Written in the Ruins Paul Chiasson,2016-01-23 Written in the Ruins investigates the ruins at St Peters in the southern part of Cape Breton Island where amazing evidence supports a wild theory that could answer all the questions raised by the island s curious unresolved history was it settled by the Chinese long before Europeans arrived      **Glooscap the Great Chief, and Other Stories** Emelyn Newcomb Partridge,2014-02 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book The below data was compiled from various identification fields in the bibliographic record of this title This data is provided as an additional tool in helping to ensure edition identification Glooscap The Great Chief And Other Stories Legends Of The Micmacs Emelyn Newcomb Partridge Sturgis Indians of North America Micmac Indians      **Journal of American Folklore** ,1890      *A Native Heritage* Leslie Monkman,1981-12-15 Disparity and division in religion technology and ideology have characterized relations between English Canadian and Indian cultures through out Canada s history From the earliest declaration of white territorial ownership to the current debate on aboriginal rights red man and white man have had opposing principles and perspectives The most common solutions imposed on these conflicts by white men have relegated the Indian to the fringes of white society and consciousness This survey of English Canadian literature is the first comprehensive examination of a tradition in which white writers turn to the Indian and his culture for standards and models by which they can measure their own values and goals for patterns of cultural destruction transformation and survival and for sources of native heroes and indigenous myths Leslie Monkman examines images of the Indian as they appear in works ranging from Robert Rogers Ponteach or The Savages of America 1766 to Robertson Davies Pontiac and the Green Man 1977 demonstrating how English Canadian writers have illuminated their own world through reference to Indian culture The Indian has been seen as an antagonist as a superior alternative as a member of a vanishing and lamented race and as a hero and the source of the new myths Although white Indian tension often lies in apparently irreconcilable opposites Monkman finds in the literature surveyed complementary images reflecting a common humanity This is an important contribution to a hitherto unexplored area of Canadian literature in English which should give rise to further elaboration of this major theme

**The Legend of Starcrash** Dolores Cannon, 1994 Through regressive hypnosis a lost legend of the history of mankind has been retrieved from the recesses of time Did the American Indians descend from the inhabitants of an alien spacecraft that crashed in the Alaska Canada region thousands of years ago Starcrash indicates that aliens continued to come to Earth some intentionally and by accident throughout our history In order to adjust to harsh conditions they were forced to interbreed with the local aborigines This was the only way to insure the survival of their race Does their blood still flow in the veins of certain American Indian tribes Weaving Ourselves into the Land Thomas C. Parkhill, 1997-07-24 CHOICE 1997 Outstanding Academic Books It is now over half a millennium since the first sustained contact between the peoples of Europe and North America yet Native Americans and especially their religious traditions still fascinate those who are not Native In Weaving Ourselves into the Land Thomas Parkhill argues that this fascination draws much more on a stereotype of the Indian than on the lives and history of actual Native Americans This stereotype whether used approvingly or disparagingly has informed the work of authors writing about Native American religions for audiences with both general and professional interests The figure of Charles Godfrey Leland plays an important part in Parkhill's investigation Leland's 1884 collection of legends about the Micmac Maliseet Passamaquoddy and Penobscot culture hero Kluskap becomes the touchstone for reflection on the larger study of Native American religions The author argues that most scholars of these religions including himself continue to be like Leland over a hundred years ago bewitched by the stereotype of the Indian
