BESTSELLER Gloria Steinem writer activist organizer and inspiring leader tells a story she has never told before a candid account of her life as a traveler a listener and a catalyst for change ONE OF O THE OPRAH MAGAZINE S TEN FAVORITE BOOKS OF THE YEAR NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Harper s Bazaar St Louis Post Dispatch Publishers Weekly When people ask me why I still have hope and energy after all these years I always say Because I travel Taking to the road by which I mean letting the road take you changed who I thought I was The road is messy in the way that real life is messy It leads us out of denial and into reality out of theory and into practice out of caution and into action out of statistics and into stories in short out of our heads and into our hearts Gloria Steinem had an itinerant childhood When she was a young girl her father would pack the family in the car every fall and drive across country searching for adventure and trying to make a living The seeds were planted Gloria realized that growing up didn t have to mean settling down And so began a lifetime of travel of activism and leadership of listening to people whose voices and ideas would inspire change and revolution My Life on the Road is the moving funny and profound story of Gloria s growth and also the growth of a revolutionary movement for equality and the story of how surprising encounters on the road shaped both From her first experience of social activism among women in India to her work as a journalist in the 1960s from the whirlwind of political campaigns to the founding of Ms magazine from the historic 1977 National Women s Conference to her travels through Indian Country a lifetime spent on the road allowed Gloria to listen and connect deeply with people to understand that context is everything and to become part of a movement that would change the world In prose that is revealing and rich Gloria reminds us that living in an open observant and on the road state of mind can make a difference in how we learn what we do and how we understand each other Praise for My Life on the Road This legendary feminist makes a compelling case for traveling as listening a way of letting strangers stories flow as she puts it out of our heads and into our hearts People Like Steinem herself My Life on the Road is thoughtful and astonishingly humble It is also filled with a sense of the momentous while offering deeply personal insights into what shaped her O The Oprah Magazine A lyrical meditation on restlessness and the quest for equity Part of the appeal of My Life is how Steinem with evocative melodic prose conveys the air of discovery and wonder she felt during so many of her journeys The lessons imparted in Life on the Road offer more than a reminiscence They are a beacon of hope for the future USA Today A warmly companionable look back at nearly five decades as itinerant feminist organizer and standard bearer If you ve ever wondered what it might be like to sit down with Ms Steinem for a casual dinner this disarmingly intimate book gives a pretty good idea mixing hard won pragmatic lessons with more inspirational insights The New York Times Steinem rocks My Life on the Road abounds with fresh insights and is as populist as can be The Boston Globe Gloria Steinem Mark Hoff,1991 A biography of feminist leader Gloria Steinem emphasizing her role in the womens liberation movement of the 1970s **The Essential Gloria Steinem Reader** Gloria Steinem,2014 Gloria Steinem one of the most iconic feminist thinkers of the world spent her early years in India Her time in the country

revealed to Gloria the Gandhian insight that change like a tree must grow from the bottom up. Subsequently her decades of work with the feminist movement in the US and across the world taught her that violence and domination are normalized by the false division of human beings into subject and object, the dominator and the dominated, masculine and feminine. In *As if Women Matter*, Gloria Steinem and activist Ruchira Gupta bring together a selection of ground-breaking essays by Gloria which, since the time that they were first written, have transcended borders and have laid the groundwork for much of modern feminist thought. In these pages Gloria demonstrates how racism and discrimination based on caste and class differences cannot survive without controlling women's bodies; she also describes the many ways in which women and men are fighting that control. She brilliantly analyzes Adolf Hitler's obsession with masculinity and finds a gendered understanding of violence in the making. She distinguishes between erotica and pornography, locating the difference between the two in the inequality that governs relations between the sexes. And in addition to a trenchant account of a few days she spent as a Playboy Bunny, this volume also carries a never-before-published essay on sex trafficking by Gloria. *The Third Way*, *As if Women Matter* is scholarly, profound, and leavened by a lightness of touch which makes the most complex arguments accessible to all readers.

**Education of a Woman: The Life of Gloria Steinem** Carolyn G. Heilbrun, 2011-07-20 From one of America's most respected critics comes an acclaimed biography of the controversial feminist. Here Heilbrun illuminates the life and explores the many facets of Steinem's complex life from her difficult childhood to the awakening that changed her into the most famous feminist in the world. Intimate and insightful, here is a biography that is as provocative as the woman who inspired it. Photos

**Gloria Steinem** Patricia Cronin Marcello, 2004-03-30 Profiles the life of Gloria Steinem from her early life through her important contributions to the feminist movement.

*I Know This to Be True: Gloria Steinem* Geoff Blackwell, Ruth Hobday, 2020-03-24 The *I Know This to Be True* series is a collection of extraordinary figures from diverse backgrounds answering the same questions as well as sharing their compelling stories, guiding ideals, and insightful wisdom. In this remarkable interview, feminist icon and social justice activist Gloria Steinem shares stories from her more than fifty years working as a tireless advocate and award-winning journalist. Steinem looks back on the formative lessons of her life, including how her unconventional childhood shaped her worldview, why listening and empathy are the guiding principles in her work, and why laughter is the key to freedom. Gloria Steinem has devoted her life to challenging discrimination against women. Steinem's words are a beacon for a new generation of social activists and a call to follow your convictions with courage and grace. This landmark book series brims with messages of leadership, courage, compassion, and hope. Inspired by Nelson Mandela's legacy and created in collaboration with the Nelson Mandela Foundation, *I Know This to Be True* is a global series of books created to spark a new generation of leaders. This series offers encouragement and guidance to graduates, future leaders, and anyone hoping to make a positive
