Gloria In Excelsis Deo Poulenc From Gloria:

The Music of Francis Poulenc (1899-1963) Carl B. Schmidt, 1995-10-19 The name of Francis Poulenc 1899 1963 was first brought to prominence in the 1920s as a member of Les Six a group of young French composers encouraged by Satie and Cocteau His subsequent fame spread well beyond France and he is coming to be regarded as one of this century's most significant composers His compositions are heard constantly in concert halls the world over and numerous recordings including complete sets of songs and piano music have been released Books articles and more than a dozen doctoral dissertations have discussed his music Carl Schmidt's catalogue of Poulenc's works represents the first comprehensive attempt to list an oeuvre which numbers approximately 185 compositions written from his teenage years until his death at the age of 63 The Catalogue identifies a number of unpublished works and adds a small group of compositions to his musical canon for the first time Each work whether complete or unfinished published or unpublished is described fully Catalogue entries list and describe all known printed editions including reprints and manuscript copies of each work In addition they provide detailed compositional histories based on numerous letters documents and press accounts many of which have not been published previously Russian interest in Poulenc's music manifested in press runs exceeding one million copies is also revealed for the first time [A History of Western Choral Music, Volume 2](#) Chester L. Alwes, 2016-08-03 A

History of Western Choral Music explores the various genres key composers and influential works essential to the development of the western choral tradition Author Chester L Alwes divides this exploration into two volumes which move from Medieval music and the Renaissance era up to the 21st century Volume II begins at the transition from the Classical era to the Romantic with an examination of the major genres common to both periods Exploring the oratorio part song and dramatic music it also offers a thorough discussion of the choral symphony from Beethoven to Mahler through to the present day It then delves into the choral music of the twentieth century through discussions of the major compositional approaches and philosophies that proliferated over the course of the century from impressionism to serialism neo classicism to modernism minimalism and the avant garde It also considers the emerging tendency towards nationalistic composition amongst composers such as Bartok and Stravinsky and discusses in great detail the contemporary music of the United States and Great Britain Framing discussion within the political religious cultural philosophical aesthetic and technological contexts of each era A History of Western Choral Music offers readers specialized insight into major composers and works while providing a cohesive understanding of choral music's place in Western history **Francis Poulenc** Sidney

Buckland, 2020-11-25 This collection of essays provides vivid new insights into Poulenc's world his particular rapport with painters writers and fellow musicians and with the socialite who promoted his music through their salons Contributions from international Poulenc scholars include the influence of various artists on his music the nature of his affinity for Eluard's poetry his response to texts by Cocteau and Bernanos and his constant search for suitable libretti New light is thrown on two

friendships the first with his childhood friend Raymonde Linossier who introduced him to the world of books the second to his teacher Charles Koechlin who greatly influenced his choral style A detailed study is also provided of Poulenc's four choral works with orchestra Finally the reader is allowed a rare view of Poulenc at the microphone not as interviewee but as radio presenter in his 1947-1949 series of programmes *A b tons rompus* ***A History of Western Choral Music*** Chester Lee Alwes, 2015 Comprehensive history of western choral music from the Medieval era to the beginnings of the Romantic period Unique in its detailed analysis and breadth of Western choral music and key composers Ample musical examples to supplement discussion In depth discussions of historical connections ***Poulenc*** Roger Nichols, 2020-04-09 An authoritative account of the life and work of Francis Poulenc one of the most prolific and striking figures in twentieth century classical music An assured overview of Poulenc's life and work Alex Ross New Yorker Essential reading for anyone interested in the French musical culture of Poulenc's time This is the biography the composer deserves Christopher Dingle BBC Music Magazine Named one of the Best Books on Classical Music in 2020 by BBC Music Magazine Francis Poulenc is a key figure in twentieth century classical music as well as an unorthodox and striking individual Roger Nichols draws upon Poulenc's music and other primary sources to write an authoritative life of this great artist Although associated with five other French composers in what came to be called Les Six Poulenc was very much *sui generis* in personality and in his music where he excelled over a wide repertoire opera songs ballet scores chamber works piano pieces sacred and secular choral works orchestral works and concertos This book fully covers this wide range while also describing the vicissitudes of Poulenc's life and the many important relationships he had with major figures such as Satie Ravel Stravinsky Diaghilev Cocteau and others
