Laurie Berg

Globalizing Democracy And Human Rights:

Globalizing Democracy and Human Rights Carol C. Gould, 2004-08-02 In her new book Carol Gould addresses the fundamental issue of democratizing globalization that is to say of finding ways to open transnational institutions and communities to democratic participation by those widely affected by their decisions The book develops a framework for expanding participation in crossborder decisions arguing for a broader understanding of human rights and introducing a new role for the ideas of care and solidarity at a distance Accessibly written with a minimum of technical jargon this is a major new contribution to political philosophy Globalizing Democracy and Human Rights Carol C. Gould, 2004

Philosophical Foundations of Human Rights Rowan Cruft, S. Matthew Liao, Massimo Renzo, 2015-04-30 What makes something a human right What is the relationship between the moral foundations of human rights and human rights law What are the difficulties of appealing to human rights This book offers the first comprehensive survey of current thinking on the philosophical foundations of human rights Divided into four parts this book focuses firstly on the moral grounds of human rights for example in our dignity agency interests or needs Secondly it looks at the implications that different moral perspectives on human rights bear for human rights law and politics Thirdly it discusses specific and topical human rights including freedom of expression and religion security health and more controversial rights such as a human right to subsistence The final part discusses nuanced critical and reformative views on human rights from feminist Kantian and relativist perspectives among others The essays represent new and canonical research by leading scholars in the field Each section is structured as a set of essays and replies offering a comprehensive analysis of different positions within the debate in question The introduction from the editors will guide researchers and students navigating the diversity of views on the philosophical foundations of human rights *Reframing the Intercultural Dialogue on Human Rights* Jeffrey Flynn, 2013-11-26 In this book Flynn stresses the vital role of intercultural dialogue in developing a non ethnocentric conception of human rights He argues that Jürgen Habermas's discourse theory provides both the best framework for such dialogue and a much needed middle path between philosophical approaches that derive human rights from a single foundational source and those that support multiple foundations for human rights Charles Taylor John Rawls and various Rawlsians By analyzing the historical and political context for debates over the compatibility of human rights with Christianity Islam and Asian Values Flynn develops a philosophical approach that is continuous with and a critical reflection on the intercultural dialogue on human rights He reframes the dialogue by situating it in relation to the globalization of modern institutions and by arguing that such dialogue must address issues like the legacy of colonialism and global inequality while also being attuned to actual political struggles for human rights The Oxford Handbook of Business Ethics George G. Brenkert, Tom L. Beauchamp, 2012-04-19 The Oxford Handbook of Business Ethics is a comprehensive treatment of the field of business ethics as seen from a philosophical approach The volume consists of 24 essays that survey the field of

business ethics in a broad and accessible manner covering all major topics about the relationship between ethical theory and business ethics

Collective Identity, Oppression, and the Right to Self-ascription Andrew J. Pierce, 2012 *Collective Identity Oppression and the Right to Self Ascription* argues that groups have an irreducibly collective right to determine the meaning of their shared group identity and that such a right is especially important for historically oppressed groups The author specifies this right by way of a modified discourse ethic demonstrating that it can provide the foundation for a conception of identity politics that avoids many of its usual pitfalls The focus throughout is on racial identity which provides a test case for the theory That is it investigates what it would mean for racial identities to be self ascribed rather than imposed establishing the possible role racial identity might play in a just society The book thus makes a unique contribution to both the field of critical theory which has been woefully silent on issues of race and to race theory which often either presumes that a just society would be a raceless society or focuses primarily on understanding existing racial inequalities in the manner typical of so called non ideal theory

The Ashgate Research Companion to Ethics and International Relations Patrick Hayden, 2016-04-01 While skepticism about the role of moral considerations in international politics has been influential within the discipline of international relations IR those writing on topics such as war peace rights and trade up until the twentieth century took seriously the importance of ethical values and moral debates The 1990s and 2000s have seen a substantial growth of attention to the ways in which IR conceives and analyzes themes of an ethical nature and how issues problems and policies involving ethics are addressed by a variety of actors within the international system This indispensable research companion widens the perspective from ethics and international relations to ethics in international relations redressing the mis perception that ethical concepts principles norms and rules are not in part constitutive of the international system and the agents acting within that system Necessarily cross disciplinary expertise is drawn from IR and also philosophy political theory religious studies history and law making this an ideal volume for any library reference collection

The Routledge Companion to Social and Political Philosophy Gerald Gaus, Fred D'Agostino, Ryan Muldoon, 2024-11-26 *The Routledge Companion to Social and Political Philosophy* Second Edition is a comprehensive definitive reference work providing an up to date survey of the field charting its history and key figures and movements and addressing enduring questions as well as contemporary research Features unique to the Companion are as follows Extensive coverage of the history of social and political thought including separate chapters on the development of political thought in the Islamic world India and China as well as in modern Germany France and Britain A focus on the core concepts and the normative foundations of social and political theory A section devoted exclusively to distributive justice the central issue of political philosophy since Rawls Theory of Justice Several chapters on global justice and international issues The Companion s 74 commissioned chapters by leading scholars from throughout the world are divided into eight thematic sections The History of Social and Political Theory Political Theories and Ideologies Normative Foundations Distributive Justice The

National State and Beyond Political Concepts Approaches and Issues in Social and Political Philosophy Expanded updated and revised throughout this Second Edition includes new chapters on Politics Philosophy and Economics PPE Political Epistemology Race and Ethnicity Power Foucault and New Diversity Theory The Cosmopolitan Ideal Sybille De La Rosa, Darren O'Byrne, 2015-05-28 Cosmopolitanism has resurfaced as a prominent perspective within philosophy and the social sciences Its critics though suggest that contemporary cosmopolitanism is abstract and ultimately meaningless or that it is the globalized expression of a very European and modern ideal This book aims to develop a new cosmopolitanism one that is critical inclusive and relevant for the twenty first century The first section considers why we should behave as cosmopolitans at all why do we owe some concept of justice to those who are suffering some form of injustice around the world The book then moves beyond normative debates using empirical studies on practical concerns to explore the ways in which we can break with traditional structures practices and power inequalities that have been based on disregard and subordination Extending the scope of cosmopolitanism to incorporate issues such as gender asylum and identity to draw on non Western as well as Western influences the book re conceptualizes terms like democracy refuge and representation in order to develop more inclusive and cosmopolitan understandings of them **Between Cosmopolitan Ideals and State Sovereignty** R. Tinnevelt, G. Verschraegen, 2006-10-26 Between Cosmopolitan Ideals and State Sovereignty explores how philosophers and political theorists have recast principles of justice and human rights in the light of challenges posed by globalization It discusses ethical issues that arise at a global level and considers whether human rights and sovereignty can ever be reconciled Global Justice and International Economic Law Chi Carmody, Frank J. Garcia, John Linarelli, 2012-01-09 Since the beginnings of the GATT and the Bretton Woods institutions and on to the creation of the WTO states have continued to develop institutions and legal infrastructure to promote global interdependence International lawyers are experts in understanding how these institutions operate in practice but they tend to uncritically accept comparative advantage as the principal normative criterion to justify these institutions In contrast moral and political philosophers have developed accounts of global justice but these accounts have had relatively little influence on international legal scholarship and on institutional design This volume reflects the results of a symposium held at Tillar House the American Society of International Law headquarters in Washington DC in November 2008 which brought together philosophers legal scholars and economists to discuss the problems of understanding international economic law from the standpoints of rights and justice in particular from the standpoint of distributive justice **Reconsidering C.B. MacPherson** Phillip Hansen, 2016-01-28 C B Macpherson occupies an ambiguous place in contemporary political thought Though his work is well known it remains on the margins of current democratic theory That marginalization Phillip Hansen argues comes from our failure to appreciate the underlying philosophical dimension of Macpherson s work Identifying and exploring Macpherson s systematic critique of the liberal claim that the individual is the proprietor of his own person or capacities owing nothing to

society for them Reconsidering C B Macpherson highlights his affinities to Herbert Marcuse Max Horkheimer and the Frankfurt School This stimulating reappraisal illustrates the importance of Macpherson s classic books including The Political Theory of Possessive Individualism and Democratic Theory and demonstrates how much his work has to offer to the future of political and social thought

Contemporary Debates in Political Philosophy Thomas Christiano, John Christman, 2009-03-30 This collection of 24 essays written by eminent philosophers and political theorists brings together fresh debates on some of the most fundamental questions in contemporary political philosophy including human rights equality constitutionalism the value of democracy identity and political neutrality Presents fresh debates on six of the fundamental questions in contemporary political philosophy Each question is treated by a pair of opposing essays written by eminent scholars Lively debate format sharply defines the issues invites the reader to participate in the exchange of arguments and paves the way for further discussion Will serve as an accessible introduction to the major topics in political philosophy whilst also capturing the imagination of professional philosophers Offers the unique opportunity to observe leading philosophers engaging in head to head debate

Divided Sovereignty Carmen E. Pavel, 2015 An exploration of new institutional solutions to the old question of how to constrain states when they commit severe abuses against their own citizens The book argues that coercive international institutions can stop these abuses and act as an insurance scheme against the possibility of states failing to fulfill their most basic sovereign responsibilities

Politics and Cosmopolitanism in a Global Age Sonika Gupta, Sudarsan Padmanabhan, 2017-09-19 This book offers a unique reconceptualization of cosmopolitanism It examines several themes that inform politics in a globalized era including global governance international law citizenship constitutionalism community domesticity territory sovereignty and nationalism The volume explores the specific philosophical and institutional challenges in constructing a cosmopolitan political community beyond the nation state It reorients and decolonizes the boundaries of cosmopolitanism and questions the contemporary discourse to posit inclusive alternatives Presenting rich and diverse perspectives from across the world the volume will interest scholars and students of politics and international relations political theory public policy ethics and philosophy

SOCRATES Puja Chakraberty, 0000000000000000, Reza Heidarizadi, Meenakshi Gogoi, Dr. Eleni Xilakis, Shreyasi Ghosh, Dr. Priti Pohekar, Aynul Haque, Dr. Naveeda Seher, Priyadarshini Sen, Sanjeev Lalhotra, Prof. B.C Sharma, Ms. Ramandeep Kour, Md. Ruhul Amin, Mohammed Mahin Uddin, Indal Kumar, Atalay Mesfin Aneteneh, 2014-06-30 SOCRATES is an international multi lingual multi disciplinary refereed and indexed scholarly journal produced as par of the Harvard Dataverse Network This journal appears quarterly in English Hindi Persian in 22 disciplines About the Issue This Issue of Socrates contains selected scholarly articles from various scholarly disciplines The entire issue has been divided into five sections The first Section of the edition Language and Literature contains scholarly Research Papers from English language and Literature Hindi literature and Persian literature The first research paper of this section and the edition deals with Feminism and endeavours to investigate the origin and development

of this movement and also pays tribute to the inextinguishable and daredevil spirit of innumerable women who tirelessly contributed in making the new woman a reality The Second paper which belongs to the scholarly discipline of Hindi Literature is a comparative analysis of two spiritual ideologies that prevails in India and different parts of the world This sort of comparative study is rarely found in and which makes it an asset for the research literature The second section of this issue Swedish History contains a paper that presents Sweden s most dignified and faithful Queen Dowager Catherine Stenbock The third section of this issue Politics Law and Governance contains various research articles on various scholarly themes The first research paper of this section attempts to analyse Carl Schmitt s and Agamben s theories through this interesting tripartite relation among the political sovereignty and exception which gives an interesting account to reconfigure sovereignty and its effects felt on Indian emergency of 1975 77 and anti terror laws in recent times Also in what ways it appears as a challenge to the centrality of law in a democracy The second research paper of this section examines the Scottish enlightenment and involvement in this debate through James Mackintosh s response to Burke this encounter of British and French enlightenment will illuminate our modern vision of human rights theories The third research paper of this section is a research study in context of global security under the impact of globalization The fourth research paper of this section deals with a universal problem popularly known as Corruption This paper investigates the remedies of corruption as suggested by the great philosopher and teacher Kautilya in his masterpiece Arthashastra The fifth research paper of this section deals with one of vibrant issues of free world Human rights The fourth section of this issue contains some of the best research papers from the scholarly disciplines of Commerce Management and Economics These research papers are based on the original research carried out by author s The first paper of this section studies the relationship between BPR and Organizational Structure with special reference to State Bank of India The second paper of this section raises evacuation issues The third paper of this section studies the dimensions of customer service in supply chain management SCM of small and medium enterprises of Jammu region The fourth paper of this section investigates the Effectiveness of Public Distribution System in Jammu Kashmir The fifth paper of this section paper examines the role of cooperative societies in economic development of Bangladesh The sixth paper of this section studies green marketing and reveals its challenges and opportunities in rural India The fifth section of this issue represents the scholarly disciplines of Education It contains a research paper which is based on an action research project to find out ways to improve student s participation in the class

Migrant Rights at Work Laurie Berg, 2015-06-26 Public debates about the terms of membership and inclusion have intensified as developed economies increasingly rely on temporary migrant labour While most agree that temporary migrant workers are entitled to the general protection of employment laws temporary migrants have by definition restricted rights to residence full social protections and often to occupational and geographic mobility This book raises important ethical questions about the differential treatment of temporary and unauthorised migrant workers and permanent residents and

where the line should be drawn between exploitation and legitimate employment Taking the regulatory reforms of Australia as a key case study Laurie Berg explores how the influence of immigration law extends beyond its functions in regulating admission to and exclusion from a country Berg examines the ways in which immigration law and enforcement reconfigure the relationships between migrant workers and employers producing uncertain and coercive working conditions In presenting an analytical approach to issues of temporary labour migration the book develops a unique theoretical framework contending that the concept of precariousness is a more fruitful way than equality or vulnerability to evaluate and address issues of temporary migrant labour The book will be of great interest to scholars and practitioners of immigration law and employment law and policy

Illusion of Consent Daniel I. O'Neill, 2010-11 A collection of essays that discuss the writings of Carole Pateman with emphasis on her theories of democracy and feminism Provided by publisher *Legal Republicanism* Samantha Besson, José Luis Martí, 2009-03-26 Interest in republicanism as a political theory has burgeoned in recent years but its implications for the understanding of law have remained largely unexplored *Legal Republicanism* is the first book to offer a comprehensive critical survey of the potential for creating republican accounts of fundamental issues in law and legal theory Bringing together contributors with backgrounds in political and legal philosophy the essays in the volume assess republicanism's historical traditions conceptual coherence and normative proposals The collection offers a valuable insight into new debates taking place in republican political and legal theory It also analyses potential republican approaches to concrete issues arising in areas of law such as criminal constitutional and international law Finally the book includes comparisons between republican legal traditions and how they react to contemporary challenges The book will be of value to political and democratic theorists to legal philosophers and constitutional theorists and all those interested in the legitimacy of decision making in national and international settings

Handbook of Children's Rights Martin D. Ruck, Michele Peterson-Badali, Michael Freeman, 2016-12-08 While the notion of young people as individuals worthy or capable of having rights is of relatively recent origin over the past several decades there has been a substantial increase in both social and political commitment to children's rights as well as a tendency to grant young people some of the rights that were typically accorded only to adults In addition there has been a noticeable shift in orientation from a focus on children's protection and provision to an emphasis on children's participation and self-determination With contributions from a wide range of international scholars the *Handbook of Children's Rights* brings together research theory and practice from diverse perspectives on children's rights This volume constitutes a comprehensive treatment of critical perspectives concerning children's rights in their various forms Its contributions address some of the major scholarly tensions and policy debates comprising the current discourse on children's rights including the best interests of the child evolving capacities of the child states rights versus children's rights rights of children versus parental or family rights children as citizens children's rights versus children's responsibilities and balancing protection and participation In addition to its multidisciplinary focus the

handbook includes perspectives from social science domains in which children's rights scholarship has evolved largely independently due to distinct and seemingly competing assumptions and disciplinary approaches e.g. childhood studies, developmental psychology, sociology of childhood, anthropology and political science. The handbook also brings together diverse methodological approaches to the study of children's rights including both quantitative and qualitative perspectives and policy analysis. This comprehensive, cosmopolitan and timely volume serves as an important reference for both scholarly and policy-driven interest in the voices and perspectives of children and youth.

Decoding **Globalizing Democracy And Human Rights**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Globalizing Democracy And Human Rights Introduction

In today's digital age, the availability of Globalizing Democracy And Human Rights books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Globalizing Democracy And Human Rights books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Globalizing Democracy And Human Rights books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Globalizing Democracy And Human Rights versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Globalizing Democracy And Human Rights books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Globalizing Democracy And Human Rights books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Globalizing Democracy And Human Rights books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open

Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Globalizing Democracy And Human Rights books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Globalizing Democracy And Human Rights books and manuals for download and embark on your journey of knowledge?

FAQs About Globalizing Democracy And Human Rights Books

1. Where can I buy Globalizing Democracy And Human Rights books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Globalizing Democracy And Human Rights book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
