**The Global Experience: Readings in world history to 1500** Philip F. Riley,1998      Focus on World History Kathy Sammis,2002-09      **The Global Experience: Readings in world history to 1550** Philip F. Riley,2006 For courses in World History World Civilization and World Culture Also appropriate as a supplemental text in Asian History courses and European History courses This integrated global collection of primary source documents illustrates the variety of experiences on the part of men and women who have made history and is designed with introductions and questions to make main points clear to students Organized chronologically and focusing on global themes it includes excerpts from both classic texts and less familiar but equally illustrative material      The Global Experience: Readings in world history since 1500 Philip F. Riley,1992      **World Civilizations** Peter N. Stearns,1999-10 The primary goal of World Civilizations The Global Experience Third Edition is to present a truly global history one that both discusses the development of the world s leading civilizations and also emphasizes the major stages in the interactions among different peoples and societies The book examines all the world s civilizations including those in the Western tradition but also those civilizations sometimes neglected in world history texts for example the nomadic societies of Asia Latin America and the nations and states of the Pacific Rim World Civilizations balances this discussion of independent developments in all the world s major civilizations with comparative analysis of the results of international contact MARKET Appropriate for anyone interested in World History      *Monarchies 1000-2000* W. M. Spellman,2004-04-01 *Monarchies 1000 2000* surveys a form of government whose legitimacy rests not on voluntary consensus but on age old custom heredity and or religious sanction Global in scope and comparative in approach W M Spellman s survey establishes connections between monarchy as idea and practice in a variety of historical and cultural contexts across a millennium when the system was without serious rival Spellman examines the intellectual assumptions behind different models of monarchy tracing the ways in which each of these assumptions shifted in response to historical factors While no human institution has retreated as rapidly in the modern period monarchy s remarkable longevity invites us to weigh the significance of hierarchy subordination and dependence as constants of the human experience      *The Global Experience: Readings in world history to 1550* Philip F. Riley,2002      *The Global Experience: Readings in world history since 1550* Philip F. Riley,2006 For courses in World History This integrated global collection of primary source documents illustrates the variety of experiences on the part of men and women who have made history and is designed through careful editing and with introductions and questions to make main points clear to students Organized chronologically and focusing on global themes it includes excerpts from both classic texts and less familiar but equally illustrative material
