**Angelology. Remarks and reflections touching the agency and ministration of holy angels ... With original illustrations** George CLAYTON (of New York.), 1851 *Angelology* George Clayton (of New York.), 1851 **If you meet George Herbert on the road, kill him** Justin Lewis-Anthony, 2013-01-17 Priestly ministry in the Church of England needs a radical rethink George Herbert died in 1633 His legacy continues His poems are read and sung and his parish ministry remains the model for the Church of England s understanding of how and where and why its priests should minister But

there is a problem The memory of Herbert celebrated by the Church is an inaccurate one and in its inaccuracy is unfair on Herbert himself and his successors in the ordained ministry This is a book of the long view It sets out to assess realistically the context of Herbert's life and to explore the difficulties of parish life today By examining the status and role of parish clergy since Herbert's time and today it draws on the work of historians social anthropologists psychologists and theologians and presents their ideas in a readable and passionate style It argues that the future strength of parochial ministry will be found in a recovery of historic renewed understandings of priestly ministry and concludes by outlining more sustainable patterns of practice for the future In a climate of uncertainty for the future of the church it will be an encouragement for priest and people and welcomed by both

**Abingdon New Testament Commentaries: John** D. Moody Smith, 2011-09-01 In this volume Smith views the Fourth Gospel within several contexts in order to illuminate its specific purposes and achievements A growing consensus of recent

scholarship including Martyn Raymond E Brown Meeks seeks the roots of this Gospel and its traditions in the conflict between Jesus followers and opponents within Judaism In their struggles Jesus followers are encouraged and strengthened by his continuing presence in the Spirit which articulates his meaning for new situations Although distinctive Johannine Christianity does not develop in complete isolation from the broader Christian Gospels Out of a fascinating if complex setting develops the strikingly unique statement of Christian faith practice and doctrine found in the Gospel of John The purpose of this commentary is to enable the reader to comprehend that statement in historical perspective in order to appreciate its meaning and significance

**The Works of Jonathan Edwards: Volume I □ VI Revised** Jonathan Edwards, The Bible and the Priesthood (A Catholic Biblical Theology of the Sacraments) Anthony OP Giambrone, 2022-11-15 This series on the seven Sacraments provides readers with a deeper appreciation of God's gifts and call in the Sacraments through a renewed encounter with God's Word In this volume a leading Catholic scholar offers a biblical theology of the priesthood rooted in the Old and New Testaments Half a millennium after the Protestant Reformation and in the midst of an ongoing clerical crisis in the Catholic Church this book presents a comprehensive biblical vision and defense of the sacramental priesthood and an informed theological response to the problem of priestly sin It gives expression to the

ministerial priesthood's biblically grounded sacramental share in the sacrificial ministry of Jesus Christ Series editors are Timothy C Gray and John Sehorn Gray is president of the Augustine Institute which has one million subscribers to its online content channel Formed.org Gray and Sehorn teach at the Augustine Institute Graduate School of Theology which prepares students for Christian mission through on campus and distance education programs Works of President Edwards Jonathan Edwards, 1868 The Works of President Edwards Jonathan Edwards, 1879 **101 Thoughts From the Word** David Peckham, 2007-10 Jesus gave answers to the temptations of Satan beginning with the declaration It is written The Word of God is a storehouse of answers to combat the woes of this life It is also a treasure chest of promises and hopes for the saints of God It has a wealth of remedies for those who have no hope and for those trodden down with the terminal disease of sin The Lord Jesus Christ said I am the way the truth and the life no man cometh unto the Father but by me Jn 14:6 Man desperately searches the world over in quest of youth longer life and happiness of life Yet right before his eyes is the very treasure map that unveils the well of living water springing up unto everlasting life and the fountain of eternal grace flowing from Immanuel's veins Within its pages the Holy Comforter has written wondrous guides through the straight and narrow way that begins at the foot of the old rugged cross He leads the seeker securely in hand over the lofty heights of pure truth and when the weary traveler is faint with distressing thirst the Spirit and Bride say Come drink of the water of life freely and you shall find rest for your soul and life more abundantly These single page lessons are set forth only as brief simple studies of various topics of the Scriptures They are not designed as theological discourses or the settling of doctrinal issues These are mere glimpses through the windows of the Word of God They are thought provokers docks for launching out into the deep and stimuli for discussion of the truths of the Holy Scriptures They are purposely designed for church bulletins devotions and study starters The Holy Grail and the Eucharist Sergii Bulgakov, Sergei Nikolaevich Bulgakov, 1997 These two moving studies by the eminent Orthodox theologian and sophiologist Father Sergei Bulgakov are remarkable in many ways The first is a unique consideration from the point of view of Eastern Christianity of the Holy Grail the chalice used by Joseph of Arimathea to catch the blood and water as it flowed from Jesus' side when it was pierced on the Cross by the spear of Longinus This moment is described in John 19:34 Bulgakov's essay is a dogmatic exegesis of this passage in which with astounding passion and precision he reveals that the Earth itself and hence the human universe is the Grail wherein Christ lives forever The second essay is also unique the most important contribution to eucharistic theology by an Orthodox theologian In the West the meaning of the Communion bread and wine as the Christ's Body and Blood has been interpreted largely in philosophical terms deriving from Aristotle and Thomas Aquinas Bulgakov insists on a christological and Gospel based interpretation one with tremendous significance for our understanding of the supernatural and sophianic nature of a world interpenetrated by the divine This little book is a priceless gift enriching our understanding of the Christian mystery and two of its deepest aspects the Grail and the Eucharist A History of the Work of Redemption Jonathan Edwards, 1845
