Verkler, 1993 **Archival Reflections** Santiago Juan-Navarro, 2000 Due to its scope and perspective this work has a relevance that extends far beyond the conventional bounds of literary studies Concerned as it is with issues of historical understanding culture and politics it has implications for the literary histories of Spanish America and the United States as well as for the fields of inter American and cultural studies literary theory and historiography **BOOK JACKET** **Contemporary American Literature and Excremental Culture** Mary C. Foltz, 2020-10-08 Contemporary American Literature and Excremental Culture American Sh t analyzes post 1960 scatological novels that utilize representations of human waste to address pressing issues including pollution of waterways environmental racism and militarism Primarily examining postmodern parody the book shows the value of aesthetic renderings of sanitary engineering for composting ideologies that fuel a ruinous impact on the world Drawing on late twentieth century psychoanalytic thinkers Norman O Brown Frantz Fanon and Leo Bersani American Sh t shows the continued relevance of psychoanalytic interpretations of contemporary fiction for understanding post 45 authors engagement with waste Ultimately the monograph reveals how novelists Ishmael Reed Jonathan Franzen Gloria Naylor Don DeLillo and Samuel R Delany critique subjects who abnegate their status as waste producing beings and bring readers back to embrace Winner of the 2019 Northeast Modern Language Association Book Award for Literary Criticism of English Language Literature *American Literature in Transition, 1990-2000* Stephen J. Burn, 2017-12-28 Written in the shadow of the approaching millennium American literature in the 1990s was beset by bleak announcements of the end of books the end of postmodernism and even the end of literature Yet as conservative critics marked the century s twilight hours by launching elegies for the conventional canon American writers proved the continuing vitality of their literature by reinvigorating inherited forms by adopting and adapting emerging technologies to narrative ends and by finding new voices that had remained outside that canon for too long By reading 1990s literature in a sequence of shifting contexts from independent presses to the AIDS crisis and from angelology to virtual reality American Literature in Transition 1990 2000 provides the fullest map yet of the changing shape of a rich and diverse decade s literary production It offers new perspectives on the period s well known landmarks Toni Morrison Thomas Pynchon David Foster Wallace but also overdue recognition to writers such as Ana Castillo Evan Dara Steve Erickson and Carole Maso [The Cambridge Companion to Contemporary African American Literature](#) Yogita Goyal, 2023-12-21 This book provides a systematic and vibrant account of the range and achievements of contemporary Black writers *Jubilee Hitchhiker* William Hjortsberg, 2012-04-01 Confident and robust Jubilee Hitchhiker is an comprehensive biography of late novelist and poet Richard Brautigan author of Troutfishing in America and A Confederate General from Big Sur among many others When Brautigan took his own life in September of

1984 his close friends and network of artists and writers were devastated though not entirely surprised To many Brautigan was shrouded in enigma erratic and unpredictable in his habits and presentation But his career was formidable an inspiration to young writers like Hjortsberg trying to get their start Brautigan s career wove its way through both the Beat influenced San Francisco Renaissance in the 1950s and the Flower Power hippie movement of the 1960s while he never claimed direct artistic involvement with either period Jubilee Hitchhiker also delves deeply into the spirited times in which he lived As Hjortsberg guides us through his search to uncover Brautigan as a man the reader is pulled deeply into the writer s world Ultimately this is a work that seeks to connect the Brautigan known to his fans with the man who ended his life so abruptly in 1984 while revealing the close ties between his writing and the actual events of his life Part history part biography and part memoir this etches the portrait of a man destroyed by his genius

Blues City Ishmael Reed,2007-12-18 Oakland is a blues city brawling and husky Often overshadowed by San Francisco its twinkling sister city across the Bay Oakland is itself an American wonder The city is surrounded by and filled with natural beauty mountains and hills and lakes and a bay and architecture that mirrors its history as a Spanish mission Gold Rush outpost and home of the West s most devious robber barons It s also a city of artists and blue collar workers the birthplace of the Black Panthers neighbor to Berkeley and home to a vibrant and volatile stew of immigrants and refugees In Blues City Ishmael Reed one of our most brilliant essayists takes us on a tour of Oakland exploring its fascinating history its beautiful hills and waterfronts and its odd cultural juxtapositions He takes us into a year in the life of this amazing city to black cowboy parades and Indian powwows to Black Panther reunions and Gay Pride concerts to a Japanese jazz club where a Lakota musician plays Coltrane s Naima Reed provides a fascinating tour of an untamed unruly western outpost set against the backdrop of political intrigues ethnic rivalries and a gentrification obsessed mayor opening our eyes not only to a singular city but to a newly emerging America

Lesbian Texts and Contexts Karla Jay,Joanne Glasgow,1990-06 Lesbian writers include some of the most innovative and adventurous writers of this century but only recently have they been given their due attention in terms of critical study This book is the first anthology to discuss the subject of lesbianism as it relates to the critical interaction among readers writers and literary critics It explores lesbian texts in terms of identification meaning and interpretation and examines the complex entanglements of identity voice intersubjectivity textualities and sexualities A wonderful exploration of the varieties of life choices lesbians can and do make This book once again proves that telling the truth about yourself is a revolutionary act Rita Mae Brown They will probably drum Karla Jay and Joanne Glasgow out of the academy for this one A college text that is witty literate interesting and can be read for fun What s the world coming to Lesbian Texts and Contexts dry title wonderful book Barbara Grier Editor Naiad Press To call this collection much needed or eagerly awaited would be the understatement of the year It s thrilling ot think of the new readings of classic texts the new directions for theory and maybe best of all the new range of literary encounters in the classroom that will be enabled by this radical intervention on the critical scene Eve Kosofsky Sedgwick Duke University Excellent challenging sexy never boring Outweek The Stepmother Tongue John Skinner,1998-09-18 There are numerous twentieth century writers in English who are not technically native speakers of the language and whose relation to it is ambivalent problematic or even hostile by a simple kinship analogy one may often speak of the stepmother tongue Whilst fully aware of the current debates in postcolonial theory John Skinner is also conscious of its sometimes unhelpful complexities and contradictions The focus of this study is thus firmly on the fictional practice of the writers discussed He offers the reader an insight into the diversity and rewards of contemporary anglophone fiction whilst analysing some eighty individual texts A uniquely comprehensive guide the book will be welcomed by students and teachers of postcolonial literature Encyclopedia of American Humorists Steven H. Gale,2016-04-14 First published in 1988 this book contains entries on famous American Humorists Humor has been present in American literature from the beginning and has developed characteristics that reflect the American character both regional and national Although American literature was in the past treated as inferior to British literature there has always

been a large popular audience for the genre which this book shows The figures with entries in this encyclopedia not only amuse in their writing but also aim to enlighten setting out to expose the foibles and foolishness of society and the individuals who compose it It is the manner in which these authors try to accomplish this end that determines whether they appear in the volume Indeed the book will demonstrate that the best humor has at its base a ready understanding of human nature
