understood the law and shaped new conceptions of justice and civil liberties The newest addition to the Mellon sponsored Early American Places Series Race and Rights will be a much welcomed contribution to the study of race and social activism in nineteenth century America Black Chicago's First Century Christopher Robert Reed, 2005-07-25 In Black Chicago's First Century Christopher Robert Reed provides the first comprehensive study of an African American population in a nineteenth century northern city beyond the eastern seaboard Reed's study covers the first one hundred years of African American settlement and achievements in the Windy City encompassing a range of activities and events that span the antebellum Civil War Reconstruction and post Reconstruction periods The author takes us from a time when black Chicago provided both workers and soldiers for the Union cause to the ensuing decades that saw the rise and development of a stratified class structure and growth in employment politics and culture Just as the city was transformed in its first century of existence so were its black inhabitants Methodologically relying on the federal pension records of Civil War soldiers at the National Archives as well as previously neglected photographic evidence manuscripts contemporary newspapers and secondary sources Reed captures the lives of Chicago's vast army of ordinary black men and women He places black Chicagoans within the context of northern urban history providing a better understanding of the similarities and differences among them We learn of the conditions African Americans faced before and after Emancipation We learn how the black community changed and developed over time we learn how these people endured how they educated their children how they worked organized and played Black Chicago's First Century is a balanced and coherent work Anyone with an interest in urban history or African American studies will find much value in this book A Shared Experience Laura Mccall, Donald Yacovone, 1998-08 Only by focusing on the similarities as well as the differences in the lives of men and women can we achieve a fully representative portrait However shared experiences and complementary lives of men and women have rarely been considered in historical inquiry This important new anthology reflecting recent trends in the history of men and women calls for the reintegration of the study of gender **Southern Seed, Northern Soil** Stephen A. Vincent, 1999 He analyzes the founders backgrounds as a distinctive free people of color in the Old South the migration that culminated in the communities successful beginnings the settlements transformations through the pioneer and Civil War eras and the increasing transition to commercial farming in the late nineteenth century Southern Seed Northern Soil is based on source materials including census manuscripts land deeds probate records family letters and newspapers **BOOK JACKET** *Encyclopedia of Antislavery and Abolition* Peter Hinks, John McKivigan, 2006-11-30 The emergence of a sophisticated antislavery ideology and the rise of organized opposition to slavery in the Atlantic World in the eighteenth and nineteenth centuries represented nothing less than one of the great intellectual and social revolutions in the history of the world An institution which by the early eighteenth century was near axiomatically accepted as necessary useful and thoroughly in accord with Judaeo Christian tenets and virtues and which profoundly informed the lives of millions of people

had by the mid nineteenth century come increasingly to be viewed as the chief vector of evil and the Devil in the world the very quintessence of evil as some called it and the chief repository of all that was socially politically and especially economically archaic and stagnant This encyclopedia is organized around three principal concerns the illustration and explication of the various forms of antislavery and its emergence as an organized movement the immediate precipitants of abolition and the processes of its passage and the enactment of emancipation and its consequences While the earliest expressions of antislavery may have only comprised one or a few isolated voices the antislavery most commonly reviewed here is that animated by a systematic and ardent opposition to slavery and intended to mobilize large numbers of people to attack and end the institution A wide variety of people and organizations nurtured and extended this antislavery religious figures political economists slaves sailors artisans missionaries planters captains of slave ships democratic enthusiasts and others were all involved along with the various organizations secular religious or otherwise with which they were associated Antislavery was by no means exclusively or even principally the work of an intellectual elite and the force of all from the lowly and unlearned to the privileged and prominent is represented The presence of slavery continued to be attacked in the contracting Ottoman Empire in the early twentieth century in Liberia in the 1930s in Saudi Arabia in the mid twentieth century and even in the latter years of the century in countries like Sudan Pakistan India and others in Southeast Asia The entries have a worldwide focus covering antislavery movements and important developments in slavery abolition and slave emancipation in many places around the globe Other entries cover individuals groups events documents and organizations related to the history of abolition and emancipation over the last two centuries Coverage also address a wide range of topics issues and ideas related to the broad topic of ending historical systems of slavery and human bondage Besides over 400 cross referenced entries most of which conclude with lists of additional readings the encyclopedia also includes an Introduction tracing the history of abolition and emancipation a selected general bibliography a guide to related topics numerous illustrations and a detailed subject index

The African American Experience Arvarh E. Strickland, Robert E. Weems Jr., 2000-11-30 Compared to the early decades of the 20th century when scholarly writing on African Americans was limited to a few titles on slavery Reconstruction and African American migration the last thirty years have witnessed an explosion of works on the African American experience With the Civil Rights and Black Power movements of the 1960s came an increasing demand for the study and teaching of African American history followed by the publication of increasing numbers of titles on African American life and history This volume provides a comprehensive bibliographical and analytical guide to this growing body of literature as well as an analysis of how the study of African Americans has changed

The Negro Leagues, 1869-1960 Leslie A. Heaphy, 2015-03-13 At his induction into the Baseball Hall of Fame former Negro League player Buck Leonard said Now we in the Negro Leagues felt like we were contributing something to baseball too when we were playing We loved the game But we thought that we should have and could have made the major leagues The Negro

Leagues had some of the best talent in baseball but from their earliest days the players were segregated from those leagues that received all the recognition This history of the Negro Leagues begins with the second half of the 19th century and the early attempts by African American players to be allowed to play with white teammates and progresses through the Gentleman s Agreement in the 1890s which kept baseball segregated The establishment of the first successful Negro League in 1920 is covered and various aspects of the game for the players discussed lodgings travel accommodations families difficulties because of race off season jobs play and life in Latin America In 1960 the Birmingham Black Barons went out of business and took the Negro Leagues with them There are many stories of individual players owners umpires and others involved with the Negro Leagues in the U S and Latin America along with photos appendices notes bibliography and index

Placing the South Michael O'Brien, 2007 *Placing the South* offers a selection of work published between 1985 and 2005 by one of the most incisive historians and literary critics of the South The pieces seek to situate the South in a variety of contexts and offer a compelling defense of what Kwame Anthony Appiah has called rooted cosmopolitanism This is a mode of understanding based on respect for what is local and an awareness that regionalism is not enough Hybridity in both culture and literature is inescapable and desirable The first section of the book *Placing* contains three comparative analyses that look at how regionalism has recently been conceptualized globally how the modern South has acquired pertinence for those outside the United States and how the relationship between Britain and the South has worked The second section *Ideologies* scrutinizes political ideas freedom imperialism nationalism racial ideology which have transformed American discourse The third section *Forms* examines genre and how the South has been constructed and reconstructed by such literary forms as autobiography biography history and literary history The final section *Writers* contains critical appreciations of political thinkers novelists poets critics historians and sociologists important to southern intellectual life Taken together the essays offer a robust analysis of a dynamic region Michael O'Brien is professor of American intellectual history at University of Cambridge and a fellow at Jesus College He is the author of *Conjectures of Order Intellectual Life and the American South 1810 1860* and other books

Ohio Andrew Robert Lee Cayton, 2002 As the state of Ohio prepares to celebrate its bicentennial in 2003 Andrew R L Cayton offers an account of ways in which diverse citizens have woven its history *Ohio The History of a People* centers around the many stories Ohioans have told about life in their state The founders of Ohio in 1803 believed that its success would depend on the development of a public culture that emphasized what its citizens had in common with each other But for two centuries the remarkably diverse inhabitants of Ohio have repeatedly asserted their own ideas about how they and their children should lead their lives The state s public culture has consisted of many voices sometimes in conflict with each other Using memoirs diaries letters novels and paintings Cayton writes Ohio s history as a collective biography of its citizens Ohio he argues lies at the intersection of the stories of James Rhodes and Toni Morrison Charles Ruthenberg and Lucy Webb Hayes Carl Stokes and Alice Cary Sherwood Anderson and Pete Rose It lies in the tales

of German Jews in Cincinnati Italian and Polish immigrants in Cleveland Southern blacks and white Appalachians in Youngstown Ohio is the mingled voices of farm families steelworkers ministers writers schoolteachers reformers and football coaches Ohio in short is whatever its citizens have imagined it to be **Abolition and Antislavery** Peter Hinks, John McKivigan, 2015-07-14 The clearly and concisely written entries in this reference work chronicle the campaign to end human slavery in the United States bringing to life the key events leading figures and socioeconomic forces in the history of American antislavery abolition and emancipation The struggle to abolish human slavery is one of the most important reform campaigns in history The eventual success of this decades long struggle serves as an inspiring example that even the most deeply rooted social wrongs can be corrected This valuable reference work details the history of antislavery abolition and emancipation to illustrate the various forms of these forces and the courses they followed in the bitterly contested struggle against the institution of slavery affording readers the most current compendium of the diverse scholarship of this important historical topic Geared toward readers seeking to learn about antislavery and abolition in U S or African American history **Abolition and Antislavery A Historical Encyclopedia of the American Mosaic** addresses a period of particular significance the years that shaped the sectional debates leading up to the Civil War The coverage encompasses both white abolitionists such as Theodore Dwight Weld and William Lloyd Garrison and black abolitionists such as Frederick Douglass Martin Delaney and Sojourner Truth Each alphabetically organized entry contains cross references as See Also at the end of each entry text An introductory essay ensures that all readers have a clear framework for understanding the subject regardless of their previous background knowledge *Many Voices, One Nation* Margaret Salazar-Porzio, Joan Fragaszy Troyano, Lauren Safranek, 2017-05-30 *Many Voices One Nation* explores U S history through a powerful collection of artifacts and stories from America s many peoples Sixteen essays composed by Smithsonian curators and affiliated scholars offer distinctive insight into the peopling of the United States from the Europeans North American arrival in 1492 to the near present Each chapter addresses a different historical era and considers what quintessentially American ideals like freedom equality and belonging have meant to Americans of all backgrounds races and national origins through the centuries Much more than just an anthology this book is a vibrant cohesive presentation of everyday objects and ideas that connect us to our history and to one another Using these objects and personal stories as a transmitter the book invites readers to hear the voices of our many voices and contemplate the complexity of our one nation The stories and artifacts included in this volume bring our seemingly disparate pasts together to inspire possibilities for a shared future as we constantly reinterpret our e pluribus unum our nation of many voices

Free Frank A Black Pioneer On The Antebellum Frontier Book Review: Unveiling the Magic of Language
